21 manufacturer's license and a video lottery game
22 distributor's license and providing and operating the
23 centralized computer system for monitoring video lottery
24 game terminals, and nothing in this subsection shall prevent

25 a video lottery game operator from obtaining a video lottery

48 terminal or terminals have been approved by the commission.
49 No video lottery game terminal shall be placed in operation
50 without first connecting to the centralized computer system
51 after such terminal or terminals have been approved by the
52 commission. A vendor that provides the centralized computer

82 terminal license shall be renewed each year and cost two

84 nontransferable.

85 (4) Nothing in this subsection shall be construed to
86 relieve the licensee of the affirmative duty to notify the
87 commission of any change relating to the status of the

88 license or to any other information contained in the
89 application materials on file with the commission.

90 4. No license shall be issued to any person, and no
91 person shall be allowed to serve as a sales agent, who has
92 been convicted of a felony or a crime involving illegal
93 gambling.

94 5. No license requirement, sticker fee, or tax shall

100 games, video lottery game terminals, or associated equipment.

101 6. (1) Video lottery game terminals shall meet
102 independent testing standards approved by the commission, as
103 tested by one or more approved independent test labs, and be
104 capable of randomly generating the outcome of video lottery
105 games approved by the commission. Video lottery game
106 terminals shall be capable of printing a ticket redeemable
107 for winning video lottery game plays. Such video lottery
108 game terminals shall be inspected and approved by the
109 commission prior to being sold, leased, or transferred.

110 (2) Licensed video lottery game manufacturers may buy,
111 sell, or lease new or refurbished video lottery game
112 terminals to and from licensed video lottery game
113 distributors.

114 (3) Licensed video lottery game distributors may buy,
115 sell, or lease new or refurbished video lottery game
116 terminals to or from licensed video lottery game
117 manufacturers or licensed video lottery game operators.

118 7. (1) Licensed video lottery game operators:

119 (a) May buy, lease, or rent video lottery game
120 terminals from licensed video lottery game manufacturers,
121 operators, or distributors;

122 (b) May handle, place, and service video lottery game
123 terminals;

124 (c) Shall connect such video lottery game terminals to
125 the centralized computer system approved by the commission;
126 and

127 (d) Shall pay winning tickets using a video lottery
128 game ticket redemption terminal. Such video lottery ticket

131 where such video lottery games are offered. Video lottery
132 game operators shall pay the commission thirty-two percent
133 of any unclaimed cash prize associated with a winning ticket
134 that has not been redeemed within one year of issue.

135 Rents or leases for video lottery game terminals shall be
136 written at a flat rate and shall not include revenue
137 splitting as a method used in the calculation of the lease
138 or rent.

139 (2) Licensed video lottery game operators and licensed
140 video lottery game retailers shall enter into a written
141 agreement for the placement of video lottery game
142 terminals. The agreement shall be on a form approved by the
143 commission and shall specify a freely negotiated and agreed
144 upon division of adjusted gross receipts between the video
145 lottery game operator and the video lottery game retailer
146 after adjustments for taxes and administrative fees are
147 made. A video lottery game operator shall be responsible
148 for remitting to the commission and the video lottery game
149 retailer its share of adjusted gross receipts. Video

150 lottery game retailers that are also video lottery game
151 operators and licensed video lottery game operators that are
152 also video lottery game retailers shall only be required to
153 submit an agreement pursuant to this subdivision if the
154 ownership is not identical in both entities. Nothing in
155 this subdivision shall prohibit a licensed video lottery
156 game operator from entering into an agreement with a sales
157 agent for retailer agreements, provided such agreement is in
158 writing and approved by the commission. No video lottery
159 game operator or its sales agents, employees, or affiliates
160 may offer, promise, or tender any property or personal
161 advantage to any employee or agent of any video lottery game
162 retailer with the intent to influence such video lottery
163 game retailer with respect to locating any video gaming
164 terminal in the video lottery game retailer's
165 establishment. Video lottery game operators and video
166 lottery game retailers may allocate costs related to the
167 operation, promotion, and maintenance of video lottery game
168 terminals in any manner that has been mutually agreed to.
169 An agreement for the placement of video lottery game
170 terminals, or any similar agreement, entered into prior to
171 the enactment of sections 313.425 to 313.435 shall be
172 invalid and unenforceable. Persons violating this
173 subdivision are subject to the loss or prohibition of their
174 video lottery game operator's license.

175 (3) Nothing in this section shall be construed to
176 prevent a video lottery game operator or a video lottery
177 retailer from using a player rewards system as approved by
178 the commission. No player shall be required to enroll in a
179 rewards program offered by a video lottery game operator or
180 video lottery game retailer as a condition to play video
181 lottery games.

182 8. No licensed video lottery game operator shall:
183 (1) Offer video lottery gaming terminals that directly
184 dispense anything of value except for tickets for winning
185 plays. Tickets shall be dispensed by pressing the ticket
186 dispensing button on the video lottery gaming terminal at
187 the end of any video lottery game play. The ticket shall
188 indicate the total amount of video lottery game terminal
189 credits and the cash award, the time of day in a twenty-four-
190 hour format showing hours and minutes, the date, the
191 terminal serial number, the sequential number of the ticket,
192 and an encrypted validation number from which the validity
193 of the prize may be determined. The cost of the video
194 lottery game terminal credits shall be one cent, five cents,
195 ten cents, or twenty-five cents, and the maximum wager
196 played per video lottery game shall not exceed five
197 dollars. No cash award for the maximum wager played on any
198 individual video lottery game shall exceed one thousand
199 dollars;

200 (2) Operate in a retail establishment that is not also
201 licensed to sell liquor, except if the business of the
202 establishment is a truck stop where any state or local
203 ordinance prohibits the sale of intoxicating liquor;

204 (3) Operate more than five video lottery game
205 terminals at one video lottery game retailer establishment;
206 except if the establishment is a veterans' organization,
207 fraternal organization, or truck stop, such establishment
208 may operate up to ten video lottery game terminals as
209 approved by the commission;

210 (4) Allow video lottery games to be played at any time
211 when the video lottery game retailer's establishment is
212 closed for business.

244 exceed five thousand dollars. Any video lottery game
245 retailer that fails to report any known violation of law,
246 rules, or regulations governing the conduct of video lottery
247 games in conformance with established commission procedures
248 may be subject to an administrative fine not to exceed five
249 thousand dollars. In the event a video lottery game
250 operator or retailer is found to have knowingly committed a
251 violation governing the conduct of video lottery games, the
252 commission may impose an administrative fine not to exceed
253 five thousand dollars, suspend such operator's or retailer's
254 license for up to thirty days, or in the case of repeated
255 violations revoke such operator's or retailer's license for
256 a period of one year. Any video lottery game operator or
257 retailer aggrieved by the commission's decision in any
258 disciplinary action that results in the suspension or
259 revocation of such operator's or retailer's video lottery
260 game license may appeal such decision by filing an action in
261 circuit court. The commission shall refer a violation of
262 the criminal code, with any evidence thereof, to the
263 appropriate law enforcement officials. Video lottery game
264 retailers shall provide an intrusion detection system
265 capable of detecting unauthorized entrance of the video
266 lottery game retailer's establishment during nonbusiness
267 hours and shall report to the commission any unauthorized
268 entrance of the video lottery game retailer's
269 establishment. Such surveillance and intrusion detection
270 system shall meet specifications as defined by the
271 commission.

272 (2) A video lottery game operator shall post a sign in
273 a conspicuous location where such video lottery game
274 terminals are located, containing in red lettering at least

275 one-half inch high on a white background a telephone contact
276 number (1-888-BETSOFF) for the problem gambling helpline.

277 10. (1) Video lottery game operators shall pay the
278 commission thirty-six percent of the video lottery game
279 adjusted gross receipts, which shall be deposited in the
280 state lottery fund. The commission shall transfer the
281 amount received from the operator from the lottery fund to
282 the lottery proceeds fund after administrative expenses
283 equal to four percent of the video lottery game adjusted
284 gross receipts are paid to the municipality where a licensed
285 video lottery game retailer maintains an establishment
286 licensed for the operation of video lottery game terminals,
287 or if such licensed establishment is not located within the
288 corporate boundaries of a municipality, then the county
289 where such licensed establishment is located to reimburse
290 such municipality or county for administrative expenses, and
291 any administrative expenses for the commission that are not
292 covered by reimbursements from operators are deducted. Net
293 proceeds transferred to the lottery proceeds fund shall be
294 appropriated to public elementary and secondary education
295 and public institutions of higher education with an emphasis
296 on programs to promote science, technology, engineering, and
297 mathematics (STEM) and programs to promote workforce
298 development.

299 (2) Video lottery game operators shall retain sixty-
300 four percent of the video lottery game adjusted gross
301 receipts, a portion of which shall be utilized to pay for
302 administrative expenses which shall include the cost of the
303 centralized computer system, which cost shall be paid by
304 video lottery game operators in proportion to the number of
305 video lottery game terminals operated and shall not be
306 apportioned by the video lottery game operator among video

307 lottery game retailers to which it provides operations. The
308 remainder, after the costs of the centralized computer
309 system are paid, shall be divided between the video lottery
310 game operator and video lottery game retailer as agreed to
311 by the video lottery game operator and video lottery game
312 retailer under the freely negotiated agreement made under
313 subdivision (2) of subsection 7 of this section, unless the
314 video lottery game operator and video lottery game retailer
315 share the same ownership.

316 11. All revenues received by the commission from
317 license fees and any reimbursements associated with the
318 administration of the provisions of sections 313.425 to
319 313.435, and all interest earned thereon, shall be
320 considered administrative expenses and shall be deposited in
321 the state lottery fund. Moneys deposited into the state
322 lottery fund from license fees and any reimbursements of
323 commission administrative expenses to administer sections
324 313.425 to 313.435 shall be considered administrative
325 expenses and shall not be considered net proceeds pursuant
326 to article III, section 39(b) of the Missouri Constitution.
327 Subject to appropriation, up to one percent of such license
328 fees and reimbursements deposited to the credit of the state
329 lottery fund may be deposited to the credit of the
330 compulsive gamblers fund created under section 313.842. The
331 remainder of the money deposited in the state lottery fund
332 from video lottery game license fees and any reimbursements
333 of commission administrative expenses to enforce sections
334 313.425 to 313.435 shall, subject to appropriation, be used
335 for administrative expenses associated with supervising and
336 enforcing the provisions of sections 313.425 to 313.435.

337 12. The commission may contract with a state law
338 enforcement entity to assist in conducting investigations

339 into applicants for any video lottery game license and to
340 investigate violations by any video lottery game licensee of
341 any of the provisions of sections 313.425 to 313.435 or
342 state law regulating illegal gambling activities. A video
343 lottery game licensee suspected of a violation shall be
344 afforded an administrative hearing on the record, and any
345 action taken to impose a fine on such licensee, or to
346 suspend or revoke the ability of a licensee to offer lottery
347 game products for sale, shall be appealed to the
348 commission. Any such administrative suspension or
349 revocation upheld by the commission may be appealed by the
350 video lottery game licensee in a state court of competent
351 jurisdiction.

352 13. The possession or use of any video lottery game
353 terminal not authorized by the commission under the
354 provisions of sections 313.425 to 313.435 may be prosecuted
355 under the provisions of chapter 572. The commission shall
356 have the power to investigate suspected violations by any
357 video lottery license holder and to refer any violations or
358 suspected violations to the appropriate law enforcement
359 authority.

360 14. The commission shall adopt rules for the
361 implementation of the video lottery game system authorized
362 under sections 313.425 to 313.435, including, but not
363 limited to, the placement of video lottery terminals within
364 a retail establishment and for the active oversight of the
365 conduct of video lottery games. Any rule or portion of a
366 rule, as that term is defined in section 536.010 that is
367 created under the authority delegated in this section shall
368 become effective only if it complies with and is subject to
369 all of the provisions of chapter 536 and, if applicable,
370 section 536.028. This section and chapter 536 are

371 nonseverable and if any of the powers vested with the
372 general assembly pursuant to chapter 536 to review, to delay
373 the effective date, or to disapprove and annul a rule are
374 subsequently held unconstitutional, then the grant of
375 rulemaking authority and any rule proposed or adopted after
376 August 28, 2025, shall be invalid and void.

313.431. 1. In order to expedite the orderly
2 implementation of the video lottery game system authorized
3 under sections 313.425 to 313.435, the commission shall:

4 (1) Issue a request for proposal for the supply and
5 operation of a centralized computer system for video lottery
6 games within one hundred twenty days of the effective date
7 of this section;

8 (2) Make license applications for video lottery game
9 manufacturers, video lottery game distributors, video
10 lottery game operators, video lottery game retailers, and
11 video lottery game handlers available to applicants and
12 promulgate any emergency or regular rules and regulations
13 needed for the implementation of the video lottery system
14 authorized under sections 313.425 to 313.435 within one
15 hundred twenty days of the effective date of this section;

16 (3) Issue a provisional license to an applicant for a
