

# SENATE BILL NO. 1187

## 101ST GENERAL ASSEMBLY

INTRODUCED BY SENATOR THOMPSON REHDER.

3348S.01H

ADRIANE D. CROUSE, Secretary

### AN ACT

To repeal section 32.300, RSMo, and to enact in lieu thereof one new section relating to remote systems for the performance of transportation functions by the department of revenue.

*Be it enacted by the General Assembly of the State of Missouri, as follows:*

Section A. Section 32.300, RSMo, is repealed and one new  
2 section enacted in lieu thereof, to be known as section 32.300,  
3 to read as follows:

32.300. 1. In a county where personal property tax  
2 records are accessible via computer, and when proof of motor  
3 vehicle liability insurance, safety inspections and emission  
4 inspections where required are verifiable by computer, the  
5 department of revenue shall design and implement a motor  
6 vehicle license renewal system which may be used through the  
7 department's internet website connection.

8       **2.** The department of revenue shall also design and  
9 implement an online system allowing the filing and payment  
10 of Missouri state taxes through the department's internet  
11 website connection. The online tax filing and payment  
12 system shall be available for the payment of Missouri state  
13 taxes for tax years beginning on or after January 1, 2002.

14       **3.** **The department of revenue or any fee office is**  
15 **hereby authorized to design and implement, or to contract**  
16 **with a third-party vendor for the provision of, a remote**  
17 **system which may be used through the department's internet**  
18 **website connection or through self-service terminals**

**EXPLANATION-Matter enclosed in bold-faced brackets [thus] in this bill is not enacted and is intended to be omitted in the law.**

19 available at one or more locations within the state for  
20 motor vehicle and watercraft transactions, including but not  
21 limited to titling and registration. Any system provided by  
22 a third-party vendor shall be clearly identified as being  
23 provided by a third party, and license offices shall process  
24 transactions based on information provided by applicants  
25 through the system. No personal information shall be  
26 transmitted from a license office through the system or to  
27 the third-party vendor.

28 [2.] 4. The department of revenue is hereby authorized  
29 to design and implement a remote driver's license renewal  
30 system which may be used through the department's internet  
31 website connection or through self-service terminals  
32 available at one or more locations within the state. Any  
33 remote driver's license renewal system implemented by the  
34 department shall be compliant with the provisions of the  
35 federal REAL ID Act of 2005 (Public Law 108-13), as amended,  
36 the Commercial Motor Vehicle Safety Act of 1986 (Title XII  
37 of Public Law 99-570), as amended, the USA PATRIOT Act of  
38 2001 (Title X of Public Law 107-56), as amended, and any  
39 regulations related thereto.

40 [3.] 5. Notwithstanding any provision of law to the  
41 contrary, applicants who have applied in person and received  
42 a driver's or nondriver's license in accordance with chapter  
43 302 may apply for no more than one consecutive three-year or  
44 six-year license renewal remotely in accordance with this  
45 section. Remote application for renewal shall be made  
46 within six months before or after the expiration date of the  
47 license in accordance with section 302.173.

48 [4.] 6. Applicants for remote driver's license renewal  
49 in accordance with this section shall not be required to  
50 complete the highway sign recognition test required under

51 section 302.173 unless the department has technology that  
52 may be used remotely for such purpose. Applicants for  
53 remote driver's license renewal in accordance with this  
54 section shall not be required to complete the vision test  
55 established under section 302.175, provided the applicant  
56 shall certify under penalty of law that the applicant's  
57 vision satisfies the requirements of section 302.175 and  
58 that the applicant has undergone an examination of eyesight  
59 by a licensed ophthalmologist or a licensed optometrist  
60 within the last twelve months. As a condition for renewal  
61 in accordance with this section, the applicant shall  
62 authorize the exchange of vision and medical information  
63 between the department and the applicant's ophthalmologist  
64 or optometrist, and shall be at least twenty-one years of  
65 age but less than fifty years of age. The ophthalmologist  
66 or optometrist shall have four business days to confirm or  
67 deny the vision and medical information of the applicant.  
68 If no response is received by the department, the department  
69 shall accept the vision and medical information provided for  
70 processing the renewal application.
