*Be it enacted by the General Assembly of the State of Missouri, as follows:*

Section A. Chapter 190, RSMo, is amended by adding thereto one new  
2 section, to be known as section 190.265, to read as follows:

**190.265. 1. In order to ensure that the skids of a helicopter do  
2 not get caught in a fence or other barriers and cause a potentially  
3 catastrophic outcome, any rules and regulations promulgated by the  
4 department of health and senior services pursuant to sections 190.185,  
5 190.214, and 192.006, chapter 197, or any other provision of Missouri  
6 law shall not require hospitals to have a fence, or other barriers,  
7 around such hospital's helipad. Any regulation requiring fencing, or  
8 other barriers, or any interpretation of such regulation shall be null  
9 and void.**

10 **2. In addition to the prohibition in subsection 1 of this section,  
11 the department shall not promulgate any rules and regulations with  
12 respect to the operation or construction of a helipad located at a  
13 hospital.**

14 **3. Hospitals shall ensure that helipads are free of obstruction  
15 and safe for use by a helicopter while on the ground, during approach,  
16 and takeoff.**

17 **4. As used in this section, the term "hospital" shall have the same  
18 meaning as in section 197.020.**

Section B. Because immediate action may prevent a tragic occurrence  
2 from happening, section A of this act is deemed necessary for the immediate  
3 preservation of the public health, welfare, peace and safety, and is hereby  
4 declared to be an emergency act within the meaning of the constitution, and  
5 section A of this act shall be in full force and effect upon its passage and  
6 approval.
