

HB 2511 -- STUDENT-TEACHER COLLABORATION ADVISORY BOARD

SPONSOR: Bland Manlove

This bill establishes the "Student-Teacher Collaboration Advisory Board" made up of one deputy commissioner from the Department of Elementary and Secondary Education, and a student and teacher from each of the Congressional districts in the State as appointed by the Commissioner of Education. The students must be in grade eight or higher and the teachers must have taught in a classroom for at least two years to be appointed to the Board.

The Board shall meet annually to discuss best practices in the classroom and programs and submit a report summarizing meeting discussions to the Governor and the General Assembly.

This bill is the same as HB 951 (2023).
