SPONSOR: Copeland

This bill modifies the offense of delivery of a controlled substance to add that a person commits the offense if he or she knowingly distributes or delivers a schedule I or schedule II controlled substance and great bodily harm or death results from the use of the controlled substance. The offense is a class B felony if the delivery or distribution of a schedule I or schedule II controlled substance results in great bodily harm from the use of the controlled substance and a class A felony if a death results from such use.
