12 by two and one-half percent or less from the calendar year immediately preceding such
13 calendar year, the general assembly shall have a spending limit equal to two and one-

Section 27(c). 1. (1) There is hereby established within the state treasury a fund
2 to be known as the "Tax Reform Fund", which shall consist of moneys collected under
3 subsection 2 of this section and which may be appropriated by the general assembly if
4 the conditions under subsection 3 of this section are met and to be used and expended to
5 supplement a budgetary shortfall as described under subsection 3 of this section.

6 (2) The state treasurer shall invest moneys in the fund in the same manner as
7 other funds are invested. Any interest and moneys earned on such investments shall be
8 credited to the fund.

9 (3) Subject to the provisions of subsection 3 of this section, the unexpended

11 2. (1) For all fiscal years beginning on or after July 1, 2025, if the amount of net

25 (3) Upon the reduction and elimination of the personal income tax, the general
26 assembly shall utilize the tax reform fund to gradually reduce and eliminate personal
27 property taxes.

28 (4) After both personal income taxes and personal property taxes have been
29 reduced to zero, the tax reform fund shall continue to collect revenue and shall only be
30 used to supplement budget shortfalls following fiscal years where the general assembly
31 enacted a tax reduction.

32 **(5) After personal income tax is reduced to zero, it shall remain at zero.**

33 **(6) After personal property tax is reduced to zero, it shall remain at zero.**

34 **(7) The general assembly may appropriate funds to the credit of the tax reform**
35 **fund to reach the balance described under this section in order to trigger the tax**

37 **3. In any fiscal year that the state experiences a budgetary shortfall following an**
38 **implementation of the personal income tax decrease trigger under subdivision (2) of**

40 **necessary funding in the order of the general assembly's authorized appropriations**
41 **priority.**

42 **4. (1) Subject to the general assembly enacting a personal income tax decrease**
43 **trigger by general law as provided under subdivision (2) of subsection 2 of this section, if**
44 **the twenty-million-dollar surplus trigger under subdivision (2) of subsection 2 of this**
45 **section was realized in the previous fiscal year, the personal income tax decrease shall be**
46 **implemented by the department of revenue to take effect on January first of the**
47 **calendar year immediately following the close of the fiscal year in which the twenty-**
48 **million-dollar surplus amount was realized.**

49 **(2) The department of revenue shall implement an annual process to review and**
50 **report future reduction conditions at the same time and in the same manner as under**
51 **chapter 143.**

52 **5. The general assembly shall enact such laws as may be necessary to carry out**
53 **the provisions of this section.**
