## AN ACT

To repeal section 173.1003, RSMo, and to enact in lieu thereof one new section relating to higher education.

---

*Be it enacted by the General Assembly of the state of Missouri, as follows:*

Section A. Section 173.1003, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 173.1003, to read as follows:

173.1003. 1. Beginning with the 2008-09 academic year, each approved public institution, as such term is defined in section 173.1102, shall submit its percentage change in the amount of tuition from the current academic year compared to the upcoming academic year to the coordinating board for higher education by July first preceding such academic year.

2. For institutions whose tuition is greater than the average tuition, the percentage change in tuition shall not exceed the percentage change of the consumer price index plus a percentage of not more than five percent that would produce an increase in net tuition revenue no greater than the dollar amount by which the state operating support was reduced for the prior fiscal year, if applicable.

3. For institutions whose tuition is less than the average tuition, the dollar increase in tuition shall not exceed the product of the percentage change of the consumer price index times the average tuition, plus a percentage of not more than five percent that would produce an increase in net tuition revenue no greater than the dollar amount by which the state operating support was reduced for the prior fiscal year, if applicable.

4. If a tuition increase exceeds the limits set forth in subsection 2 or 3 of this section, then the institution shall be subject to the provisions of subsection 5 of this section.

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

17           5. Any institution that exceeds the limits set forth in subsection 2 or 3 of this section  
18 shall remit to the board an amount equal to five percent of its current year state operating support  
19 amount which shall be deposited into the general revenue fund unless the institution appeals,  
20 within thirty days of such notice, to the commissioner of higher education for a waiver of this  
21 provision. The commissioner, after meeting with appropriate representatives of the institution,  
22 shall determine whether the institution's waiver request is sufficiently warranted, in which case  
23 no fund remission shall occur. In making this determination, the factors considered by the  
24 commissioner shall include but not be limited to the relationship between state appropriations  
25 and the consumer price index and any extraordinary circumstances. If the commissioner  
26 determines that an institution's tuition percent increase is not sufficiently warranted and declines  
27 the waiver request, the commissioner shall recommend to the full coordinating board that the  
28 institution shall remit an amount up to five percent of its current year state operating  
29 appropriation to the board, which shall deposit the amount into the general revenue fund. The  
30 coordinating board shall have the authority to make a binding and final decision, by means of  
31 a majority vote, regarding the matter.

32           6. The provisions of subsections 2 to 5 of this section shall not apply to any community  
33 college unless any such community college's tuition for any Missouri resident is greater than or  
34 equal to the average tuition. If the provisions of subsections 2 to 5 of this section apply to a  
35 community college, subsections 2 to 5 of this section shall only apply to out-of-district Missouri  
36 resident tuition.

37           7. For purposes of this section, the term "average tuition" shall be the sum of the tuition  
38 amounts for the previous academic year for each approved public institution that is not excluded  
39 under subsection 6 of this section, divided by the number of such institutions. The term  
40 "consumer price index" shall mean the Consumer Price Index for All Urban Consumers (CPI-U),  
41 1982-1984 = 100, not seasonally adjusted, as defined and officially recorded by the United States  
42 Department of Labor, or its successor agency, from January first of the current year compared  
43 to January first of the preceding year. The term "state appropriation" shall mean the state  
44 operating appropriation for the prior year per full-time equivalent student for the prior year  
45 compared to state operating appropriation for the current year per full-time equivalent student  
46 for the prior year. The term "tuition" shall mean the amount of tuition and required fees,  
47 **supplementary fees, course fees, laboratory fees, and all other fees** excluding any fee  
48 established by the student body of the institution, charged to a Missouri resident undergraduate  
49 ~~[enrolled in fifteen credit hours at the institution]~~ **or graduate student**. The term "state  
50 operating support" shall mean the funding actually disbursed from state operating appropriations  
51 to approved public institutions and shall not include appropriations or disbursement for special  
52 initiatives or specific program additions or expansions. The term "net tuition revenue" shall

53 mean the net amount of resident undergraduate tuition and required fees reduced by institutional  
54 aid only. "Institutional aid" includes all aid awarded to the student by the student's institution  
55 of higher education only from such institution's funds. Institutional aid does not include the  
56 following: Pell Grants; state awards such as the Missouri higher education academic scholarship  
57 program, the A+ schools program, and the access Missouri financial aid program; foundation  
58 scholarships; third-party scholarships; employee and dependent fee waivers; and student loans.  
59 8. Nothing in this section shall be construed to usurp or preclude the ability of the  
60 governing board of an institution of higher education to establish tuition or required fee rates.
