

HB 1902 -- EMPLOYMENT SECURITY

SPONSOR: Christofanelli

The bill allows for termination and severance pay to be included as wages and prorated on a weekly basis if paid in a lump sum for determination of unemployment benefits. The bill allows a claimant to include vacation pay and holiday pay in the computation for wage credits either in the calendar quarter it was paid or prorated equally among the quarters comprising the base period for the claim.

This bill is similar to HB 756 (2021).
