AN ACT

To amend chapter 208, RSMo, by adding thereto one new section relating to eligibility data verification for public assistance programs.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Chapter 208.065, RSMo, is amended by adding thereto one new
2 section, to be known as section 208.065, to read as follows:

208.065. 1. No later than January 1, 2017, the department of
2 social services shall procure and enter into a competitively bid contract
3 with a contractor to provide verification of initial and ongoing
4 eligibility data for assistance under the supplemental nutrition
5 assistance program (SNAP); temporary assistance for needy families
6 (TANF) program; child care assistance program; and MO HealthNet
7 program. The contractor shall conduct data matches using the name,
8 date of birth, address, Social Security number of each applicant and
9 recipient, and additional data provided by the applicant or recipient
10 relevant to eligibility against public records and other data sources to
11 verify eligibility data.

12 2. The contractor shall evaluate the income, resources, and
13 assets of each applicant and recipient no less than quarterly. In
14 addition to quarterly eligibility data verification, the contractor shall
15 identify on a monthly basis any program participants who have died,
16 moved out of state, or have been incarcerated longer than ninety days.

17 3. The contractor, upon completing an eligibility data
18 verification of an applicant or recipient, shall notify the department of

19 the results, except that the contractor shall not verify the eligibility
20 data of persons residing in long-term care facilities whose income and
21 resources were at or below the applicable financial eligibility standards
22 at the time of their last review. Within twenty business days of such
23 notification, the department shall make an eligibility
24 determination. The department shall retain final authority over
25 eligibility determinations. The contractor shall keep a record of all
26 eligibility data verifications communicated to the department.

27 4. Within thirty days of the end of each calendar year, the
28 department and contractor shall file a joint report on a yearly basis to
29 the governor, the speaker of the house of representatives, and the
30 president pro tempore of the senate. The report shall include, but shall
31 not be limited to, the number of applicants and recipients determined
32 ineligible for assistance programs based on the eligibility data
33 verification by the contractor and the stated reasons for the
34 determination of ineligibility by the department.
