

HB 1697 -- COTTAGE INDUSTRIES (Baker)

COMMITTEE OF ORIGIN: Standing Committee on Downsizing State Government

Currently, cottage food production operations must have an annual gross income of \$50,000 or less and are prohibited from selling food through the Internet. This bill removes the cap on annual gross income and the prohibition of online sales, provided that the cottage food production operation and purchaser are both located in Missouri.

This bill is the same as HB 357 (2021).
