11 **Section 1.** Section 82-4-361, MCA, is amended to read:

12 **"82-4-361. Violation -- penalties -- waiver.** (1) When the department has reason to believe that a
13 person is in violation of this part, a rule adopted or an order issued under this part, an administrative deficiency
14 notice, or a term or condition of a permit issued under this part, it shall send a letter of warning or violation letter
15 to the person. The letter of warning or violation letter must describe the provision of the statute, rule, order, or
16 permit alleged to be violated and the facts alleged to constitute the violation. The letter must ~~also~~ recommend
17 corrective actions ~~that are~~ necessary to return to compliance. Issuance of a letter of warning or violation letter
18 under this subsection does not limit the authority of the department under this part to bring a judicial action for
19 penalties or injunctive relief or to initiate an administrative enforcement action.

20 (2) (a) By issuance of an order pursuant to subsection (6), the department may assess an
21 administrative penalty of not less than \$100 or more than \$1,000 for each of the following violations and an
22 additional administrative penalty of not less than \$100 or more than \$1,000 for each day during which the
23 violation continues and may bring an action for an injunction from continuing the violation against:

24 (i) a person or operator who violates a provision of this part, a rule adopted or an order issued
25 under this part, or a term or condition of a permit; or

26 (ii) any director, officer, or agent of a corporation who purposely or knowingly authorizes, orders,
27 or carries out a violation of a provision of this part, a rule adopted or an order issued under this part, or a term
28 or condition of a permit.

1 (b) If the violation created an imminent danger to the health or safety of the public or caused
2 significant environmental harm, the maximum administrative penalty is \$5,000 for each day of violation.

3 (c) This subsection does not limit the authority of the department to bring a judicial action for
4 penalties or injunctive relief prior to or instead of initiating an administrative enforcement action under this part.

5 (3) The department may bring a judicial action seeking a penalty of not more than \$5,000 for a
6 violation listed in subsection (2)(a) and a penalty of not more than \$5,000 for each day that the violation
7 continues.

8 (4) Penalties assessed under this section must be determined in accordance with the penalty
9 factors in 82-4-1001.

10 (5) The department may bring an action for a restraining order or a temporary or permanent
11 injunction against an operator or other person violating or threatening to violate an order issued under this part.

12 (6) (a) In addition to the letter of warning or violation letter sent pursuant to subsection (1), the
13 department may also issue an order if it has credible information that a violation listed in subsection (2) has
14 occurred. The order must specify the provision of the part, rule, order, or permit alleged to be violated and the
15 facts alleged to constitute the violation. The order may require necessary corrective action within a reasonable
16 period of time, may assess an administrative penalty determined in accordance with this section, or both. The
17 order must be served personally or by certified mail.

18 (b) An order issued pursuant to subsection (6)(a) becomes final unless, within 30 days after the
19 order is served, the person to whom the order is issued submits to the board a written request for a hearing
20 stating the reason for the request. Service of the order by mail is complete 3 business days after mailing. If a
21 request for a hearing is submitted, a hearing must be held within a reasonable time under the contested case
22 provisions of the Montana Administrative Procedure Act, Title 2, chapter 4, part 6. After a hearing, the board
23 shall affirm, modify, or rescind the order.

24 (7) Legal actions for penalties or injunctive relief under this section must be brought in the district
25 court of the county in which the alleged violation occurred.

26 (8) For the purposes of this section, "administrative deficiency" means a deficiency in reporting,
27 recordkeeping, fee payment, or notification that the department determines is minor in nature, nonsubstantive,
28 and unlikely to recur."
