

SECOND REGULAR SESSION

HOUSE BILL NO. 2759

102ND GENERAL ASSEMBLY

INTRODUCED BY REPRESENTATIVE JONES.

5054H.011

DANA RADEMAN MILLER, Chief Clerk

AN ACT

To amend chapter 191, RSMo, by adding thereto one new section relating to blood donations.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Chapter 191, RSMo, is amended by adding thereto one new section, to be
2 known as section 191.763, to read as follows:

191.763. 1. As used in this section, the following terms mean:

2 **(1) "Blood bank", any institution, building, or place that provides, through its**
3 **ownership or operation, a system for the collection, processing, storage, distribution, or**
4 **administration of whole human blood or its component parts;**

5 **(2) "Person", any individual; firm; partnership; association; corporation,**
6 **whether organized for profit or otherwise; or other form of business enterprise.**

7 **2. A blood bank shall test or have tested donated blood for evidence of any**
8 **COVID-19 vaccine or any other messenger ribonucleic acid (mRNA) vaccine**
9 **components, including evidence of lipid nanoparticles and spike protein from a vaccine.**

10 **3. If blood tests positive for evidence of a COVID-19 vaccine or any other mRNA**
11 **vaccine components, the following procedures shall be required for such blood:**

12 **(1) The person who withdrew the blood or separated the blood into components**
13 **by physical processes shall affix to each container of such blood or blood components a**
14 **label that includes a designation of such positive status; and**

15 **(2) No person shall administer such blood by transfusion in this state or transfer**
16 **or offer to transfer such blood for transfusion purposes by any type of transaction**
17 **unless the following requirements have been satisfied:**

EXPLANATION — Matter enclosed in bold-faced brackets ~~thus~~ in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

18 **(a) The container of the blood is affixed with the label required under**
19 **subdivision (1) of this subsection; and**

20 **(b) The person receiving the transfusion, or the authorized representative of the**
21 **person, has acknowledged that the person or representative was given the opportunity**
22 **to refuse blood labeled with the designation described in subdivision (1) of this**
23 **subsection.**
