FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of Administration – Budget and Planning (B&P)** state Section 105.1500 establishes the Personal Privacy Protection Act which prohibits the listed entities from sharing personal information in its possession. A person or entity found to be in violation of this section would be subject to a fine of no less than \$2,500 per violation with fines being tripled if the violation is intentional. The section also provides for the reimbursement of litigation fees. Any person who knowingly violates this section is guilty of a class B misdemeanor. To the extent any related fines are deposited in the state treasury, Total State Revenues may be impacted.

Officials from the **University of Missouri** state although this proposed legislation will create possible new sources of liability for the University of Missouri System, they do not believe it will have a significant fiscal impact.

Oversight assumes the fiscal impact from §105.1500.5 (if any) would not be material to the state or to local political subdivisions.

Officials from the **Office of Administration, Department of Commerce and Insurance, Department of Economic Development, Department of Labor and Industrial Relations, Missouri Department of Conservation, Office of the Secretary of State, Department of Natural Resources, Missouri Office of Prosecution Services, Department of Health and Senior Services, Department of Corrections, Department of Elementary and Secondary Education, Department of Mental Health, Department of Social Services, Office of the State Public Defender, Missouri Department of Transportation, Missouri State Employee's Retirement System, Office of the Attorney General, Department of Higher Education and Workforce Development, Administrative Hearing Commission, Department of Revenue, Department of Public Safety (Fire Safety, Office of the Director, Missouri National Guard, Alcohol and Tobacco Control, Capitol Police, Highway Patrol, Veterans Commission, State Emergency Management Agency, Missouri Gaming Commission), Department of Agriculture, Missouri Ethics Commission, MoDOT & Patrol Employees Retirement System, Missouri Lottery Commission, Missouri Consolidated Health Care Plan, Office of the State Courts Administrator and the Missouri State Tax Commission** each assume the proposal would not fiscally impact their respective agencies.

Oversight notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

Officials from the cities of **Claycomo, Corder, and Springfield** each assumed the proposal would not fiscally impact their cities.

Oversight received a limited number of responses from municipalities related to the fiscal impact of this proposal. Oversight has presented this fiscal note on the best current information available. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note.
