31 persons standing in loco parentis to be physically present with a minor child while the child
32 receives care in the facility.

33 5. This section shall not affect any obligation of a health care facility to:

34 (1) Provide patients or residents with effective communication supports or other
35 reasonable accommodations in accordance with federal and state laws to assist in remote
36 personal contact; and

37 (2) Comply with the provisions of the Americans with Disabilities Act of 1990, 42
38 U.S.C. Section 12101 et seq.

39 6. A health care facility may limit:

55 (g) If the health care facility has reasonable cause to suspect the person of being a
56 danger or otherwise contrary to the health or welfare of the patient or resident, other patients
57 or residents, or facility staff; or

58 (h) If, in the clinical judgment of the patient's or resident's attending physician, the
59 presence of visitors would be medically or therapeutically contraindicated to the health or life
60 of the patient or resident, and the attending physician attests to such in the patient's or
61 resident's chart.

62 7. Nothing in this section shall limit a health care facility from limiting or redirecting
63 visitors of a patient or resident in a shared room to ensure the health and safety of the patients
64 or residents in the shared room. Nothing in this section shall be construed to prohibit health
65 care facilities from adopting reasonable safety or security restrictions or other requirements
66 for visitors.

67 8. Nothing in this section shall be construed to waive or change long-term care
68 facility residents' rights under sections 198.088 and 198.090.

69 9. No later than January 1, 2023, the department of health and senior services shall
70 develop informational materials for patients, residents, and their legal guardians regarding the
71 provisions of this section. A health care facility shall make these informational materials
72 accessible upon admission or registration and on the primary website of the health care
73 facility.

74 10. **(1)** A compassionate care visitor of a patient or resident of a health care facility
75 may report any violation of the provisions of this section by a health care facility to the
76 department of health and senior services. The department shall begin investigating any such
77 complaint filed under this subsection within thirty-six hours of receipt of the complaint. The
78 purpose of such investigation shall be to ensure compliance with the provisions of this section
79 and any such investigation shall otherwise comply with the complaint processes established

86 **such violation. The attorney general shall, upon the request of the department of health**
87 **and senior services, bring an action in a circuit court of competent jurisdiction to**
88 **recover the civil penalty. The department of health and senior services may also bring**
89 **such an action itself. The civil action may be brought in the circuit court of Cole County**
90 **or, at the option of the department of health and senior services, in another county that**
91 **has venue of an action against the health care facility under other provisions of law.**

92 **Any order by a circuit court in such an action assessing civil penalties against a health**
93 **care facility shall include an award of attorney's fees to the state.**

94 11. No health care facility shall be held liable for damages in an action involving a
95 liability claim against the facility arising from the compliance with the provisions of this
96 section. The immunity described in this subsection shall not apply to any act or omission by a
97 facility, its employees, or its contractors that constitutes recklessness or willful misconduct
98 and shall be provided in addition to, and shall in no way limit, any other immunity protections
99 that may apply in state or federal law.

100 12. The provisions of this section shall not be terminated, suspended, or waived
101 except by a declaration of emergency under chapter 44, during which time the provisions of
102 sections 191.2290 and 630.202 shall apply.
