(3) Funding for the projects in subsection (2) will be provided in the order of priority as long as there are sufficient funds available from the amount that was deposited into the historic preservation grant program account during the biennium beginning July 1, 2021. The funds in this subsection must be awarded for the projects and in amounts not to exceed the amounts set out in subsection (2) subject to the conditions set forth in [section 3]. However, any of the projects listed in subsection (2) that have not completed the conditions described in [section 3(1)] by September 1, 2022, must be reviewed by the next regular legislature to determine if the authorized grant should be withdrawn. Projects requested by a local government must provide a 20% match of the total estimated project costs. Projects requested by other entities must provide a 20% match of the recommended grant amount.

(4) If sufficient funds are available, this section constitutes a valid obligation of funds to the grant

projects listed in subsection (2) for purposes of encumbering the funds in the historic preservation grant program account established in 22-3-1307 for the biennium beginning July 1, 2021, pursuant to 17-7-302. A grant recipient's entitlement to receive funds is dependent on the grant recipient's compliance with the conditions described in [section 3] and on the availability of funds.

(5) The legislature, pursuant to 22-3-1305, authorizes the grants for the projects listed in subsection (2).

(6) Grant recipients must complete all of the conditions described in [section 3(1)] by September 30, 2024, or any obligation to the grant recipient will cease.

Section 2. Approval of grants -- completion of biennial appropriation. (1) The legislature, pursuant to 22-3-1305, authorizes grants for the projects identified in [section 1(2)].

(2) The authorization of these grants completes a biennial appropriation from the historic preservation grant program account established in 22-3-1307.

Section 3. Condition of grants -- disbursement of funds. (1) The disbursement of grant funds for the projects specified in [section 1(2)] is subject to completion of the following conditions:

(a) The grant recipient shall document that other matching funds required for the completion of the project are firmly committed.

(b) The grant recipient must have a project management plan that is approved by the department of commerce.

(c) The grant recipient must be in compliance with the auditing and reporting requirements provided for in 2-7-503 and have established a financial accounting system that the department can reasonably ensure conforms to generally accepted accounting principles. Tribal governments shall comply with auditing and reporting requirements provided for in 2 CFR 200.

(d) The grant recipient shall satisfactorily comply with any conditions described in the application (project) summaries section of the Montana historic preservation grant program 2023 biennium report to the 67th legislature.

(e) The grant recipient shall satisfy other specific requirements considered necessary by the department of commerce to accomplish the purpose of the project as evidenced by the application to the

department.

(f) The grant recipient shall execute a grant agreement with the department of commerce.

(2) Recipients of Montana historic preservation grant program funds are subject to the requirements of the department of commerce as described in the most recent edition of the Montana historic preservation grant program project administration manual adopted by the department through the administrative rulemaking process.

Section 4. Other powers and duties of the department of commerce. (1) The department of commerce must disburse grant funds on a reimbursement basis as grant recipients incur eligible project expenses.

(2) If actual project expenses are lower than the projected expense of the project, the department may, at its discretion reduce the amount of grant funds provided to grant recipients in proportion to all other project funding sources.

Section 5. Notification to tribal governments. The secretary of state shall send a copy of [this act] to each federally recognized tribal government in Montana.

Section 6. Effective date. [This act] is effective July 1, 2021.
