

SECOND REGULAR SESSION

HOUSE BILL NO. 2904

101ST GENERAL ASSEMBLY

INTRODUCED BY REPRESENTATIVE PORTER.

5867H.011

DANA RADEMAN MILLER, Chief Clerk

AN ACT

To repeal section 226.132, RSMo, and to enact in lieu thereof one new section relating to the transportation plan for the state.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 226.132, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 226.132, to read as follows:

226.132. The general assembly recognizes that nothing in section 142.345 and sections 226.133, 226.134 and 226.200 fully addresses the total transportation infrastructure needs of the state. In order for the state to exploit all of its transportation assets, the department of transportation shall create a multimodal, total transportation plan based solely upon the real needs of the state. The department of transportation shall objectively evaluate the actual multimodal needs, including aviation, highways, bridges, rail, transit and water ports, of the state based upon criteria that will enhance the state's transportation infrastructure and economic development well-being and shall ~~[submit]~~ **annually present** its total transportation plan to ~~[the joint committee on transportation oversight, the president pro tem of the senate and the speaker of the house of representatives by January 2, 2001]~~ **a joint session of the general assembly before February fifteenth of each year. The members of the highways and transportation commission shall be present for the joint session.**
