15 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

16
17 **Section 1.** Section 15-30-2110, MCA, is amended to read:

18 **"15-30-2110. Adjusted gross income.** (1) Subject to subsection (13), adjusted gross income is the

23 under federal law;

25 852(b)(5), that are attributable to the interest referred to in subsection (1)(a)(i);

26 (b) refunds received of federal income tax, to the extent that the deduction of the tax resulted in a
27 reduction of Montana income tax liability;

21 the same estate or trust, the difference between the federal taxable distribution and the state taxable distribution
22 of the same estate or trust for the same tax period;

25 is not provided for federal income tax purposes;

26 (p) income of a dependent child that is included in the taxpayer's federal adjusted gross income pursuant

2 (s) the amount of the gain recognized from the sale or exchange of a mobile home park as provided in
3 15-31-163.

4 (3) A shareholder of a DISC that is exempt from the corporation license tax under 15-31-102(1)(l) shall
5 include in the shareholder's adjusted gross income the earnings and profits of the DISC in the same manner as
6 provided by section 995 of the Internal Revenue Code, 26 U.S.C. 995, for all periods for which the DISC election
7 is effective.

8 (4) A taxpayer who, in determining federal adjusted gross income, has reduced the taxpayer's business
9 deductions by an amount for wages and salaries for which a federal tax credit was elected under sections 38 and
10 51(a) of the Internal Revenue Code, 26 U.S.C. 38 and 51(a), is allowed to deduct the amount of the wages and
11 salaries paid regardless of the credit taken. The deduction must be made in the year that the wages and salaries
12 were used to compute the credit. In the case of a partnership or small business corporation, the deduction must
13 be made to determine the amount of income or loss of the partnership or small business corporation.

14 (5) Married taxpayers filing a joint federal return who are required to include part of their social security
15 benefits or part of their tier 1 railroad retirement benefits in federal adjusted gross income may split the federal
16 base used in calculation of federal taxable social security benefits or federal taxable tier 1 railroad retirement
17 benefits when they file separate Montana income tax returns. The federal base must be split equally on the
18 Montana return.

19 (6) Married taxpayers filing a joint federal return who are allowed a capital loss deduction under section
20 1211 of the Internal Revenue Code, 26 U.S.C. 1211, and who file separate Montana income tax returns may
21 claim the same amount of the capital loss deduction that is allowed on the federal return. If the allowable capital
22 loss is clearly attributable to one spouse, the loss must be shown on that spouse's return; otherwise, the loss
23 must be split equally on each return.

24 (7) In the case of passive and rental income losses, married taxpayers filing a joint federal return and
25 who file separate Montana income tax returns are not required to recompute allowable passive losses according
26 to the federal passive activity rules for married taxpayers filing separately under section 469 of the Internal
27 Revenue Code, 26 U.S.C. 469. If the allowable passive loss is clearly attributable to one spouse, the loss must
28 be shown on that spouse's return; otherwise, the loss must be split equally on each return.

29 (8) Married taxpayers filing a joint federal return in which one or both of the taxpayers are allowed a
30 deduction for an individual retirement contribution under section 219 of the Internal Revenue Code, 26 U.S.C.

1 219, and who file separate Montana income tax returns may claim the same amount of the deduction that is
2 allowed on the federal return. The deduction must be attributed to the spouse who made the contribution.

3 (9) (a) Married taxpayers filing a joint federal return who are allowed a deduction for interest paid for a
4 qualified education loan under section 221 of the Internal Revenue Code, 26 U.S.C. 221, and who file separate
5 Montana income tax returns may claim the same amount of the deduction that is allowed on the federal return.
6 The deduction may be split equally on each return or in proportion to each taxpayer's share of federal adjusted
7 gross income.

8 (b) Married taxpayers filing a joint federal return who are allowed a deduction for qualified tuition and
9 related expenses under section 222 of the Internal Revenue Code, 26 U.S.C. 222, and who file separate Montana
10 income tax returns may claim the same amount of the deduction that is allowed on the federal return. The
11 deduction may be split equally on each return or in proportion to each taxpayer's share of federal adjusted gross
12 income.

13 (10) A taxpayer receiving retirement disability benefits who has not attained 65 years of age by the end
14 of the tax year and who has retired as permanently and totally disabled may exclude from adjusted gross income
15 up to \$100 a week received as wages or payments in lieu of wages for a period during which the employee is
16 absent from work due to the disability. If the adjusted gross income before this exclusion exceeds \$15,000, the
17 excess reduces the exclusion by an equal amount. This limitation affects the amount of exclusion, but not the
18 taxpayer's eligibility for the exclusion. If eligible, married individuals shall apply the exclusion separately, but the
19 limitation for income exceeding \$15,000 is determined with respect to the spouses on their combined adjusted
20 gross income. For the purpose of this subsection, "permanently and totally disabled" means unable to engage
21 in any substantial gainful activity by reason of any medically determined physical or mental impairment lasting
22 or expected to last at least 12 months.

23 (11) An individual who contributes to one or more accounts established under the Montana family
24 education savings program may reduce adjusted gross income by the lesser of \$3,000 or the amount of the
25 contribution. In the case of married taxpayers, each spouse is entitled to a reduction, not in excess of \$3,000, for
26 the spouses' contributions to the accounts. Spouses may jointly elect to treat half of the total contributions made
27 by the spouses as being made by each spouse. The reduction in adjusted gross income under this subsection
28 applies only with respect to contributions to an account of which the account owner, as defined in 15-62-103, is
29 the taxpayer, the taxpayer's spouse, or the taxpayer's child or stepchild if the taxpayer's child or stepchild is a
30 Montana resident. The provisions of subsection (1)(e) do not apply with respect to withdrawals of contributions

1 that reduced adjusted gross income.

2 (12) (a) A taxpayer may exclude the amount of the loan payment received pursuant to subsection
3 (12)(a)(iv), not to exceed \$5,000, from the taxpayer's adjusted gross income if the taxpayer:

4 (i) is a health care professional licensed in Montana as provided in Title 37;

5 (ii) is serving a significant portion of a designated geographic area, special population, or facility
6 population in a federally designated health professional shortage area, a medically underserved area or
7 population, or a federal nursing shortage county as determined by the secretary of health and human services
8 or by the governor;

9 (iii) has had a student loan incurred as a result of health-related education; and

10 (iv) has received a loan payment during the tax year made on the taxpayer's behalf by a loan repayment
11 program described in subsection (12)(b) as an incentive to practice in Montana.

12 (b) For the purposes of subsection (12)(a), a loan repayment program includes a federal, state, or
13 qualified private program. A qualified private loan repayment program includes a licensed health care facility, as
14 defined in 50-5-101, that makes student loan payments on behalf of the person who is employed by the facility
15 as a licensed health care professional.

16 (13) Notwithstanding the provisions of subsection (1), adjusted gross income does not include 40% of
17 capital gains on the sale or exchange of capital assets before December 31, 1986, as capital gains are
18 determined under subchapter P. of Chapter 1 of the Internal Revenue Code as it read on December 31, 1986.

19 (14) By November 1 of each year, the department shall multiply the amount of pension and annuity
20 income contained in subsection (2)(c)(i) and the federal adjusted gross income amounts in subsection (2)(c)(ii)
21 by the inflation factor for that tax year, but using the year ~~2009~~ 2011 2012 consumer price index, and rounding
22 the results to the nearest \$10. The resulting amounts are effective for that tax year and must be used as the basis
23 for the exemption determined under subsection (2)(c). (Subsection (2)(f) terminates on occurrence of
24 contingency--sec. 3, Ch. 634, L. 1983; subsection (2)(o) terminates on occurrence of contingency--sec. 9, Ch.
25 262, L. 2001.)"
