[PERFECTED]

HOUSE COMMITTEE SUBSTITUTE FOR

HOUSE BILL NO. 1850

98TH GENERAL ASSEMBLY

4247H.02P

D. ADAM CRUMBLISS, Chief Clerk

AN ACT

To repeal section 324.001, RSMo, and to enact in lieu thereof one new section relating to health care workforce analysis.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 324.001, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 324.001, to read as follows:

324.001. 1. For the purposes of this section, the following terms mean:

(1) "Department", the department of insurance, financial institutions and professional registration;

(2) "Director", the director of the division of professional registration; and

(3) "Division", the division of professional registration.

2. There is hereby established a "Division of Professional Registration" assigned to the department of insurance, financial institutions and professional registration as a type III transfer, headed by a director appointed by the governor with the advice and consent of the senate. All of the general provisions, definitions and powers enumerated in section 1 of the Omnibus State Reorganization Act of 1974 and Executive Order 06-04 shall apply to this department and its divisions, agencies, and personnel.

3. The director of the division of professional registration shall promulgate rules and regulations which designate for each board or commission assigned to the division the renewal date for licenses or certificates. After the initial establishment of renewal dates, no director of the division shall promulgate a rule or regulation which would change the renewal date for licenses or certificates if such change in renewal date would occur prior to the date on which the renewal date in effect at the time such new renewal date is specified next occurs. Each board or

18 commission shall by rule or regulation establish licensing periods of one, two, or three years.
19 Registration fees set by a board or commission shall be effective for the entire licensing period
20 involved, and shall not be increased during any current licensing period. Persons who are
21 required to pay their first registration fees shall be allowed to pay the pro rata share of such fees
22 for the remainder of the period remaining at the time the fees are paid. Each board or
23 commission shall provide the necessary forms for initial registration, and thereafter the director
24 may prescribe standard forms for renewal of licenses and certificates. Each board or commission
25 shall by rule and regulation require each applicant to provide the information which is required
26 to keep the board's records current. Each board or commission shall have the authority to collect
27 and analyze information required to support workforce planning and policy development. Such
28 information shall not be publicly disclosed so as to identify a specific health care provider, as
29 defined in section 376.1350. Each board or commission shall issue the original license or
30 certificate.

31 4. The division shall provide clerical and other staff services relating to the issuance and
32 renewal of licenses for all the professional licensing and regulating boards and commissions
33 assigned to the division. The division shall perform the financial management and clerical
34 functions as they each relate to issuance and renewal of licenses and certificates. "Issuance and
35 renewal of licenses and certificates" means the ministerial function of preparing and delivering
36 licenses or certificates, and obtaining material and information for the board or commission in
37 connection with the renewal thereof. It does not include any discretionary authority with regard
38 to the original review of an applicant's qualifications for licensure or certification, or the
39 subsequent review of licensee's or certificate holder's qualifications, or any disciplinary action
40 contemplated against the licensee or certificate holder. The division may develop and implement
41 microfilming systems and automated or manual management information systems.

42 5. The director of the division shall maintain a system of accounting and budgeting, in
43 cooperation with the director of the department, the office of administration, and the state
44 auditor's office, to ensure proper charges are made to the various boards for services rendered
45 to them. The general assembly shall appropriate to the division and other state agencies from
46 each board's funds moneys sufficient to reimburse the division and other state agencies for all
47 services rendered and all facilities and supplies furnished to that board.

48 6. For accounting purposes, the appropriation to the division and to the office of
49 administration for the payment of rent for quarters provided for the division shall be made from
50 the "Professional Registration Fees Fund", which is hereby created, and is to be used solely for
51 the purpose defined in subsection 5 of this section. The fund shall consist of moneys deposited
52 into it from each board's fund. Each board shall contribute a prorated amount necessary to fund
53 the division for services rendered and rent based upon the system of accounting and budgeting

54 established by the director of the division as provided in subsection 5 of this section. Transfers
55 of funds to the professional registration fees fund shall be made by each board on July first of
56 each year; provided, however, that the director of the division may establish an alternative date
57 or dates of transfers at the request of any board. Such transfers shall be made until they equal
58 the prorated amount for services rendered and rent by the division. The provisions of section
59 33.080 to the contrary notwithstanding, money in this fund shall not be transferred and placed
60 to the credit of general revenue.

61 7. The director of the division shall be responsible for collecting and accounting for all
62 moneys received by the division or its component agencies. Any money received by a board or
63 commission shall be promptly given, identified by type and source, to the director. The director
64 shall keep a record by board and state accounting system classification of the amount of revenue
65 the director receives. The director shall promptly transmit all receipts to the department of
66 revenue for deposit in the state treasury to the credit of the appropriate fund. The director shall
67 provide each board with all relevant financial information in a timely fashion. Each board shall
68 cooperate with the director by providing necessary information.

69 8. All educational transcripts, test scores, complaints, investigatory reports, and
70 information pertaining to any person who is an applicant or licensee of any agency assigned to
71 the division of professional registration by statute or by the department are confidential and may
72 not be disclosed to the public or any member of the public, except with the written consent of
73 the person whose records are involved. The agency which possesses the records or information
74 shall disclose the records or information if the person whose records or information is involved
75 has consented to the disclosure. Each agency is entitled to the attorney-client privilege and
76 work-product privilege to the same extent as any other person. Provided, however, that any
77 board may disclose confidential information without the consent of the person involved in the
78 course of voluntary interstate exchange of information, or in the course of any litigation
79 concerning that person, or pursuant to a lawful request, or to other administrative or law
80 enforcement agencies acting within the scope of their statutory authority. Information regarding
81 identity, including names and addresses, registration, and currency of the license of the persons
82 possessing licenses to engage in a professional occupation and the names and addresses of
83 applicants for such licenses is not confidential information.

84 9. Any deliberations conducted and votes taken in rendering a final decision after a
85 hearing before an agency assigned to the division shall be closed to the parties and the public.
86 Once a final decision is rendered, that decision shall be made available to the parties and the
87 public.

88 10. A compelling governmental interest shall be deemed to exist for the purposes of
89 section 536.025 for licensure fees to be reduced by emergency rule, if the projected fund balance

90 of any agency assigned to the division of professional registration is reasonably expected to
91 exceed an amount that would require transfer from that fund to general revenue.

92 11. (1) The following boards and commissions are assigned by specific type transfers
93 to the division of professional registration: Missouri state board of accountancy, chapter 326;
94 board of cosmetology and barber examiners, chapters 328 and 329; Missouri board for architects,
95 professional engineers, professional land surveyors and landscape architects, chapter 327;
96 Missouri state board of chiropractic examiners, chapter 331; state board of registration for the
97 healing arts, chapter 334; Missouri dental board, chapter 332; state board of embalmers and
98 funeral directors, chapter 333; state board of optometry, chapter 336; Missouri state board of
99 nursing, chapter 335; board of pharmacy, chapter 338; state board of podiatric medicine, chapter
100 330; Missouri real estate appraisers commission, chapter 339; and Missouri veterinary medical
101 board, chapter 340. The governor shall appoint members of these boards by and with the advice
102 and consent of the senate.

103 (2) The boards and commissions assigned to the division shall exercise all their
104 respective statutory duties and powers, except those clerical and other staff services involving
105 collecting and accounting for moneys and financial management relating to the issuance and
106 renewal of licenses, which services shall be provided by the division, within the appropriation
107 therefor. Nothing herein shall prohibit employment of professional examining or testing services
108 from professional associations or others as required by the boards or commissions on contract.
109 Nothing herein shall be construed to affect the power of a board or commission to expend its
110 funds as appropriated. However, the division shall review the expense vouchers of each board.
111 The results of such review shall be submitted to the board reviewed and to the house and senate
112 appropriations committees annually.

113 (3) Notwithstanding any other provisions of law, the director of the division shall
114 exercise only those management functions of the boards and commissions specifically provided
115 in the Reorganization Act of 1974, and those relating to the allocation and assignment of space,
116 personnel other than board personnel, and equipment.

117 (4) "Board personnel", as used in this section or chapters 317, 326, 327, 328, 329, 330,
118 331, 332, 333, 334, 335, 336, 337, 338, 339, 340, and 345, shall mean personnel whose functions
119 and responsibilities are in areas not related to the clerical duties involving the issuance and
120 renewal of licenses, to the collecting and accounting for moneys, or to financial management
121 relating to issuance and renewal of licenses; specifically included are executive secretaries (or
122 comparable positions), consultants, inspectors, investigators, counsel, and secretarial support
123 staff for these positions; and such other positions as are established and authorized by statute for
124 a particular board or commission. Boards and commissions may employ legal counsel, if
125 authorized by law, and temporary personnel if the board is unable to meet its responsibilities with

126 the employees authorized above. Any board or commission which hires temporary employees
127 shall annually provide the division director and the appropriation committees of the general
128 assembly with a complete list of all persons employed in the previous year, the length of their
129 employment, the amount of their remuneration, and a description of their responsibilities.

130 (5) Board personnel for each board or commission shall be employed by and serve at the
131 pleasure of the board or commission, shall be supervised as the board or commission designates,
132 and shall have their duties and compensation prescribed by the board or commission, within
133 appropriations for that purpose, except that compensation for board personnel shall not exceed
134 that established for comparable positions as determined by the board or commission pursuant
135 to the job and pay plan of the department of insurance, financial institutions and professional
136 registration. Nothing herein shall be construed to permit salaries for any board personnel to be
137 lowered except by board action.

138 12. All the powers, duties, and functions of the division of athletics, chapter 317, and
139 others, are assigned by type I transfer to the division of professional registration.

140 13. Wherever the laws, rules, or regulations of this state make reference to the "division
141 of professional registration of the department of economic development", such references shall
142 be deemed to refer to the division of professional registration.

150 **accessibility and availability of qualified health care services and practitioners in Missouri.**
151 **The boards shall work collaboratively with other state governmental entities to ensure**
152 **coordination and avoid duplication of efforts.**

153 **(2) The boards may expend appropriated funds necessary for operational expenses**
154 **of the program formed under this subsection. Each board is authorized to accept grants**
155 **to fund the collection or analysis authorized in this subsection. Any such funds shall be**
156 **deposited in the respective board's fund.**

157 **(3) Data collection shall be controlled and approved by the applicable state board**
158 **conducting or requesting the collection. Notwithstanding the provisions of sections 324.010**
159 **and 334.001, the boards may release identifying data to the contractor to facilitate data**
160 **analysis of the health care workforce including, but not limited to, geographic,**

161 demographic, and practice or professional characteristics of licensees. The state board
162 shall not request or be authorized to collect income or other financial earnings data.

163 (4) Data collected under this subsection shall be deemed the property of the state
164 board requesting the data. Data shall be maintained by the state board in accordance with
165 chapter 610, provided that any information deemed closed or confidential under subsection
166 8 of this section or any other provision of state law shall not be disclosed without consent
167 of the applicable licensee or entity or as otherwise authorized by law. Data shall only be
168 released in an aggregate form by geography, profession or professional specialization, or
169 population characteristic in a manner that cannot be used to identify a specific individual
170 or entity. Data suppression standards shall be addressed and established in the contractual
171 agreement.

172 (5) Contractors shall maintain the security and confidentiality of data received or
173 collected under this subsection and shall not use, disclose, or release any data without
174 approval of the applicable state board. The contractual agreement between the applicable
175 state board and contractor shall establish a data release and research review policy to
176 include legal and institutional review board, or agency equivalent, approval.

177 (6) Each board may promulgate rules subject to the provisions of this subsection
178 and chapter 536 to effectuate and implement the workforce data collection and analysis
179 authorized by this subsection. Any rule or portion of a rule, as that term is defined in
180 section 536.010, that is created under the authority delegated in this section shall become
181 effective only if it complies with and is subject to all of the provisions of chapter 536 and,
182 if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any
183 of the powers vested with the general assembly under chapter 536 to review, to delay the
184 effective date, or to disapprove and annul a rule are subsequently held unconstitutional,
185 then the grant of rulemaking authority and any rule proposed or adopted after August 28,
186 2016, shall be invalid and void.
