## MONTANA HOUSE OF REPRESENTATIVES

### SPONSOR'S REBUTTAL TO FISCAL NOTE

---

House Bill Number: 518

Date Prepared: 2-26-2021

Short Title: Generally revise Flood Plain Delineation

Sponsor: Rep. Denley M. Logo

---

Generally, why do you disagree with the fiscal note?

I Do Agree with Full expenditure  
but the time frame should vary. I would  
see the expenditures would take place After new Lidar  
surveys Are Done

---

Specifically, what in the fiscal note do you feel is flawed?

Just need to spread out the  
time frame of Expenditures over a longer  
period of Time.

---

What is your estimate of the fiscal impact?

The Fiscal impact may be accurate but  
over a longer term.

The long term Fiscal impact on communities  
without this Bill MAY be much greater.
