

HB 2506 -- CONTINUING EDUCATION CREDITS

SPONSOR: Derges

This bill allows dentists, dental hygienist, assistant physicians, physical therapist licensees, optometrists, and psychologists to earn up to 16 hours a year of continuing education credits by volunteering their services at a nonprofit entity.

The dentist, dental hygienist, assistant physician, physical therapist licensee, optometrist, or psychologist must work at least four hours on the days he or she volunteers and can only earn eight hours of credit per day.
