2 authority of any village; town; city, including home rule city; or county to prohibit dogs  
3 from running at large or to further control or regulate dogs within its boundaries,  
4 provided that no such ordinance, order, policy, or regulation is specific to breed.

5 2. The general assembly hereby occupies and preempts the entire field of legislation  
6 regarding in any way the control or regulation of specific breeds of dogs to the complete  
7 exclusion of any order, ordinance, policy, or regulation by any village; town; city, including  
8 any home rule city; or county in this state. Any existing or future order, ordinance, policy,

6 public. Under no circumstances shall a travel agent or intermediary be deemed an operator of  
7 a hotel, motel, tavern, inn, tourist cabin, tourist camp, or other place in which rooms are  
8 furnished to the public unless such travel agent or intermediary actually operates such a facility.  
9 This section shall not apply if the purchaser of such rooms is an entity which is exempt from  
10 payment of such tax. This section is intended to clarify that taxes imposed as a hotel tax,  
11 occupancy tax, or [~~otherwise~~] **transient guest tax** shall apply solely to amounts received by  
12 operators **of a hotel, motel, tavern, inn, tourist cabin, tourist camp, or other place in which**  
13 **rooms are furnished to the public**, as enacted in the statutes authorizing such taxes.

          68.075. 1. This section shall be known and may be cited as the "Advanced Industrial  
2 Manufacturing Zones Act".

3           2. As used in this section, the following terms shall mean:

4           (1) "AIM zone", an area identified through a resolution passed by the port authority  
5 board of commissioners appointed under section 68.045 that is being developed or redeveloped  
6 for any purpose so long as any infrastructure and building built or improved is in the  
7 development area. The port authority board of commissioners shall file an annual report  
8 indicating the established AIM zones with the department of revenue;

9           (2) "County average wage", the average wage in each county as determined by the  
10 Missouri department of economic development for the most recently completed full calendar  
11 year. However, if the computed county average wage is above the statewide average wage, the  
12 statewide average wage shall be deemed the county average wage for such county for the purpose  
13 of determining eligibility;

14           (3) "New job", the number of full-time employees located at the project facility that  
15 exceeds the project facility base employment less any decrease in the number of full-time  
16 employees at related facilities below the related facility base employment. No job that was  
17 created prior to the date of the notice of intent shall be deemed a new job. An employee that  
18 spends less than fifty percent of the employee's work time at the facility is still considered to be  
19 located at a facility if the employee receives his or her directions and control from that facility,

20 is on the facility's payroll, one hundred percent of the employee's income from such employment  
21 is Missouri income, and the employee is paid at or above the county average wage;

22 (4) "Related facility", a facility operated by a company or a related company prior to the  
23 establishment of the AIM zone in question located within any port district, as defined under  
24 section 68.015, which is directly related to the operations of the facility within the new AIM  
25 zone.

26 3. Any port authority located in this state may establish an AIM zone. Such zone may  
27 only include the area within the port authority's jurisdiction, ownership, or control, and may  
28 include any such area. The port authority shall determine the boundaries for each AIM zone, and  
29 more than one AIM zone may exist within the port authority's jurisdiction or under the port  
30 authority's ownership or control, and may be expanded or contracted by resolution of the port  
31 authority board of commissioners.

32 4. Fifty percent of the state tax withholdings imposed by sections 143.191 to 143.265  
33 on new jobs within such zone after development or redevelopment has commenced shall not be  
34 remitted to the general revenue fund of the state of Missouri. Such moneys shall be deposited  
35 into the port authority AIM zone fund established under subsection 5 of this section for the  
36 purpose of continuing to expand, develop, and redevelop AIM zones identified by the port  
37 authority board of commissioners and may be used for managerial, engineering, legal, research,  
38 promotion, planning, satisfaction of bonds issued under section 68.040, and any other expenses.

39 5. There is hereby created in the state treasury the "Port Authority AIM Zone Fund",  
40 which shall consist of money collected under this section. The state treasurer shall be custodian  
41 of the fund and shall approve disbursements from the fund in accordance with sections 30.170  
42 and 30.180 to the port authorities from which the funds were collected, less the pro-rata portion  
43 appropriated by the general assembly to be used solely for the administration of this section  
44 which shall not exceed ten percent of the total amount collected within the zones of a port  
45 authority. Notwithstanding the provisions of section 33.080 to the contrary, any moneys  
46 remaining in the fund at the end of the biennium shall not revert to the credit of the general  
47 revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other  
48 funds are invested. Any interest and moneys earned on such investments shall be credited to the  
49 fund.

50 6. The port authority shall approve any projects that begin construction and disperse any  
51 money collected under this section. The port authority shall submit an annual budget for the  
52 funds to the department of economic development explaining how and when such money will  
53 be spent.

54 7. The provision of section 23.253 notwithstanding, no AIM zone may be established  
55 after August 28, [2023] **2030**. Any AIM zone created prior to that date shall continue to exist

56 and be coterminous with the retirement of all debts incurred under subsection 4 of this section.  
57 No debts may be incurred or reauthorized using AIM zone revenue after August 28, [2023] 2030.

70.705. 1. The "Members Deposit Fund" is hereby created. It shall be the fund in which  
2 shall be accumulated the contributions made by members to the system, and from which shall  
3 be made transfers and refunds of members' contributions as provided in sections 70.600 to  
4 70.755.

5 2. Except as provided otherwise in this section, the contributions of a member to the  
6 system shall be four percent of his compensations after the date he has completed sufficient  
7 employment for six months of credited service. Such contributions shall be made  
8 notwithstanding that the minimum salary or wages provided by law for any member shall thereby  
9 be changed. Each member shall be deemed to consent and agree to the deductions made and  
10 provided for herein. Payment of a member's compensation less such deductions shall be a full  
11 and complete discharge and acquittance of all claims and demands whatsoever for services  
12 rendered by him to a political subdivision, except as to benefits provided by this system.

13 3. The officer or officers responsible for making up the payrolls for each political  
14 subdivision shall cause the contributions provided for in this section to be deducted from the  
15 compensation of each member in the employ of the political subdivision, on each and every  
16 payroll, for each and every payroll period after the date he has completed sufficient employment  
17 for six months of credited service to the date his membership terminates. When deducted, each  
18 of these amounts shall be paid by the political subdivision to the system; the payments shall be  
19 made in the manner and shall be accompanied by such supporting data as the board shall from  
20 time to time prescribe. When paid to the system, each of the amounts shall be credited to the  
21 members deposit fund account of the member from whose compensations the contributions were  
22 deducted.

23 4. In addition to the contributions deducted from the compensations of a member, as  
24 heretofore provided, a member shall deposit in the members deposit fund, by a single  
25 contribution or by an increased rate of contributions, as approved by the board, the amount or  
26 amounts he may have withdrawn therefrom and not repaid thereto, together with regular interest  
27 from the date of withdrawal to the date of repayment. In no case shall a member be given credit  
28 for service rendered prior to the date he withdrew his accumulated contributions until he returns  
29 to the members deposit fund all amounts due the fund by him.

30 5. Upon the retirement of a member, or upon his death if an allowance becomes payable  
31 on account of his death, his accumulated contributions shall be transferred to the benefit reserve  
32 fund.

33 6. Each political subdivision, by majority vote of its governing body, may elect with  
34 respect to its members **an alternate contribution amount of two percent or six percent of**

35 **compensation or** to eliminate future member contributions otherwise provided for in this  
36 section. **Should a political subdivision elect one benefit program for members whose**  
37 **political subdivision employment is concurrently covered by federal Social Security and**  
38 **a different benefit program for members whose political subdivision employment is not**  
39 **concurrently covered by federal Social Security, as provided in section 70.655, the political**  
40 **subdivision may also, by majority vote of its governing body, make one election concerning**  
41 **member contributions provided for in this section for members whose political subdivision**  
42 **employment is concurrently covered by federal Social Security and one election concerning**  
43 **member contributions provided for in this section for members whose political subdivision**  
44 **employment is not concurrently covered by federal Social Security.** The clerk or secretary  
45 of the political subdivision shall certify the election concerning member contributions to the  
46 board within ten days after such vote. The effective date of the political subdivision's member  
47 contribution election is the first day of the calendar month specified by such governing body, or  
48 the first day of the calendar month next following receipt by the board of the certification of such  
49 election, or the effective date of the political subdivision's becoming an employer, whichever is  
50 the latest. Such election concerning member contributions may be changed from time to time  
51 by such vote, but not more often than once in two years. Except as provided in section 70.707,  
52 if such election is to eliminate member contributions, then such election shall apply only to  
53 future member compensations and shall not change the status of any member contributions made  
54 before such election. If the effect of such election is to require member contributions, then such  
55 election shall apply only to future member compensations and shall not change any member  
56 contribution requirements existing before such election. Should an employer change its member  
57 contribution requirements as provided in this section, the employer contribution requirements  
58 shall be correspondingly changed effective the same date as the member contribution change.  
59 The limitation on increases in an employer's contribution provided by subsection 6 of section  
60 70.730 shall not apply to any contribution increase resulting from an employer electing to  
61 eliminate member contributions.

71.201. 1. **For purposes of this section, the term "local governmental unit" shall**  
2 **mean any city, village, town, county, township, or the board of police established by section**  
3 **84.020, or the board of police commissioners established by section 84.350.**

4 2. (1) **No local governmental unit shall require, as a condition of employment, that**  
5 **any currently employed or prospective law enforcement officer reside within any**  
6 **jurisdictional limit.**

7 (2) **If a local governmental unit has a residency rule or requirement for law**  
8 **enforcement officers that is in effect on or before August 28, 2020, the residency rule or**  
9 **requirement shall not apply and shall not be enforced.**

10           **3. A local governmental unit may impose a residency rule or requirement on law**  
11 **enforcement officers, but the rule or requirement shall be no more restrictive than**  
12 **requiring such personnel to reside within a one-hour response time.**

13           **4. The provisions of this section shall not apply to the Missouri state highway**  
14 **patrol.**

**79.235. 1. Notwithstanding any law to the contrary but subject to the provisions**  
2 **of subsection 2 of this section, if a statute or ordinance authorizes the mayor of a city of the**  
3 **fourth classification with no more than two thousand inhabitants to appoint a member of**  
4 **a board or commission, any requirement that the appointed person be a resident of the city**  
5 **shall be deemed satisfied if the person owns real property or a business in the city,**  
6 **regardless of whether the position to which the appointment is made is considered an**  
7 **officer of the city.**

8           **2. This subsection applies only to cities of the fourth classification with no more**  
9 **than two thousand inhabitants. If the board to which a person is appointed is established**  
10 **under state statute or city ordinance to manage a city's municipal utilities, then any**  
11 **requirement that the appointed person be a resident of the city shall be deemed satisfied**  
12 **only if all of the following conditions are met:**

13           **(1) The board has no authority to set utility rates or to issue bonds;**

14           **(2) The person resides within a five-mile radius of the city limits;**

15           **(3) The person owns real property or a business in the city;**

16           **(4) The person or the person's business is a customer of the public utility as**  
17 **described in section 91.450 that is owned and operated by the city; and**

18           **(5) The person has no pecuniary interest in, or is not a member of, any other utility**  
19 **of the type managed by the board.**

**84.344. 1. Notwithstanding any provisions of this chapter to the contrary, any city not**  
2 **within a county may establish a municipal police force on or after July 1, 2013, according to the**  
3 **procedures and requirements of this section. The purpose of these procedures and requirements**  
4 **is to provide for an orderly and appropriate transition in the governance of the police force and**  
5 **provide for an equitable employment transition for commissioned and civilian personnel.**

6           **2. Upon the establishment of a municipal police force by a city under sections 84.343**  
7 **to 84.346, the board of police commissioners shall convey, assign, and otherwise transfer to the**  
8 **city title and ownership of all indebtedness and assets, including, but not limited to, all funds and**  
9 **real and personal property held in the name of or controlled by the board of police**  
10 **commissioners created under sections 84.010 to 84.340. The board of police commissioners**  
11 **shall execute all documents reasonably required to accomplish such transfer of ownership and**  
12 **obligations.**

13           3. If the city establishes a municipal police force and completes the transfer described  
14 in subsection 2 of this section, the city shall provide the necessary funds for the maintenance of  
15 the municipal police force.

16           4. Before a city not within a county may establish a municipal police force under this  
17 section, the city shall adopt an ordinance accepting responsibility, ownership, and liability as  
18 successor-in-interest for contractual obligations, indebtedness, and other lawful obligations of  
19 the board of police commissioners subject to the provisions of subsection 2 of section 84.345.

20           5. A city not within a county that establishes a municipal police force shall initially  
21 employ, without a reduction in rank, salary, or benefits, all commissioned and civilian personnel  
22 of the board of police commissioners created under sections 84.010 to 84.340 that were  
23 employed by the board immediately prior to the date the municipal police force was established.  
24 Such commissioned personnel who previously were employed by the board may only be  
25 involuntarily terminated by the city not within a county for cause. The city shall also recognize  
26 all accrued years of service that such commissioned and civilian personnel had with the board  
27 of police commissioners. Such personnel shall be entitled to the same holidays, vacation, and  
28 sick leave they were entitled to as employees of the board of police commissioners.

29           6. Commissioned and civilian personnel who ~~[were previously employed by the board]~~  
30 **are employed by a municipal police force established under this section** shall ~~[continue to]~~  
31 **not** be subject, throughout their employment for the city not within a county, to a residency ~~[rule~~  
32 ~~no more restrictive than a]~~ requirement of retaining a primary residence in a city not within a  
33 county ~~[for a total of seven years and of then allowing them to maintain a primary residence~~  
34 ~~outside the city not within a county]~~ so long as the **primary** residence is located within a  
35 one-hour response time.

36           7. The commissioned and civilian personnel who retire from service with the board of  
37 police commissioners before the establishment of a municipal police force under subsection 1  
38 of this section shall continue to be entitled to the same pension benefits provided under chapter  
39 86 and the same benefits set forth in subsection 5 of this section.

40           8. If the city not within a county elects to establish a municipal police force under this  
41 section, the city shall establish a separate division for the operation of its municipal police force.  
42 The civil service commission of the city may adopt rules and regulations appropriate for the  
43 unique operation of a police department. Such rules and regulations shall reserve exclusive  
44 authority over the disciplinary process and procedures affecting commissioned officers to the  
45 civil service commission; however, until such time as the city adopts such rules and regulations,  
46 the commissioned personnel shall continue to be governed by the board of police commissioner's  
47 rules and regulations in effect immediately prior to the establishment of the municipal police  
48 force, with the police chief acting in place of the board of police commissioners for purposes of

49 applying the rules and regulations. Unless otherwise provided for, existing civil service  
50 commission rules and regulations governing the appeal of disciplinary decisions to the civil  
51 service commission shall apply to all commissioned and civilian personnel. The civil service  
52 commission's rules and regulations shall provide that records prepared for disciplinary purposes  
53 shall be confidential, closed records available solely to the civil service commission and those  
54 who possess authority to conduct investigations regarding disciplinary matters pursuant to the  
55 civil service commission's rules and regulations. A hearing officer shall be appointed by the civil  
56 service commission to hear any such appeals that involve discipline resulting in a suspension of  
57 greater than fifteen days, demotion, or termination, but the civil service commission shall make  
58 the final findings of fact, conclusions of law, and decision which shall be subject to any right of  
59 appeal under chapter 536.

60 9. A city not within a county that establishes and maintains a municipal police force  
61 under this section:

62 (1) Shall provide or contract for life insurance coverage and for insurance benefits  
63 providing health, medical, and disability coverage for commissioned and civilian personnel of  
64 the municipal police force to the same extent as was provided by the board of police  
65 commissioners under section 84.160;

66 (2) Shall provide or contract for medical and life insurance coverage for any  
67 commissioned or civilian personnel who retired from service with the board of police  
68 commissioners or who were employed by the board of police commissioners and retire from the  
69 municipal police force of a city not within a county to the same extent such medical and life  
70 insurance coverage was provided by the board of police commissioners under section 84.160;

71 (3) Shall make available medical and life insurance coverage for purchase to the spouses  
72 or dependents of commissioned and civilian personnel who retire from service with the board  
73 of police commissioners or the municipal police force and deceased commissioned and civilian  
74 personnel who receive pension benefits under sections 86.200 to 86.366 at the rate that such  
75 dependent's or spouse's coverage would cost under the appropriate plan if the deceased were  
76 living; and

77 (4) May pay an additional shift differential compensation to commissioned and civilian  
78 personnel for evening and night tours of duty in an amount not to exceed ten percent of the  
79 officer's base hourly rate.

80 10. A city not within a county that establishes a municipal police force under sections  
81 84.343 to 84.346 shall establish a transition committee of five members for the purpose of  
82 coordinating and implementing the transition of authority, operations, assets, and obligations  
83 from the board of police commissioners to the city; winding down the affairs of the board;  
84 making nonbinding recommendations for the transition of the police force from the board to the

85 city; and other related duties, if any, established by executive order of the city's mayor. Once the  
86 ordinance referenced in this section is enacted, the city shall provide written notice to the board  
87 of police commissioners and the governor of the state of Missouri. Within thirty days of such

32 statement to the state auditor shall be subject to a fine of five hundred dollars per day.

33 10. The state auditor shall report any violation of subsection 9 of this section to the  
34 department of revenue. Upon notification from the state auditor's office that a political  
35 subdivision failed to timely submit a copy of the annual financial statement, the department of

37 received. Such notice shall clearly set forth the following:

38 (1) The name of the political subdivision;

39 (2) That the political subdivision shall be subject to a fine of five hundred dollars per day

43 (3) That the fine will be enforced and collected as provided under subsection 11 of this  
44 section; and

45 (4) That the fine will begin accruing on the thirty-first day from the postmarked date  
46 stamped on the certified mail envelope and will continue to accrue until the state auditor's office  
47 receives a copy of the financial statement.

48

49 In the event a copy of the annual financial statement is received within such thirty-day period,  
50 no fine shall accrue or be imposed. The state auditor shall report receipt of the financial  
51 statement to the department of revenue within ten business days. Failure of the political  
52 subdivision to submit the required annual financial statement within such thirty-day period shall  
53 cause the fine to be collected as provided under subsection 11 of this section.

60 12. Any ~~[transportation development district organized under sections 238.200 to~~  
61 ~~238.275 having]~~ **political subdivision that has** gross revenues of less than five thousand dollars  
62 **or that has not levied or collected sales or use taxes** in the fiscal year for which the annual  
63 financial statement was not timely filed shall not be subject to the fine authorized in this section.

64 **13. If a failure to timely submit the annual financial statement is the result of fraud**  
65 **or other illegal conduct by an employee or officer of the political subdivision, the failure**  
66 **shall not be subject to a fine authorized under this section if the statement is filed within**

67 **thirty days of the discovery of the fraud or illegal conduct. If a fine is assessed and paid**  
68 **prior to the filing of the statement, the department of revenue shall refund the fine upon**  
69 **notification from the political subdivision.**

70 **14. If a political subdivision has an outstanding balance for fines or penalties at the**  
71 **time it files its first annual financial statement after January 1, 2021, the director of**  
72 **revenue shall make a one-time downward adjustment to such outstanding balance in an**  
73 **amount that reduces the outstanding balance by ninety percent.**

74 **15. The director of revenue shall have the authority to make a one-time downward**

76 **if the director determines the fine is uncollectable. The director of revenue may prescribe**  
77 **rules and regulations necessary to carry out the provisions of this subsection. Any rule or**  
78 **portion of a rule, as that term is defined in section 536.010, that is created under the**  
79 **authority delegated in this section shall become effective only if it complies with and is**  
80 **subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This**  
81 **section and chapter 536 are nonseverable, and if any of the powers vested with the general**  
82 **assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove**  
83 **and annul a rule are subsequently held unconstitutional, then the grant of rulemaking**  
84 **authority and any rule proposed or adopted after August 28, 2020, shall be invalid and**  
85 **void.**

86 **16. If a political subdivision with an outstanding balance for fines or penalties:**

87 **(1) Fails to file an annual financial statement after August 28, 2020, and before**  
88 **January 1, 2021; or**

91

92 **then the director of revenue shall initiate the process to disincorporate the political**  
93 **subdivision as prescribed by law.**

94 **17. If any resident of a political subdivision believes or knows that the political**  
95 **subdivision has failed to file the annual financial report required under subsection 2 of this**  
96 **section, the resident may file an affidavit with the director of revenue that attests to the**  
97 **alleged failure. The director of revenue shall evaluate the allegation and, if true, notify the**  
98 **political subdivision and any municipality or county encompassing the political subdivision**  
99 **by both certified mail and first-class mail that the political subdivision has ninety days to**  
100 **comply with subsection 2 of this section. If the political subdivision has not complied after**  
101 **ninety days, the director of revenue shall initiate the process to disincorporate the political**  
102 **subdivision as prescribed by law.**

103           **18. (1) The question of whether a political subdivision subject to possible**  
104 **disincorporation under subsection 16 or 17 of this section shall be disincorporated shall be**  
105 **submitted to the voters of the political subdivision. The election upon the question shall**  
106 **be held on the next general election day.**

107           **(2) No later than five o'clock p.m. on the tenth Tuesday prior to the election, the**  
108 **director of revenue shall notify the election authorities responsible for conducting the**  
109 **election according to the provisions of section 115.125 and the county governing body in**  
110 **which the political subdivision is located.**

111           **(3) The election authority shall give notice of the election for eight consecutive**  
112 **weeks prior to the election by publication in a newspaper of general circulation published**  
113 **in the political subdivision or, if there is no such newspaper in the political subdivision, in**  
114 **the newspaper in the county published nearest the political subdivision.**

115           **(4) Any costs of submitting the question shall be paid by the political subdivision.**

116           **(5) The question shall be submitted to the voters of such city, town, or village in**  
117 **substantially the following form:**

118           **The (city/town/village) of \_\_\_\_\_ (has an outstanding balance for fines**  
119 **or penalties and) has failed to file an annual financial statement, as required**  
120 **by law. Shall the (city/town/village) of \_\_\_\_\_ be disincorporated?**

121            **YES**            **NO**

122

123 **Upon the affirmative vote of a majority of the qualified voters voting on the question, the**  
124 **director of revenue shall file an action to disincorporate the political subdivision in the**  
125 **circuit court with jurisdiction over the political subdivision.**

126           **19. In an action to disincorporate a political subdivision, the circuit court shall**  
127 **order:**

128           **(1) The appointment of an administrative authority for the political subdivision,**  
129 **which may be another political subdivision, the state, a qualified private party, or other**  
130 **qualified entity;**

131           **(2) All financial and other institutions holding funds of the political subdivision, as**  
132 **identified by the director of revenue, to honor the directives of the administrative**  
133 **authority;**

134           **(3) The director of revenue or other party charged with distributing tax revenue**  
135 **to distribute the revenues and funds of the political subdivision to the administrative**

137           **(4) The disincorporation of the political subdivision and the effective date of the**  
138 **disincorporation, taking into consideration a reasonable transition period.**

139 **The administrative authority shall administer all revenues under the name of the political**  
140 **subdivision or its agents and administer all funds collected on behalf of the political**  
141 **subdivision. The administrative authority shall use the revenues and existing funds to pay**

143 **this section. The circuit court shall have ongoing jurisdiction to enforce its orders and**  
144 **carry out the remedies under this subsection.**

145 **20. The attorney general shall have the authority to file an action in a court of**  
146 **competent jurisdiction against any political subdivision that fails to comply with this**  
147 **section in order to force the political subdivision into compliance.**

137.115. 1. All other laws to the contrary notwithstanding, the assessor or the assessor's  
2 deputies in all counties of this state including the City of St. Louis shall annually make a list of  
3 all real and tangible personal property taxable in the assessor's city, county, town or district.  
4 Except as otherwise provided in subsection 3 of this section and section 137.078, the assessor  
5 shall annually assess all personal property at thirty-three and one-third percent of its true value  
6 in money as of January first of each calendar year. The assessor shall annually assess all real  
7 property, including any new construction and improvements to real property, and possessory  
8 interests in real property at the percent of its true value in money set in subsection 5 of this  
9 section. The true value in money of any possessory interest in real property in subclass (3),  
10 where such real property is on or lies within the ultimate airport boundary as shown by a federal  
11 airport layout plan, as defined by 14 CFR 151.5, of a commercial airport having a FAR Part 139  
12 certification and owned by a political subdivision, shall be the otherwise applicable true value  
13 in money of any such possessory interest in real property, less the total dollar amount of costs  
14 paid by a party, other than the political subdivision, towards any new construction or  
15 improvements on such real property completed after January 1, 2008, and which are included in  
16 the above-mentioned possessory interest, regardless of the year in which such costs were incurred  
17 or whether such costs were considered in any prior year. The assessor shall annually assess all  
18 real property in the following manner: new assessed values shall be determined as of January  
19 first of each odd-numbered year and shall be entered in the assessor's books; those same assessed  
20 values shall apply in the following even-numbered year, except for new construction and  
21 property improvements which shall be valued as though they had been completed as of January  
22 first of the preceding odd-numbered year. The assessor may call at the office, place of doing  
23 business, or residence of each person required by this chapter to list property, and require the  
24 person to make a correct statement of all taxable tangible personal property owned by the person  
25 or under his or her care, charge or management, taxable in the county. On or before January first  
26 of each even-numbered year, the assessor shall prepare and submit a two-year assessment  
27 maintenance plan to the county governing body and the state tax commission for their respective

28 approval or modification. The county governing body shall approve and forward such plan or  
29 its alternative to the plan to the state tax commission by February first. If the county governing  
30 body fails to forward the plan or its alternative to the plan to the state tax commission by  
31 February first, the assessor's plan shall be considered approved by the county governing body.  
32 If the state tax commission fails to approve a plan and if the state tax commission and the  
33 assessor and the governing body of the county involved are unable to resolve the differences, in  
34 order to receive state cost-share funds outlined in section 137.750, the county or the assessor  
35 shall petition the administrative hearing commission, by May first, to decide all matters in  
36 dispute regarding the assessment maintenance plan. Upon agreement of the parties, the matter  
37 may be stayed while the parties proceed with mediation or arbitration upon terms agreed to by  
38 the parties. The final decision of the administrative hearing commission shall be subject to  
39 judicial review in the circuit court of the county involved. ~~[In the event a]~~ **For any** valuation of  
40 subclass (1) real property within any county **of the first classification, within any county** with  
41 a charter form of government, or within a city not within a county, ~~[is made by a computer,~~  
42 ~~computer-assisted method or a computer program,]~~ the burden of proof, supported by clear,  
43 convincing and cogent evidence to sustain such valuation, shall be on the assessor at any hearing  
44 or appeal. ~~[In any such county, unless the assessor proves otherwise, there shall be a presumption~~  
45 ~~that the assessment was made by a computer, computer-assisted method or a computer program.]~~  
46 Such evidence shall include, but shall not be limited to, the following:

47 (1) The findings of the assessor based on an appraisal of the property by generally  
48 accepted appraisal techniques; and

49 (2) The purchase prices from sales of at least three comparable properties and the address  
50 or location thereof. As used in this subdivision, the word "comparable" means that:

51 (a) Such sale was closed at a date relevant to the property valuation; and

52 (b) Such properties are not more than one mile from the site of the disputed property,  
53 except where no similar properties exist within one mile of the disputed property, the nearest  
54 comparable property shall be used. Such property shall be within five hundred square feet in size  
55 of the disputed property, and resemble the disputed property in age, floor plan, number of rooms,  
56 and other relevant characteristics.

57 2. Assessors in each county of this state and the City of St. Louis may send personal  
58 property assessment forms through the mail.

59 3. The following items of personal property shall each constitute separate subclasses of  
60 tangible personal property and shall be assessed and valued for the purposes of taxation at the  
61 following percentages of their true value in money:

62 (1) Grain and other agricultural crops in an unmanufactured condition, one-half of one  
63 percent;

64 (2) Livestock, twelve percent;

65 (3) Farm machinery, twelve percent;

66 (4) Motor vehicles which are eligible for registration as and are registered as historic  
67 motor vehicles pursuant to section 301.131 and aircraft which are at least twenty-five years old  
68 and which are used solely for noncommercial purposes and are operated less than fifty hours per  
69 year or aircraft that are home built from a kit, five percent;

70 (5) Poultry, twelve percent; and

71 (6) Tools and equipment used for pollution control and tools and equipment used in  
72 retooling for the purpose of introducing new product lines or used for making improvements to  
73 existing products by any company which is located in a state enterprise zone and which is  
74 identified by any standard industrial classification number cited in subdivision (5) of section  
75 135.200, twenty-five percent.

76 4. The person listing the property shall enter a true and correct statement of the property,  
77 in a printed blank prepared for that purpose. The statement, after being filled out, shall be signed  
78 and either affirmed or sworn to as provided in section 137.155. The list shall then be delivered  
79 to the assessor.

80 5. (1) All subclasses of real property, as such subclasses are established in Section 4(b)  
81 of Article X of the Missouri Constitution and defined in section 137.016, shall be assessed at the  
82 following percentages of true value:

83 (a) For real property in subclass (1), nineteen percent;

84 (b) For real property in subclass (2), twelve percent; and

85 (c) For real property in subclass (3), thirty-two percent.

86 (2) A taxpayer may apply to the county assessor, or, if not located within a county, then  
87 the assessor of such city, for the reclassification of such taxpayer's real property if the use or  
88 purpose of such real property is changed after such property is assessed under the provisions of  
89 this chapter. If the assessor determines that such property shall be reclassified, he or she shall  
90 determine the assessment under this subsection based on the percentage of the tax year that such  
91 property was classified in each subclassification.

92 6. Manufactured homes, as defined in section 700.010, which are actually used as  
93 dwelling units shall be assessed at the same percentage of true value as residential real property  
94 for the purpose of taxation. The percentage of assessment of true value for such manufactured  
95 homes shall be the same as for residential real property. If the county collector cannot identify  
96 or find the manufactured home when attempting to attach the manufactured home for payment  
97 of taxes owed by the manufactured home owner, the county collector may request the county  
98 commission to have the manufactured home removed from the tax books, and such request shall  
99 be granted within thirty days after the request is made; however, the removal from the tax books

100 does not remove the tax lien on the manufactured home if it is later identified or found. For  
101 purposes of this section, a manufactured home located in a manufactured home rental park, rental  
102 community or on real estate not owned by the manufactured home owner shall be considered  
103 personal property. For purposes of this section, a manufactured home located on real estate  
104 owned by the manufactured home owner may be considered real property.

105 7. Each manufactured home assessed shall be considered a parcel for the purpose of  
106 reimbursement pursuant to section 137.750, unless the manufactured home is real estate as  
107 defined in subsection 7 of section 442.015 and assessed as a realty improvement to the existing  
108 real estate parcel.

109 8. Any amount of tax due and owing based on the assessment of a manufactured home  
110 shall be included on the personal property tax statement of the manufactured home owner unless  
111 the manufactured home is real estate as defined in subsection 7 of section 442.015, in which case  
112 the amount of tax due and owing on the assessment of the manufactured home as a realty  
113 improvement to the existing real estate parcel shall be included on the real property tax statement  
114 of the real estate owner.

115 9. The assessor of each county and each city not within a county shall use the trade-in  
116 value published in the October issue of the National Automobile Dealers' Association Official  
117 Used Car Guide, or its successor publication, as the recommended guide of information for  
118 determining the true value of motor vehicles described in such publication. The assessor shall  
119 not use a value that is greater than the average trade-in value in determining the true value of the  
120 motor vehicle without performing a physical inspection of the motor vehicle. For vehicles two  
121 years old or newer from a vehicle's model year, the assessor may use a value other than average  
122 without performing a physical inspection of the motor vehicle. In the absence of a listing for a  
123 particular motor vehicle in such publication, the assessor shall use such information or  
124 publications which in the assessor's judgment will fairly estimate the true value in money of the  
125 motor vehicle.

126 10. Before the assessor may increase the assessed valuation of any parcel of subclass (1)  
127 real property by more than ~~[fifteen]~~ **ten** percent since the last assessment, ~~[excluding increases~~  
128 ~~due to new construction or improvements,]~~ the assessor shall conduct a physical inspection of  
129 such property.

130 11. If a physical inspection is required, pursuant to subsection 10 of this section, the  
131 assessor shall notify the property owner of that fact in writing and shall provide the owner clear  
132 written notice of the owner's rights relating to the physical inspection. If a physical inspection  
133 is required, the property owner may request that an interior inspection be performed during the  
134 physical inspection. The owner shall have no less than thirty days to notify the assessor of a  
135 request for an interior physical inspection.

136           12. A physical inspection, as required by subsection 10 of this section, shall include, but  
137 not be limited to, an on-site personal observation and review of all exterior portions of the land  
138 and any buildings and improvements to which the inspector has or may reasonably and lawfully  
139 gain external access, and shall include an observation and review of the interior of any buildings  
140 or improvements on the property upon the timely request of the owner pursuant to subsection 11  
141 of this section. Mere observation of the property via a drive-by inspection or the like shall not  
142 be considered sufficient to constitute a physical inspection as required by this section.

143           13. The provisions of subsections 11 and 12 of this section shall ~~[only]~~ apply in ~~[any~~  
144 ~~county with a charter form of government with more than one million inhabitants]~~ **all counties**  
145 **of this state including the City of St. Louis.**

146           14. A county or city collector may accept credit cards as proper form of payment of  
147 outstanding property tax or license due. No county or city collector may charge surcharge for  
148 payment by credit card which exceeds the fee or surcharge charged by the credit card bank,  
149 processor, or issuer for its service. A county or city collector may accept payment by electronic  
150 transfers of funds in payment of any tax or license and charge the person making such payment  
151 a fee equal to the fee charged the county by the bank, processor, or issuer of such electronic  
152 payment.

153           15. Any county or city not within a county in this state may, by an affirmative vote of  
154 the governing body of such county, opt out of the provisions of this section and sections 137.073,  
155 138.060, and 138.100 as enacted by house bill no. 1150 of the ninety-first general assembly,  
156 second regular session and section 137.073 as modified by house committee substitute for senate  
157 substitute for senate committee substitute for senate bill no. 960, ninety-second general  
158 assembly, second regular session, for the next year of the general reassessment, prior to January  
159 first of any year. No county or city not within a county shall exercise this opt-out provision after  
160 implementing the provisions of this section and sections 137.073, 138.060, and 138.100 as  
161 enacted by house bill no. 1150 of the ninety-first general assembly, second regular session and  
162 section 137.073 as modified by house committee substitute for senate substitute for senate  
163 committee substitute for senate bill no. 960, ninety-second general assembly, second regular  
164 session, in a year of general reassessment. For the purposes of applying the provisions of this  
165 subsection, a political subdivision contained within two or more counties where at least one of  
166 such counties has opted out and at least one of such counties has not opted out shall calculate a  
167 single tax rate as in effect prior to the enactment of house bill no. 1150 of the ninety-first general  
168 assembly, second regular session. A governing body of a city not within a county or a county  
169 that has opted out under the provisions of this subsection may choose to implement the  
170 provisions of this section and sections 137.073, 138.060, and 138.100 as enacted by house bill  
171 no. 1150 of the ninety-first general assembly, second regular session, and section 137.073 as

172 modified by house committee substitute for senate substitute for senate committee substitute for  
 173 senate bill no. 960, ninety-second general assembly, second regular session, for the next year of  
 174 general reassessment, by an affirmative vote of the governing body prior to December thirty-first  
 175 of any year.

176         16. The governing body of any city of the third classification with more than twenty-six  
 177 thousand three hundred but fewer than twenty-six thousand seven hundred inhabitants located  
 178 in any county that has exercised its authority to opt out under subsection 15 of this section may  
 179 levy separate and differing tax rates for real and personal property only if such city bills and  
 180 collects its own property taxes or satisfies the entire cost of the billing and collection of such  
 181 separate and differing tax rates. Such separate and differing rates shall not exceed such city's tax  
 182 rate ceiling.

183         17. Any portion of real property that is available as reserve for strip, surface, or coal  
 184 mining for minerals for purposes of excavation for future use or sale to others that has not been  
 185 bonded and permitted under chapter 444 shall be assessed based upon how the real property is  
 186 currently being used. Any information provided to a county assessor, state tax commission, state  
 187 agency, or political subdivision responsible for the administration of tax policies shall, in the  
 188 performance of its duties, make available all books, records, and information requested, except  
 189 such books, records, and information as are by law declared confidential in nature, including  
 190 individually identifiable information regarding a specific taxpayer or taxpayer's mine property.  
 191 For purposes of this subsection, "mine property" shall mean all real property that is in use or  
 192 readily available as a reserve for strip, surface, or coal mining for minerals for purposes of  
 193 excavation for current or future use or sale to others that has been bonded and permitted under  
 194 chapter 444.

195         **18. Notwithstanding any provision of this section or any other provision of law to**  
 196 **the contrary, the assessed valuation of any real property shall not be increased by more**  
 197 **than ten percent from the most recent previously assessed valuation, unless the increase**  
 198 **is due to new construction or improvements.**

137.385. Any person aggrieved by the assessment of his property may appeal to the  
 2 county board of equalization. An appeal shall be in writing and the forms to be used for this  
 3 purpose shall be furnished by the county clerk. Such appeal shall be lodged with the county clerk  
 4 as secretary of the board of equalization before the ~~[third]~~ **second** Monday in ~~[June]~~ **July**;  
 5 provided, that the board may in its discretion extend the time for filing such appeals.

138.060. 1. The county board of equalization shall, in a summary way, determine all  
 2 appeals from the valuation of property made by the assessor, and shall correct and adjust the  
 3 assessment accordingly. There shall be no presumption that the assessor's valuation is correct.  
 4 In any county with a charter form of government ~~[with a population greater than two hundred~~

5 ~~eighty thousand inhabitants but less than two hundred eighty five thousand inhabitants~~, and in  
 6 any county **of the first classification** [~~with a charter form of government with greater than one~~  
 7 ~~million inhabitants~~], and in any city not within a county, the assessor shall have the burden to  
 8 prove that the assessor's valuation does not exceed the true market value of the subject property.  
 9 In such county or city, in the event a physical inspection of the subject property is required by  
 10 subsection 10 of section 137.115, the assessor shall have the burden to establish the manner in  
 11 which the physical inspection was performed and shall have the burden to prove that the physical  
 12 inspection was performed in accordance with section 137.115. In such county or city, in the  
 13 event the assessor fails to provide sufficient evidence to establish that the physical inspection  
 14 was performed in accordance with section 137.115, the property owner shall prevail on the

25 pursuant to subsection 4 of this section that is being developed or redeveloped for any  
26 purpose so long as any infrastructure or building built or improved is in the development  
27 area;

28           (7) "Zone board", the governing body of a TIME zone.

29           3. The governing bodies of at least two contiguous or overlapping political

35 TIME zone may exist within the governing bodies' jurisdiction or under the governing  
36 bodies' ownership or control, and a TIME zone may be expanded or contracted by  
37 resolution of the zone board.

38           4. (1) To establish a TIME zone, the governing bodies of at least two political  
39 subdivisions shall each propose an ordinance or resolution creating such zone. Such

40 ordinance or resolution shall set forth the names of the political subdivisions that will form  
41 the TIME zone, the general nature of the proposed improvements, the estimated cost of  
42 such improvements, the boundaries of the proposed TIME zone, and the estimated number

45 TIME zone and the proposed improvements therein. The governing bodies shall hear and  
46 pass upon all objections to the TIME zone and the proposed improvements, if any, and

51 zone board shall receive no salary or other compensation for their services as members but  
52 shall receive their necessary traveling and other expenses incurred while actually engaged  
53 in the discharge of their official duties. The zone board may expand or contract such  
54 TIME zone through an ordinance or resolution following a public hearing conducted to  
55 consider such expansion or contraction.

56 5. The boundaries of the proposed TIME zone shall be described by metes and  
57 bounds, streets, or other sufficiently specific description.

58 6. (1) Prior to retaining any state withholding tax pursuant to subsection 9 of this  
59 section, a zone board shall enter into an agreement with the department. Such agreement  
60 shall include, but shall not be limited to:

- 61 (a) The estimated number of new jobs to be created;

71 as determined by the most recent decennial census, a minimum of five new jobs with an  
72 average wage that equals or exceeds ninety percent of the county average wage;

73 (b) For a TIME zone with a total population of at least five thousand inhabitants  
74 but less than fifty thousand inhabitants as determined by the most recent decennial census,

75 a minimum of ten new jobs with an average wage that equals or exceeds ninety percent of  
76 the county average wage;

77 (c) For a TIME zone with a total population of at least fifty thousand inhabitants  
78 but less than one hundred fifty thousand inhabitants as determined by the most recent  
79 decennial census, a minimum of fifteen new jobs with an average wage that equals or  
80 exceeds ninety percent of the county average wage; and

81 (d) For a TIME zone with a total population of at least one hundred fifty thousand  
82 inhabitants as determined by the most recent decennial census, a minimum of twenty-five  
83 new jobs with an average wage that equals or exceeds ninety percent of the county average  
84 wage.

85 7. (1) The term of the agreement entered into pursuant to subsection 6 of this  
86 section shall not exceed ten years. A zone board may apply to the department for approval  
87 to renew any agreement. Such application shall be made on forms provided by the  
88 department. In determining whether to approve the renewal of an agreement, the  
89 department shall consider:

95 (2) The department may approve the renewal of an agreement for a period not to  
96 exceed ten years. If a zone board has not met the new job requirements pursuant to  
97 subdivision (2) of subsection 6 of this section by the end of the agreement, the department  
98 shall recapture from such zone board the amount of withholding tax retained by the zone  
99 board pursuant to this section, and the department shall not approve the renewal of an  
100 agreement with such zone board.

101 (3) A zone board shall not retain any withholding tax pursuant to this section in  
102 excess of the costs of improvements completed by the zone board.

103 8. If a qualified company is retaining withholding tax pursuant to sections 620.2000  
104 to 620.2020 for new jobs, as such terms are defined in section 620.2005, that also qualify  
105 for the retention of withholding tax pursuant to this section, the department shall not  
106 authorize an agreement pursuant to this section that results in more than fifty percent of  
107 the withholding tax for such new jobs being retained pursuant to this section and sections  
108 620.2000 to 620.2020.

109 9. Upon the completion of an agreement pursuant to subsection 6 of this section,  
110 twenty-five percent of the state tax withholdings imposed by sections 143.191 to 143.265

111 on new jobs within a TIME zone after development or redevelopment has commenced shall  
112 not be remitted to the general revenue fund. Such moneys shall be deposited into the  
113 TIME zone fund established pursuant to subsection 10 of this section for the purpose of  
114 continuing to expand, develop, and redevelop TIME zones identified by the zone board and

120 to the zone boards of the TIME zones from which the funds were collected, less the pro  
121 rata portion appropriated by the general assembly to be used solely for the administration  
122 of this section, which shall not exceed ten percent of the total amount collected within the  
123 TIME zones of a zone board. Notwithstanding the provisions of section 33.080 to the  
124 contrary, any moneys remaining in the fund at the end of the biennium shall not revert to  
125 the credit of the general revenue fund. The director of revenue shall invest moneys in the  
126 fund in the same manner as other funds are invested. Any interest and moneys earned on  
127 such investments shall be credited to the fund.

128 11. The zone board shall approve projects consistent with the provisions of this  
129 section that begin construction and disburse any moneys collected under this section. The  
130 zone board shall submit an annual budget for the funds to the department explaining how  
131 and when such moneys will be spent.

132 12. A zone board shall submit an annual report by December thirty-first of each  
133 year to the department and the general assembly. Such report shall include, but shall not  
134 be limited to:

143 overlap the boundaries of an advanced industrial manufacturing zone established pursuant  
144 to section 68.075.

145 14. The department may promulgate rules to implement the provisions of this  
146 section. Any rule or portion of a rule, as that term is defined in section 536.010, that is
