

HB 2802 -- TRANSPORTATION ACCOUNTABILITY FUND

SPONSOR: Smith (163)

This bill creates the "Transportation Accountability Fund", to consist of general revenue appropriated by the General Assembly for highway system uses and purposes, other than the payment of outstanding bonds. The Fund will be used solely by the Department of Transportation for highway system uses and purposes. No disbursements will be made from the Fund at any time the Department of Transportation employs more than 4,500 employees.

This bill is the same as SB 1163 (2022).
