AN ACT

To amend chapter 33, RSMo, by adding thereto one new section relating to documentation of grants of federal funds.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Chapter 33, RSMo, is amended by adding thereto one new section, to be known as section 33.087, to read as follows:

33.087. 1. Every state agency that receives any grant of federal funds shall document and make the following information easily available to the public on the agency's website:

- (1) Any amount of funds it receives from the federal government;**
- (2) The name of the federal agency disbursing the funds;**
- (3) The purpose for which the funds are being received;**
- (4) The name of any state agency to which any portion of the funds are transferred by the initial receiving agency, the amount transferred, and the purpose for which those funds are transferred; and**
- (5) The information provided to the agency pursuant to subsection 2 of this section.**

2. If an agency receives a grant of federal funds and transfers a portion of such funds to another agency, the agency receiving the transferred funds shall report to the agency from which the funds were transferred, an accounting of how the transferred funds were used and any statistical impact that can be discerned as a result of such usage.

3. All information referred to in subsection 1 of this section shall be updated within thirty days of any receipt or transfer of funds.

4. All costs in administering subsections 1, 2, and 3 of this section shall be paid from the grant of federal funds received by the

22 state agency and shall not be paid by any amount of state funds
23 appropriated to any agency.
