

HB 1973 -- SCHOOL TRANSPORTATION

SPONSOR: Gregory (51)

This bill modifies the definition of "school bus" to include the requirement that the bus must be designed to carry more than 10 people. School districts are authorized to use other motor vehicles for the purpose of transporting school children. The State Board of Education may adopt rules and regulations governing the use of the other motor vehicles, but not vehicles operating under the authority of the Department of Revenue's Transportation Network Provision.
