**FISCAL ANALYSIS**

**ASSUMPTION**

Officials from the **Department of Natural Resources (DNR)** assume the proposal will have no fiscal impact on their organization. DNR states the changes in statute are being proposed to clean up resource recovery references in which the corresponding regulations have been removed since 2017. The changes should have no impact on fees and/or revenue.

**Oversight** notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

No direct fiscal impact to small businesses would be expected as a result of this proposal.

**FISCAL DESCRIPTION**

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
