

HB 2576 -- MOTOR VEHICLE BIENNIAL REGISTRATION

SPONSOR: Bromley

COMMITTEE ACTION: Voted "Do Pass" by the Standing Committee on Downsizing State Government by a vote of 9 to 0.

This bill repeals the provision of law which requires that vehicles manufactured as an even-numbered model year must be renewed each even-numbered calendar year and that vehicles manufactured as an odd-numbered model year must be renewed each odd-numbered calendar year.

This bill is the same as HB 578 (2021).

PROPONENTS: Supporters say that this makes the renewal process easier to understand.

Testifying for the bill was Representative Bromley.

OPPONENTS: Those who oppose the bill say that there is nothing wrong with the way we currently renew license plates.

Testifying against the bill was Arnie C. Ac Dienoff

Written testimony has been submitted for this bill. The full written testimony can be found under Testimony on the bill page on the House website.
