 74 any teacher and other school district employees who are directly responsible for the student's
 75 education or who otherwise interact with the student on an educational basis while acting
 76 within the scope of ~~[their]~~ **such teacher's or employees'** assigned duties.

 78 conduct set by the local board of education, and the importance of the standards to the

80 3. The policy shall provide that any student who is on suspension for any of the
 81 offenses listed in subsection 2 of this section or any act of violence or drug-related activity
 82 defined by school district policy as a serious violation of school discipline pursuant to
 83 subsection 9 of this section shall have as a condition of ~~[his or her]~~ **the student's** suspension
 84 the requirement that such student is not allowed, while on such suspension, to be within one
 85 thousand feet of any school property in the school district where such student attended school
 86 or any activity of that district, regardless of whether or not the activity takes place on district
 87 property unless:

88 (1) Such student is under the direct supervision of the student's parent, legal guardian,
89 or custodian and the superintendent or the superintendent's designee has authorized the
90 student to be on school property;

91 (2) Such student is under the direct supervision of another adult designated by the
92 student's parent, legal guardian, or custodian, in advance, in writing, to the principal of the

102 subsection 3 of this section may be subject to expulsion or further suspension pursuant to the
103 provisions of sections 167.161, 167.164, and 167.171. In making this determination
104 consideration shall be given to whether the student poses a threat to the safety of any child or
105 school employee and whether such student's unsupervised presence within one thousand feet
106 of the school is disruptive to the educational process or undermines the effectiveness of the
107 school's disciplinary policy. Removal of any pupil who is a student with a disability is subject
108 to state and federal procedural rights. This section shall not limit a school district's ability to:

116 bus or brought a weapon to a school activity whether on or off of the school property in
117 violation of district policy, except that:

118 (1) The superintendent or, in a school district with no high school, the principal of the
119 school which such child attends may modify such suspension on a case-by-case basis; and

120 (2) This section shall not prevent the school district from providing educational
121 services in an alternative setting to a student suspended under the provisions of this section.

122 6. For the purpose of this section, the term "weapon" shall mean a firearm as defined
123 under 18 U.S.C. Section 921 and the following items, as defined in section 571.010: a

125 gun, a knife, knuckles, a machine gun, a projectile weapon, a rifle, a shotgun, a spring gun or
126 a switchblade knife; except that this section shall not be construed to prohibit a school board
127 from adopting a policy to allow a Civil War reenactor to carry a Civil War era weapon on
128 school property for educational purposes so long as the firearm is unloaded. The local board
129 of education shall define weapon in the discipline policy. Such definition shall include the
130 weapons defined in this subsection but may also include other weapons.

131 7. All school district personnel responsible for the care and supervision of students
132 are authorized to hold every pupil strictly accountable for any disorderly conduct in school or

134 school-sponsored activities, or during intermission or recess periods.

135 8. Teachers and other authorized district personnel in public schools responsible for
136 the care, supervision, and discipline of schoolchildren, including volunteers selected with
137 reasonable care by the school district, shall not be civilly liable when acting in conformity
138 with the established policies developed by each board, including but not limited to policies of
139 student discipline or when reporting to ~~[his or her]~~ **such individual's** supervisor or other
140 person as mandated by state law acts of school violence or threatened acts of school violence,
141 within the course and scope of the duties of the teacher, authorized district personnel or
142 volunteer, when such individual is acting in conformity with the established policies
143 developed by the board. Nothing in this section shall be construed to create a new cause of
144 action against such school district, or to relieve the school district from liability for the
145 negligent acts of such persons.

146 9. Each school board shall define in its discipline policy acts of violence and any
147 other acts that constitute a serious violation of that policy. "Acts of violence" as defined by
148 school boards shall include but not be limited to exertion of physical force by a student with
149 the intent to do serious bodily harm to another person while on school property, including a
150 school bus in service on behalf of the district, or while involved in school activities. School
151 districts shall for each student enrolled in the school district compile and maintain records of
152 any serious violation of the district's discipline policy. Such records shall be made available
153 to teachers and other school district employees with a need to know while acting within the
154 scope of their assigned duties, and shall be provided as required in section 167.020 to any
155 school district in which the student subsequently attempts to enroll.

156 10. ~~[Spanking, when administered by certificated personnel and in the presence of a~~
157 ~~witness who is an employee of the school district, or]~~ **No school district or charter school**
158 **shall use corporal punishment or spanking to discipline a student.** The use of reasonable
159 force to protect persons or property, when administered by personnel of a school district in a
160 reasonable manner in accordance with the local board of education's written policy of
161 discipline, is not abuse within the meaning of chapter 210.

162 11. Upon receipt of any reports of child abuse by the children's division pursuant to
163 sections 210.110 to 210.165 which allegedly involve personnel of a school district, the
164 children's division shall notify the superintendent of schools of the district or, if the person
165 named in the alleged incident is the superintendent of schools, the president of the school
166 board of the school district where the alleged incident occurred.

167 12. In order to ensure the safety of all students, ~~should~~ if a student ~~be~~ is expelled
168 for bringing a weapon to school, violent behavior, or for an act of school violence, that
169 student shall not, for the purposes of the accreditation process of the Missouri school
170 improvement plan, be considered a dropout or be included in the calculation of that district's
171 educational persistence ratio.

172 **13. As used in this section, "corporal punishment" means the infliction of pain**
173 **by an adult upon the body of a child as penalty for doing something that has been**
174 **disapproved of by the adult.**
