---

*Be it enacted by the General Assembly of the state of Missouri, as follows:*

Section A. Section 143.121, RSMo, is repealed and ten new sections enacted in lieu thereof, to be known as sections 143.121, 285.400, 285.405, 285.410, 285.415, 285.420, 285.425, 285.430, 285.435, and 285.440, to read as follows:

143.121. 1. The Missouri adjusted gross income of a resident individual shall be the taxpayer's federal adjusted gross income subject to the modifications in this section.

2. There shall be added to the taxpayer's federal adjusted gross income:

(1) The amount of any federal income tax refund received for a prior year which resulted in a Missouri income tax benefit. The amount added pursuant to this subdivision shall not include any amount of a federal income tax refund attributable to a tax credit reducing a taxpayer's federal tax liability pursuant to Public Law 116-136 or 116-260, enacted by the 116th United States Congress, for the tax year beginning on or after January 1, 2020, and ending on or before December 31, 2020, and deducted from Missouri adjusted gross income pursuant to section 143.171. The amount added under this subdivision shall also not include any amount of a federal income tax refund attributable to a tax credit reducing a taxpayer's federal tax liability under any other federal law that provides direct economic impact payments to taxpayers to mitigate financial challenges related to the COVID-19 pandemic, and deducted from Missouri adjusted gross income under section 143.171;

(2) Interest on certain governmental obligations excluded from federal gross income by 26 U.S.C. Section 103 of the Internal Revenue Code, as amended. The previous sentence

EXPLANATION — Matter enclosed in bold-faced brackets ~~thus~~ in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

17 shall not apply to interest on obligations of the state of Missouri or any of its political  
18 subdivisions or authorities and shall not apply to the interest described in subdivision (1) of  
19 subsection 3 of this section. The amount added pursuant to this subdivision shall be reduced  
20 by the amounts applicable to such interest that would have been deductible in computing the  
21 taxable income of the taxpayer except only for the application of 26 U.S.C. Section 265 of the  
22 Internal Revenue Code, as amended. The reduction shall only be made if it is at least five  
23 hundred dollars;

24 (3) The amount of any deduction that is included in the computation of federal  
25 taxable income pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as amended  
26 by the Job Creation and Worker Assistance Act of 2002 to the extent the amount deducted  
27 relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the  
28 extent the amount deducted exceeds the amount that would have been deductible pursuant to  
29 26 U.S.C. Section 168 of the Internal Revenue Code of 1986 as in effect on January 1, 2002;

30 (4) The amount of any deduction that is included in the computation of federal  
31 taxable income for net operating loss allowed by 26 U.S.C. Section 172 of the Internal  
32 Revenue Code of 1986, as amended, other than the deduction allowed by 26 U.S.C. Section  
33 ~~[172(b)(1)(G)]~~ **172(b)(1)(F)** and 26 U.S.C. Section ~~[172(i)]~~ **172(h)** of the Internal Revenue  
34 Code of 1986, as amended, for a net operating loss the taxpayer claims in the tax year in  
35 which the net operating loss occurred or carries forward for a period of more than twenty  
36 years and carries backward for more than two years. Any amount of net operating loss taken  
37 against federal taxable income but disallowed for Missouri income tax purposes pursuant to  
38 this subdivision after June 18, 2002, may be carried forward and taken against any income on  
39 the Missouri income tax return for a period of not more than twenty years from the year of the  
40 initial loss; and

41 (5) For nonresident individuals in all taxable years ending on or after December 31,  
42 2006, the amount of any property taxes paid to another state or a political subdivision of  
43 another state for which a deduction was allowed on such nonresident's federal return in the  
44 taxable year unless such state, political subdivision of a state, or the District of Columbia  
45 allows a subtraction from income for property taxes paid to this state for purposes of  
46 calculating income for the income tax for such state, political subdivision of a state, or the  
47 District of Columbia;

48 (6) For all tax years beginning on or after January 1, 2018, any interest expense paid  
49 or accrued in a previous taxable year, but allowed as a deduction under 26 U.S.C. Section  
50 163, as amended, in the current taxable year by reason of the carryforward of disallowed  
51 business interest provisions of 26 U.S.C. Section 163(j), as amended. For the purposes of this  
52 subdivision, an interest expense is considered paid or accrued only in the first taxable year the

53 deduction would have been allowable under 26 U.S.C. Section 163, as amended, if the  
54 limitation under 26 U.S.C. Section 163(j), as amended, did not exist.

55 3. There shall be subtracted from the taxpayer's federal adjusted gross income the  
56 following amounts to the extent included in federal adjusted gross income:

57 (1) Interest received on deposits held at a federal reserve bank or interest or dividends  
58 on obligations of the United States and its territories and possessions or of any authority,  
59 commission or instrumentality of the United States to the extent exempt from Missouri  
60 income taxes pursuant to the laws of the United States. The amount subtracted pursuant to  
61 this subdivision shall be reduced by any interest on indebtedness incurred to carry the  
62 described obligations or securities and by any expenses incurred in the production of interest  
63 or dividend income described in this subdivision. The reduction in the previous sentence  
64 shall only apply to the extent that such expenses including amortizable bond premiums are  
65 deducted in determining the taxpayer's federal adjusted gross income or included in the  
66 taxpayer's Missouri itemized deduction. The reduction shall only be made if the expenses  
67 total at least five hundred dollars;

68 (2) The portion of any gain, from the sale or other disposition of property having a  
69 higher adjusted basis to the taxpayer for Missouri income tax purposes than for federal  
70 income tax purposes on December 31, 1972, that does not exceed such difference in basis. If  
71 a gain is considered a long-term capital gain for federal income tax purposes, the modification  
72 shall be limited to one-half of such portion of the gain;

73 (3) The amount necessary to prevent the taxation pursuant to this chapter of any  
74 annuity or other amount of income or gain which was properly included in income or gain and  
75 was taxed pursuant to the laws of Missouri for a taxable year prior to January 1, 1973, to the  
76 taxpayer, or to a decedent by reason of whose death the taxpayer acquired the right to receive  
77 the income or gain, or to a trust or estate from which the taxpayer received the income or  
78 gain;

79 (4) Accumulation distributions received by a taxpayer as a beneficiary of a trust to the  
80 extent that the same are included in federal adjusted gross income;

81 (5) The amount of any state income tax refund for a prior year which was included in  
82 the federal adjusted gross income;

83 (6) The portion of capital gain specified in section 135.357 that would otherwise be  
84 included in federal adjusted gross income;

85 (7) The amount that would have been deducted in the computation of federal taxable  
86 income pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as in effect on  
87 January 1, 2002, to the extent that amount relates to property purchased on or after July 1,  
88 2002, but before July 1, 2003, and to the extent that amount exceeds the amount actually

89 deducted pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as amended by the  
90 Job Creation and Worker Assistance Act of 2002;

91 (8) For all tax years beginning on or after January 1, 2005, the amount of any income  
92 received for military service while the taxpayer serves in a combat zone which is included in  
93 federal adjusted gross income and not otherwise excluded therefrom. As used in this section,  
94 "combat zone" means any area which the President of the United States by Executive Order  
95 designates as an area in which Armed Forces of the United States are or have engaged in  
96 combat. Service is performed in a combat zone only if performed on or after the date  
97 designated by the President by Executive Order as the date of the commencing of combat  
98 activities in such zone, and on or before the date designated by the President by Executive  
99 Order as the date of the termination of combatant activities in such zone;

100 (9) For all tax years ending on or after July 1, 2002, with respect to qualified property  
101 that is sold or otherwise disposed of during a taxable year by a taxpayer and for which an  
102 additional modification was made under subdivision (3) of subsection 2 of this section, the  
103 amount by which additional modification made under subdivision (3) of subsection 2 of this  
104 section on qualified property has not been recovered through the additional subtractions  
105 provided in subdivision (7) of this subsection;

106 (10) **The amount contributed to the Missouri earned family and medical leave**  
107 **fund established under section 285.435;**

108 (11) For all tax years beginning on or after January 1, 2014, the amount of any  
109 income received as payment from any program which provides compensation to agricultural  
110 producers who have suffered a loss as the result of a disaster or emergency, including the:

- 111 (a) Livestock Forage Disaster Program;
- 112 (b) Livestock Indemnity Program;
- 113 (c) Emergency Assistance for Livestock, Honeybees, and Farm-Raised Fish;
- 114 (d) Emergency Conservation Program;
- 115 (e) Noninsured Crop Disaster Assistance Program;
- 116 (f) Pasture, Rangeland, Forage Pilot Insurance Program;
- 117 (g) Annual Forage Pilot Program;
- 118 (h) Livestock Risk Protection Insurance Plan;
- 119 (i) Livestock Gross Margin Insurance Plan;

120 [(H)] (12) For all tax years beginning on or after January 1, 2018, any interest  
121 expense paid or accrued in the current taxable year, but not deducted as a result of the  
122 limitation imposed under 26 U.S.C. Section 163(j), as amended. For the purposes of this  
123 subdivision, an interest expense is considered paid or accrued only in the first taxable year the  
124 deduction would have been allowable under 26 U.S.C. Section 163, as amended, if the  
125 limitation under 26 U.S.C. Section 163(j), as amended, did not exist; and

126           ~~[(12)]~~ **(13)** One hundred percent of any retirement benefits received by any taxpayer  
127 as a result of the taxpayer's service in the Armed Forces of the United States, including  
128 reserve components and the National Guard of this state, as defined in 32 U.S.C. Sections 101  
129 (3) and 109, and any other military force organized under the laws of this state.

130           4. There shall be added to or subtracted from the taxpayer's federal adjusted gross  
131 income the taxpayer's share of the Missouri fiduciary adjustment provided in section 143.351.

132           5. There shall be added to or subtracted from the taxpayer's federal adjusted gross  
133 income the modifications provided in section 143.411.

134           6. In addition to the modifications to a taxpayer's federal adjusted gross income in this  
135 section, to calculate Missouri adjusted gross income there shall be subtracted from the  
136 taxpayer's federal adjusted gross income any gain recognized pursuant to 26 U.S.C. Section  
137 1033 of the Internal Revenue Code of 1986, as amended, arising from compulsory or  
138 involuntary conversion of property as a result of condemnation or the imminence thereof.

139           7. (1) As used in this subsection, "qualified health insurance premium" means the  
140 amount paid during the tax year by such taxpayer for any insurance policy primarily  
141 providing health care coverage for the taxpayer, the taxpayer's spouse, or the taxpayer's  
142 dependents.

143           (2) In addition to the subtractions in subsection 3 of this section, one hundred percent  
144 of the amount of qualified health insurance premiums shall be subtracted from the taxpayer's  
145 federal adjusted gross income to the extent the amount paid for such premiums is included in  
146 federal taxable income. The taxpayer shall provide the department of revenue with proof of  
147 the amount of qualified health insurance premiums paid.

150 conducted by an entity certified by the department of natural resources under section 640.153  
151 or the implementation of any energy efficiency recommendations made in such an audit shall  
152 be subtracted from the taxpayer's federal adjusted gross income to the extent the amount paid  
153 for any such activity is included in federal taxable income. The taxpayer shall provide the  
154 department of revenue with a summary of any recommendations made in a qualified home  
155 energy audit, the name and certification number of the qualified home energy auditor who  
156 conducted the audit, and proof of the amount paid for any activities under this subsection for  
157 which a deduction is claimed. The taxpayer shall also provide a copy of the summary of any  
158 recommendations made in a qualified home energy audit to the department of natural  
159 resources.

160           (2) At no time shall a deduction claimed under this subsection by an individual  
161 taxpayer or taxpayers filing combined returns exceed one thousand dollars per year for

162 individual taxpayers or cumulatively exceed two thousand dollars per year for taxpayers  
163 filing combined returns.

164 (3) Any deduction claimed under this subsection shall be claimed for the tax year in  
165 which the qualified home energy audit was conducted or in which the implementation of the  
166 energy efficiency recommendations occurred. If implementation of the energy efficiency  
167 recommendations occurred during more than one year, the deduction may be claimed in more  
168 than one year, subject to the limitations provided under subdivision (2) of this subsection.

169 (4) A deduction shall not be claimed for any otherwise eligible activity under this  
170 subsection if such activity qualified for and received any rebate or other incentive through a  
171 state-sponsored energy program or through an electric corporation, gas corporation, electric  
172 cooperative, or municipally owned utility.

173 9. The provisions of subsection 8 of this section shall expire on December 31, 2020.

40           **3. The department shall develop a certificate form that is separate and distinct**

48           **5. Nothing in this section shall be construed to preclude the department from**  
49 **requesting additional medical evidence to supplement any claim. Any cost incurred for**  
50 **procuring additional medical evidence shall be paid by the employee. The department**  
51 **may require that the additional evidence include any or all of the following:**

23 order to recover any benefits for which recovery is provided under this section.

24           **6. A redetermination of benefits may be made at any time for any of the**  
25 **following reasons:**

26           **(1) To conform to a final court decision applicable to either an initial**

28           **(2) In the event of a back pay award or settlement affecting the allowance of**  
29 **benefits; or**

30           **(3) In the case of misrepresentation or willful failure to report a material fact.**

31

32 **Written notice of any such redetermination shall be promptly given by mail or delivered**  
33 **to such interested parties as were notified of the initial determination of denial or**  
34 **allowance of benefits and any new interested party or parties who, under such rule as**

**285.425. 1. Notwithstanding any provision of law to the contrary, it shall be**

3 **employee because the employee has made a claim for, indicated an intent to make a**  
4 **claim for, or received Missouri earned family and medical leave benefits.**

5           **2. (1) Any person who violates the provisions of subsection 1 of this section shall**  
6 **be liable to any employee of such person who is affected by the violation for such**  
7 **equitable relief as may be appropriate including employment, reinstatement, or**  
8 **promotion and for damages equal to the sum of:**

9           **(a) The amount of:**

10           **a. Any wages, salary, employment benefits, or other compensation denied or lost**  
11 **to such individual by reason of the violation; or**

12           **b. In a case in which wages, salary, employment benefits, or other compensation**  
13 **have not been denied or lost to the individual, any actual monetary losses sustained by**  
14 **the individual as a direct result of the violation, such as the cost of providing care, up to**  
15 **a sum equal to sixty calendar days of wages or salary for the individual;**

16           **(b) The interest on the amount described in paragraph (a) of this subdivision,**  
17 **such interest rate being equal to the market rate as determined by the director of the**  
18 **division of finance under section 408.030; and**

19           **(c) An additional amount as liquidated damages equal to the sum of the amount**  
20 **described in paragraph (a) of this subdivision and the interest described in paragraph**  
21 **(b) of this subdivision, except that if a person who has violated subsection 1 of this**  
22 **section proves to the satisfaction of the court that the act or omission was in good faith**  
23 **and that the person had reasonable grounds for believing that the act or omission was**  
24 **not a violation, such court may reduce the amount of such liquidated damages.**

25           **(2) The court may additionally require reasonable attorney's fees, expert witness**  
26 **fees, and other court costs to be paid by a defendant.**

27           **3. An action to recover the relief prescribed in subsection 2 of this section may be**  
28 **maintained against any person in any court of competent jurisdiction by the employee**  
29 **affected.**

30           **4. The department may bring an action seeking relief on behalf of an employee**  
31 **under this section. The right to bring an action provided under subsection 3 of this**  
32 **section shall terminate upon the filing of a complaint by the department. If any**  
33 **damages are recovered in such action, such damages shall be held in a special deposit**  
34 **account and paid directly to each employee affected.**

35           **5. An action may be brought under this section not later than three years after**  
36 **the date of the alleged violation for which the action is brought. An action brought**  
37 **under this section shall be considered to be commenced on the date when the complaint**  
38 **is filed.**

**285.430. 1. The department shall develop and implement an outreach program**  
2 **to ensure that employees who may be eligible to receive Missouri earned family and**  
3 **medical leave benefits under sections 285.400 to 285.440 are made aware of such**  
4 **benefits. Outreach information shall easily explain eligibility requirements, the claims**  
5 **process, weekly benefit amounts, maximum benefits payable, notice and medical**  
6 **certification requirements, reinstatement and nondiscrimination rights, confidentiality,**

20 **eligibility is made; and**

21           **(3) An identification of the total number of monthly benefit claim reports for**  
22 **such benefits filed, and the average number of days between the date such report is**

23 received and the date on which the initial determination of eligibility with respect to the  
24 claim report is made.

285.435. 1. (1) There is hereby created in the state treasury the "Missouri  
2 Earned Family and Medical Leave Fund", which shall consist of moneys collected under  
3 this section. The state treasurer shall be custodian of the fund. In accordance with  
4 sections 30.170 and 30.180, the state treasurer may approve disbursements. The fund  
5 shall be a dedicated fund and moneys in the fund shall be used solely by the department  
6 of labor and industrial relations for the purpose of distributing Missouri earned family  
7 and medical leave program benefits.

8 (2) The state treasurer shall invest moneys in the fund in the same manner as

11 2. (1) In order to provide funding to implement the provisions of sections  
12 285.400 to 285.440, employees shall contribute one quarter of one percent of their  
13 average weekly pay to the Missouri earned family and medical leave fund beginning

22 each employee shall receive the same percent of his or her average weekly wage.

23 (4) No employee shall receive benefits from the fund until January 1, 2025.
