INTRODUCED BY SENATOR WASHINGTON.

3054S.02I

ADRIANE D. CROUSE, Secretary

AN ACT

To amend chapter 192, RSMo, by adding thereto one new section relating to the collection of demographic data by certain entities.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Chapter 192, RSMo, is amended by adding thereto one new section, to be known as section 192.2530, to read as follows:

192.2530. 1. The provisions of this section shall only apply to the following agencies and entities whenever collecting demographic data:

- (5) Public laboratories; and
- (6) Private laboratories.

2. The agencies and entities described in subsection 1 of this section, in the course of collecting demographic data directly or by contract, shall collect, tabulate, maintain, and make publicly available data for the following, pursuant to the standards under Section 4302 of the Patient Protection and Affordable Care Act, P.L. 111-148:

36 subdivision (2) of this subsection and except for personal
37 identifying information, which shall be deemed confidential,
38 by posting the data on the department's website. This
