

HB 2586 -- Solid Waste Forfeiture Funds

SPONSOR: Kelly (141)

Currently, all solid waste forfeited collateral is deposited into the General Revenue Fund. This bill specifies this collateral will go into the Solid Waste Forfeitures Account Postclosure Fund and any forfeited funds from solid waste facilities currently in the General Revenue Fund will be transferred to the Postclosure Fund. In addition, the bill authorizes the funds to be expended for the implementation of corrective action, in addition to closure and postclosure plans.
