

HB 1767 -- PUBLIC SCHOOL INSTRUCTION

SPONSOR: Sander

This bill defines "promote" and "public school" and prohibits public schools from promoting divisive concepts as outlined in the bill.

Concepts include but are not limited to: that an individual, solely by virtue of such individual's race or sex, is inherently racist, sexist, or oppressive; that the United States government should be violently overthrown; and that all Americans are not created equal and are not endowed by their Creator with certain unalienable rights including life, liberty, and the pursuit of happiness.

The bill requires public schools to provide notification to the Department of Elementary and Secondary Education and make information available on the school website 30 days prior to various actions outlined in the bill regarding these concepts.
