---

*Be it enacted by the General Assembly of the state of Missouri, as follows:*

Section A. Section 304.351, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 304.351, to read as follows:

304.351. 1. The driver of a vehicle approaching an intersection shall yield the right-of-way to a vehicle which has entered the intersection from a different highway, provided, however, there is no form of traffic control at such intersection.

2. When two vehicles enter an intersection from different highways at approximately the same time, the driver of the vehicle on the left shall yield the right-of-way to the driver of the vehicle on the right. This subsection shall not apply to vehicles approaching each other from opposite directions when the driver of one of such vehicles is attempting to or is making a left turn.

3. The driver of a vehicle within an intersection intending to turn to the left shall yield the right-of-way to any vehicle approaching from the opposite direction which is within the intersection or so close thereto as to constitute an immediate hazard.

4. (1) The state highways and transportation commission with reference to state highways and local authorities with reference to other highways under their jurisdiction may designate through highways and erect stop signs or yield signs at specified entrances thereto, or may designate any intersection as a stop intersection or as a yield intersection and erect stop signs or yield signs at one or more entrances to such intersection.

22 or if none, then at the point nearest the intersecting roadway where the driver has a view of  
23 approaching traffic in the intersecting roadway before entering the intersection. After having  
24 stopped, the driver shall yield the right-of-way to any vehicle which has entered the intersection  
25 from another highway or which is approaching so closely on the highway as to constitute an  
26 immediate hazard during the time when such driver is moving across or within the intersection.

27 (b) The driver of a vehicle approaching a yield sign shall in obedience to the sign slow
