To repeal section 536.031, RSMo, and to enact in lieu thereof two new sections relating to administrative rules for the regulation of hospitals.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 536.031, RSMo, is repealed and two new sections enacted in lieu thereof, to be known as sections 197.065 and 536.031, to read as follows:

197.065. 1. The department of health and senior services shall promulgate regulations for the construction and renovation of hospitals that include standards for hospitals that exclusively reflect:

2. The department may waive enforcement of the standards for licensed hospitals imposed by subsection 1 of this section if the department determines that compliance with those specific standards would result in unreasonable hardship for the facility and if the health and safety of hospital patients would not be compromised by such waiver or waivers.

3. Regulations promulgated by the department to establish and enforce hospital licensure regulations under this chapter that conflict with the standards established under subsections 1 of this section shall lapse on and after January 1, 2018.
