

# SENATE BILL NO. 1128

102ND GENERAL ASSEMBLY

INTRODUCED BY SENATOR MCCREERY.

4303S.01I

KRISTINA MARTIN, Secretary

## AN ACT

To repeal section 338.010, RSMo, and to enact in lieu thereof two new sections relating to contraceptives.

*Be it enacted by the General Assembly of the State of Missouri, as follows:*

Section A. Section 338.010, RSMo, is repealed and two new sections enacted in lieu thereof, to be known as sections 338.010 and 338.720, to read as follows:

338.010. 1. The "practice of pharmacy" includes:

(1) The interpretation, implementation, and evaluation of medical prescription orders, including any legend drugs under 21 U.S.C. Section 353, and the receipt, transmission, or handling of such orders or facilitating the dispensing of such orders;

(2) The designing, initiating, implementing, and monitoring of a medication therapeutic plan in accordance with the provisions of this section;

(3) The compounding, dispensing, labeling, and administration of drugs and devices pursuant to medical prescription orders;

(4) The ordering and administration of vaccines approved or authorized by the U.S. Food and Drug Administration, excluding vaccines for cholera, monkeypox, Japanese encephalitis, typhoid, rabies, yellow fever, tick-borne encephalitis, anthrax, tuberculosis, dengue, Hib, polio, rotavirus, smallpox, and any vaccine approved after

**EXPLANATION-Matter enclosed in bold-faced brackets [thus] in this bill is not enacted and is intended to be omitted in the law.**

19 January 1, 2023, to persons at least seven years of age or  
20 the age recommended by the Centers for Disease Control and  
21 Prevention, whichever is older, pursuant to joint  
22 promulgation of rules established by the board of pharmacy  
23 and the state board of registration for the healing arts  
24 unless rules are established under a state of emergency as  
25 described in section 44.100;

26 (5) The participation in drug selection according to  
27 state law and participation in drug utilization reviews;

28 (6) The proper and safe storage of drugs and devices  
29 and the maintenance of proper records thereof;

30 (7) Consultation with patients and other health care  
31 practitioners, and veterinarians and their clients about  
32 legend drugs, about the safe and effective use of drugs and  
33 devices;

34 (8) The prescribing and dispensing of any nicotine  
35 replacement therapy product under section 338.665;

36 (9) The dispensing of HIV postexposure prophylaxis  
37 pursuant to section 338.730; [and]

38 (10) **The dispensing of self-administered hormonal**  
39 **contraceptives under section 338.720; and**

40 (11) The offering or performing of those acts,  
41 services, operations, or transactions necessary in the  
42 conduct, operation, management and control of a pharmacy.

43 2. No person shall engage in the practice of pharmacy  
44 unless he or she is licensed under the provisions of this  
45 chapter.

46 3. This chapter shall not be construed to prohibit the  
47 use of auxiliary personnel under the direct supervision of a  
48 pharmacist from assisting the pharmacist in any of his or  
49 her duties. This assistance in no way is intended to  
50 relieve the pharmacist from his or her responsibilities for

51 compliance with this chapter and he or she will be  
52 responsible for the actions of the auxiliary personnel  
53 acting in his or her assistance.

54 4. This chapter shall not be construed to prohibit or  
55 interfere with any legally registered practitioner of  
56 medicine, dentistry, or podiatry, or veterinary medicine  
57 only for use in animals, or the practice of optometry in  
58 accordance with and as provided in sections 195.070 and  
59 336.220 in the compounding, administering, prescribing, or  
60 dispensing of his or her own prescriptions.

61 5. A pharmacist with a certificate of medication  
62 therapeutic plan authority may provide medication therapy  
63 services pursuant to a written protocol from a physician  
64 licensed under chapter 334 to patients who have established  
65 a physician-patient relationship, as described in  
66 subdivision (1) of subsection 1 of section 191.1146, with  
67 the protocol physician. The written protocol authorized by  
68 this section shall come only from the physician and shall  
69 not come from a nurse engaged in a collaborative practice  
70 arrangement under section 334.104, or from a physician  
71 assistant engaged in a collaborative practice arrangement  
72 under section 334.735.

73 6. Nothing in this section shall be construed as to  
74 prevent any person, firm or corporation from owning a  
75 pharmacy regulated by sections 338.210 to 338.315, provided  
76 that a licensed pharmacist is in charge of such pharmacy.

77 7. Nothing in this section shall be construed to apply  
78 to or interfere with the sale of nonprescription drugs and  
79 the ordinary household remedies and such drugs or medicines  
80 as are normally sold by those engaged in the sale of general  
81 merchandise.

82           8. No health carrier as defined in chapter 376 shall  
83 require any physician with which they contract to enter into  
84 a written protocol with a pharmacist for medication  
85 therapeutic services.

86           9. This section shall not be construed to allow a  
87 pharmacist to diagnose or independently prescribe  
88 pharmaceuticals.

89           10. The state board of registration for the healing  
90 arts, under section 334.125, and the state board of  
91 pharmacy, under section 338.140, shall jointly promulgate  
92 rules regulating the use of protocols for medication therapy  
93 services. Such rules shall require protocols to include  
94 provisions allowing for timely communication between the  
95 pharmacist and the protocol physician or similar body  
96 authorized by this section, and any other patient protection  
97 provisions deemed appropriate by both boards. In order to  
98 take effect, such rules shall be approved by a majority vote  
99 of a quorum of each board. Neither board shall separately  
100 promulgate rules regulating the use of protocols for  
101 medication therapy services. Any rule or portion of a rule,  
102 as that term is defined in section 536.010, that is created  
103 under the authority delegated in this section shall become  
104 effective only if it complies with and is subject to all of  
105 the provisions of chapter 536 and, if applicable, section  
106 536.028. This section and chapter 536 are nonseverable and  
107 if any of the powers vested with the general assembly  
108 pursuant to chapter 536 to review, to delay the effective  
109 date, or to disapprove and annul a rule are subsequently  
110 held unconstitutional, then the grant of rulemaking  
111 authority and any rule proposed or adopted after August 28,  
112 2007, shall be invalid and void.

113           11. The state board of pharmacy may grant a  
114 certificate of medication therapeutic plan authority to a  
115 licensed pharmacist who submits proof of successful  
116 completion of a board-approved course of academic clinical  
117 study beyond a bachelor of science in pharmacy, including  
118 but not limited to clinical assessment skills, from a  
119 nationally accredited college or university, or a  
120 certification of equivalence issued by a nationally  
121 recognized professional organization and approved by the  
122 board of pharmacy.

123           12. Any pharmacist who has received a certificate of  
124 medication therapeutic plan authority may engage in the  
125 designing, initiating, implementing, and monitoring of a  
126 medication therapeutic plan as defined by a written protocol  
127 from a physician that may be specific to each patient for  
128 care by a pharmacist.

129           13. Nothing in this section shall be construed to  
130 allow a pharmacist to make a therapeutic substitution of a  
131 pharmaceutical prescribed by a physician unless authorized  
132 by the written protocol or the physician's prescription  
133 order.

134           14. "Veterinarian", "doctor of veterinary medicine",  
135 "practitioner of veterinary medicine", "DVM", "VMD", "BVSe",  
136 "BVMS", "BSe (Vet Science)", "VMB", "MRCVS", or an  
137 equivalent title means a person who has received a doctor's  
138 degree in veterinary medicine from an accredited school of  
139 veterinary medicine or holds an Educational Commission for  
140 Foreign Veterinary Graduates (EDFVG) certificate issued by  
141 the American Veterinary Medical Association (AVMA).

142           15. In addition to other requirements established by  
143 the joint promulgation of rules by the board of pharmacy and  
144 the state board of registration for the healing arts:

145 (1) A pharmacist shall administer vaccines by protocol  
146 in accordance with treatment guidelines established by the  
147 Centers for Disease Control and Prevention (CDC);

148 (2) A pharmacist who is administering a vaccine shall  
149 request a patient to remain in the pharmacy a safe amount of  
150 time after administering the vaccine to observe any adverse  
151 reactions. Such pharmacist shall have adopted emergency  
152 treatment protocols.

153 16. In addition to other requirements by the board, a  
154 pharmacist shall receive additional training as required by  
155 the board and evidenced by receiving a certificate from the  
156 board upon completion, and shall display the certification  
157 in his or her pharmacy where vaccines are delivered.

158 17. A pharmacist shall inform the patient that the  
159 administration of a vaccine will be entered into the  
160 ShowMeVax system, as administered by the department of  
161 health and senior services. The patient shall attest to the  
162 inclusion of such information in the system by signing a  
163 form provided by the pharmacist. If the patient indicates  
164 that he or she does not want such information entered into  
165 the ShowMeVax system, the pharmacist shall provide a written  
166 report within fourteen days of administration of a vaccine  
167 to the patient's health care provider, if provided by the  
168 patient, containing:

- 169 (1) The identity of the patient;  
170 (2) The identity of the vaccine or vaccines  
171 administered;  
172 (3) The route of administration;  
173 (4) The anatomic site of the administration;  
174 (5) The dose administered; and  
175 (6) The date of administration.

176           18. A pharmacist licensed under this chapter may order  
177 and administer vaccines approved or authorized by the U.S.  
178 Food and Drug Administration to address a public health  
179 need, as lawfully authorized by the state or federal  
180 government, or a department or agency thereof, during a  
181 state or federally declared public health emergency.

**338.720. 1. For purposes of this section, the term**  
2 **"self-administered hormonal contraceptive" shall mean a drug**  
3 **composed of one or more hormones that is approved by the**  
4 **United States Food and Drug Administration to prevent**  
5 **pregnancy.**

6           2. A pharmacist may dispense self-administered  
7 hormonal contraceptives to a person under a prescription  
8 order for medication therapy services as described in  
9 section 338.010. A prescription order for a self-  
10 administered hormonal contraceptive shall have no expiration  
11 date.

12           3. The board of pharmacy, under section 338.140, and  
13 the board of registration for the healing arts, under  
14 section 334.125, shall jointly promulgate rules regulating  
15 the use of protocols for prescription orders for self-  
16 administered hormonal contraceptives. Any rule or portion  
17 of a rule, as that term is defined in section 536.010, that  
18 is created under the authority delegated in this section  
19 shall become effective only if it complies with and is  
20 subject to all of the provisions of chapter 536 and, if  
21 applicable, section 536.028. This section and chapter 536  
22 are nonseverable, and if any of the powers vested with the  
23 general assembly pursuant to chapter 536 to review, to delay  
24 the effective date, or to disapprove and annul a rule are  
25 subsequently held unconstitutional, then the grant of

26 rulemaking authority and any rule proposed or adopted after  
27 August 28, 2024, shall be invalid and void.

28 4. The rules adopted under this section shall require  
29 a pharmacist to:

30 (1) Complete a training program approved by the board  
31 of pharmacy that is related to dispensing self-administered  
32 hormonal contraceptives under this section;

33 (2) Provide a self-screening risk assessment tool that  
34 the patient shall use prior to the pharmacist's dispensing  
35 the self-administered hormonal contraceptive under this  
36 section;

37 (3) At least once every twelve months, verbally refer  
38 the patient to the health care provider with whom the  
39 pharmacist has a prescription order before dispensing the  
40 self-administered hormonal contraceptive to the patient;

41 (4) Provide the patient with a written record of the  
42 self-administered hormonal contraceptive dispensed and  
43 advise the patient to consult with a health care provider;  
44 and

45 (5) Dispense the self-administered hormonal  
46 contraceptive to the patient as soon as practicable.

47 5. All state and federal laws governing insurance  
48 coverage of contraceptive drugs, devices, products, and  
49 services shall apply to self-administered hormonal  
50 contraceptives dispensed by a pharmacist under this section.

51 6. Nothing in this section shall be construed to allow  
52 a pharmacist to make a therapeutic substitution of a  
53 pharmaceutical prescribed by a physician unless authorized  
54 by the written protocol or the physician's written  
55 prescription order.
