FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of the Secretary of State (SOS)** assume the proposal will have no fiscal impact on their organization.

Oversight notes there could be a potential increase in absentee ballots if this proposal were to be enacted. There may be additional mailing expense for returned voted ballot postage that will be charged to the State of Missouri. In response to similar legislation, SB 657 (2020), the **SOS** stated there may be an increase, but the **SOS** is not able to quantify it beyond an “unknown.” **Oversight** assumes the cost will not be material, and will reflect a zero to a (Less than \$100,000) annual fiscal impact to the State of Missouri.

In response to similar legislation, SB 113 from 2021, officials from the **Kansas City Election Board** assumed the fiscal impact of this proposal would be to hire 2 new permanent employees at \$40,000 each including benefits (2 x \$40,000 = \$80,000). Postage and printing per election would increase \$10,000 to handle the increased volume of absentee voters. Legal notices to notify the public about the changes to absentee voting would be roughly \$5,000.

In response to similar legislation, SB 657 from 2020, officials from the **Jackson County Election Board** anticipate a 30% increase in mail outs within their jurisdictional boundaries if the proposal should pass. Jackson County Election Board has 250,000 who could qualify under this proposal.

Using Presidential Year 2016 as a guide, the increase in postage costs would be:

March Mail Outs	1,996	30% increase (599) x .70 cents =	\$419.30
April Mail Outs	918	30% increase (276) x .70 cents =	\$193.20
August Mail Outs	1,915	30% increase (575) x .70 cents =	\$402.50
November Mail Outs	11,025	30% increase (3,308) x .70 cents =	<u>\$2,315.60</u>
Total Postage			\$3,330.60

Additional part-time help to assemble additional mail-outs of absentee ballots:

\$12.00 per hour x 10 minutes per additional mail-outs (6 per hour) 793 hours = \$9,516.00

Reprinting of absentee ballot envelopes and instructions: = \$6,500.00

Total Fiscal Note for Jackson County Election Board = \$19,346.60

Oversight notes there could be a potential increase in absentee ballots if this proposal were to be enacted. We are unable to determine how many additional individuals will cast an absentee ballot statewide; therefore, Oversight will reflect an unknown fiscal impact for the additional cost to local election authorities.

Officials from the **St. Louis County Board of Elections** and **Platte County Board of Elections** both assume the proposal will have no fiscal impact on their organization.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other local election authorities and county clerks were requested to respond to this proposed legislation but did not. A general listing of political subdivisions included in our database is available upon request.

FISCAL IMPACT – Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

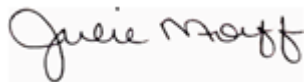

FISCAL DESCRIPTION

Under current law, a person may vote absentee for candidates and ballot issues in any election in which he or she is eligible to vote if such person expects to be prevented from going to the polls for specified reasons. This act permits a person to vote absentee for any reason or no reason at all.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
