

HB 1910 -- EHTICS

SPONSOR: Shaul

This bill requires individuals and organizations that act to influence counties, cities, towns, villages or special districts to provide an annual report of expenditures and payments either made to such local governments or special districts or received from local governments or special districts. Contractual agreements and payments for services by local governments or special districts to those required to file a report will be included as payments in the report.

The report is a public record and is filed with the governing body of the local government or special district. Such reports may include a reference to the financial reports under Section 105.470, RSMo, where such reports are also required of individuals or organizations. The first report shall be due no later than January 1, 2024, and information will be required for activities beginning January 1, 2023. Reports shall cover a five year period of activity.
