MONTANA HOUSE OF REPRESENTATIVES

SPONSOR'S REBUTTAL TO FISCAL NOTE

House Bill Number: 345 Date Prepared: 2/3/2013

Short Title: Exclusion from taxable income for medical savings accounts.

Sponsor: Jim Hamilton

Generally, why do you disagree with the fiscal note?

Though mentioned in the note, it should be re-emphasized that this deduction is in place through TY 2023.

Specifically, what in the fiscal note do you feel is flawed?

(Describe specific assumptions, calculations, technical issues, etc.)

The impact to the general fund reflects its elimination and restart. Technically true but actual impact vs the 2023 TY is \emptyset as it is the aim of this bill to continue the existence of the MSA not start a new program

What is your estimate of the fiscal impact?
