

HB 2283 -- TAX REVENUES DEDICATED TO SCHOOL DISTRICTS

SPONSOR: Bland Manlove

This bill prohibits property tax and sales tax revenues dedicated to a school district to be reduced or redirected by any program, special taxing district, or political subdivision, and any calculation of payment in lieu of taxes or economic activity taxes must not include any tax revenues dedicated to a school district.

This bill will not apply retroactively to any agreement or contract executed before August 28, 2022.

This bill is similar to HB 1198 (2021).
