19 **Section 2.** Section 15-1-121, MCA, is amended to read:

20 **"15-1-121. Entitlement share payment -- purpose -- appropriation.** (1) As described in 15-1-
21 120(3), each local government is entitled to an annual amount that is the replacement for revenue received by
22 local governments for diminishment of property tax base and various earmarked fees and other revenue that,
23 pursuant to Chapter 574, Laws of 2001, amended by section 4, Chapter 13, Special Laws of August 2002, and
24 later enactments, were consolidated to provide aggregation of certain reimbursements, fees, tax collections,
25 and other revenue in the state treasury with each local government's share. The reimbursement under this
26 section is provided by direct payment from the state treasury rather than the ad hoc system that offset certain
27 state payments with local government collections due the state and reimbursements made by percentage splits,
28 with a local government remitting a portion of collections to the state, retaining a portion, and in some cases

1 sending a portion to other local governments.

2 (2) The sources of dedicated revenue that were relinquished by local governments in exchange for an
3 entitlement share of the state general fund were:

4 (a) personal property tax reimbursements pursuant to sections 167(1) through (5) and 169(6),
5 Chapter 584, Laws of 1999;

6 (b) vehicle, boat, and aircraft taxes and fees pursuant to:

7 (i) Title 23, chapter 2, part 5;

10 (iv) 61-3-317;

11 (v) 61-3-321;

12 (vi) Title 61, chapter 3, part 5, except for 61-3-509(3), as that subsection read prior to the amendment
13 of 61-3-509 in 2001;

14 (vii) Title 61, chapter 3, part 7;

15 (viii) 5% of the fees collected under 61-10-122;

16 (ix) 61-10-130;

17 (x) 61-10-148; and

18 (xi) 67-3-205;

19 (c) gaming revenue pursuant to Title 23, chapter 5, part 6, except for the permit fee in 23-5-612(2)(a);

20 (d) district court fees pursuant to:

21 (i) 25-1-201, except those fees in 25-1-201(1)(d), (1)(g), and (1)(j);

22 (ii) 25-1-202;

23 (iii) 25-9-506; and

24 (iv) 27-9-103;

25 (e) certificate of title fees for manufactured homes pursuant to 15-1-116;

26 (f) financial institution taxes collected pursuant to the former provisions of Title 15, chapter 31, part 7;

27 (g) all beer, liquor, and wine taxes pursuant to:

28 (i) 16-1-404;

- 1 (ii) 16-1-406; and
2 (iii) 16-1-411;
3 (h) late filing fees pursuant to 61-3-220;
4 (i) title and registration fees pursuant to 61-3-203;
5 (j) veterans' cemetery license plate fees pursuant to 61-3-459;
6 (k) county personalized license plate fees pursuant to 61-3-406;
7 (l) special mobile equipment fees pursuant to 61-3-431;
8 (m) single movement permit fees pursuant to 61-4-310;
9 (n) state aeronautics fees pursuant to 67-3-101; and
10 (o) department of natural resources and conservation payments in lieu of taxes pursuant to former
11 Title 77, chapter 1, part 5.

12 (3) Except as provided in subsection (7)(b), the total amount received by each local government in the
13 prior fiscal year as an entitlement share payment under this section is the base component for the subsequent
14 fiscal year distribution, and in each subsequent year the prior year entitlement share payment, including any
15 reimbursement payments received pursuant to subsection (7), is each local government's base component.
16 The sum of all local governments' base components is the fiscal year entitlement share pool.

17 (4) (a) Except as provided in subsections (4)(b)(iv) and (7)(b), the base entitlement share pool must
18 be increased annually by an entitlement share growth rate as provided for in this subsection (4). The amount
19 determined through the application of annual growth rates is the entitlement share pool for each fiscal year.

20 (b) By October 1 of each year, the department shall calculate the growth rate of the entitlement share
21 pool for the next fiscal year in the following manner:

22 (i) The department shall calculate the entitlement share growth rate based on the ratio of two factors
23 of state revenue sources for the first, second, and third most recently completed fiscal years as recorded on the
24 statewide accounting, budgeting, and human resource system. The first factor is the sum of the revenue for the
25 first and second previous completed fiscal years received from the sources referred to in subsections (2)(b),
26 (2)(c), and (2)(g) divided by the sum of the revenue for the second and third previous completed fiscal years
27 received from the same sources multiplied by 0.75. The second factor is the sum of the revenue for the first and
28 second previous completed fiscal years received from individual income tax as provided in Title 15, chapter 30,

1 and corporate income tax as provided in Title 15, chapter 31, divided by the sum of the revenue for the second
 2 and third previous completed fiscal years received from the same sources multiplied by 0.25.

3 (ii) Except as provided in subsections (4)(b)(iii) and (4)(b)(iv), the entitlement share growth rate is the
 4 lesser of:

5 (A) the sum of the first factor plus the second factor; or

6 (B) 1.03 for counties, 1.0325 for consolidated local governments, and 1.035 for cities and towns.

7 (iii) In no instance can the entitlement growth factor be less than 1. Subject to subsection (4)(b)(iv), the
 8 entitlement share growth rate is applied to the most recently completed fiscal year entitlement payment to
 9 determine the subsequent fiscal year payment.

10 (iv) The entitlement share growth rate, as described in this subsection (4), is:

11 (A) for fiscal year 2018, 1.005;

12 (B) for fiscal year 2019, 1.0187;

13 (C) for fiscal year 2020 and thereafter, determined as provided in subsection (4)(b)(ii). The rate must
 14 be applied to the entitlement payment for the previous fiscal year as if the payment had been calculated using
 15 entitlement share growth rates for fiscal years 2018 and 2019 as provided in subsection (4)(b)(ii).

16 (5) As used in this section, "local government" means a county, a consolidated local government, an
 17 incorporated city, and an incorporated town. A local government does not include a tax increment financing
 18 district provided for in subsection (8). The county or consolidated local government is responsible for making an
 19 allocation from the county's or consolidated local government's share of the entitlement share pool to each
 20 special district within the county or consolidated local government in a manner that reasonably reflects each
 21 special district's loss of revenue sources for which reimbursement is provided in this section. The allocation for
 22 each special district that existed in 2002 must be based on the relative proportion of the loss of revenue in
 23 2002.

24 (6) (a) The entitlement share pools calculated in this section, the amounts ~~determined~~ distributed
 25 under ~~45-1-123(2)~~ 15-1-123(4) for local governments, the funding provided for in subsection (8) of this section,
 26 and the amounts ~~determined~~ distributed under ~~45-1-123(3)~~ 15-1-123(6)(5) for tax increment financing districts
 27 are statutorily appropriated, as provided in 17-7-502, from the general fund to the department for distribution to
 28 local governments.

1 (b) (i) The growth amount is the difference between the entitlement share pool in the current fiscal
2 year and the entitlement share pool in the previous fiscal year. The growth factor in the entitlement share must
3 be calculated separately for:

4 (A) counties;

5 (B) consolidated local governments; and

6 (C) incorporated cities and towns.

7 (ii) In each fiscal year, the growth amount for counties must be allocated as follows:

8 (A) 50% of the growth amount must be allocated based upon each county's percentage of the prior
9 fiscal year entitlement share pool for all counties; and

10 (B) 50% of the growth amount must be allocated based upon the percentage that each county's
11 population bears to the state population not residing within consolidated local governments as determined by
12 the latest interim year population estimates from the Montana department of commerce as supplied by the
13 United States bureau of the census.

14 (iii) In each fiscal year, the growth amount for consolidated local governments must be allocated as
15 follows:

16 (A) 50% of the growth amount must be allocated based upon each consolidated local government's
17 percentage of the prior fiscal year entitlement share pool for all consolidated local governments; and

18 (B) 50% of the growth amount must be allocated based upon the percentage that each consolidated
19 local government's population bears to the state's total population residing within consolidated local
20 governments as determined by the latest interim year population estimates from the Montana department of
21 commerce as supplied by the United States bureau of the census.

22 (iv) In each fiscal year, the growth amount for incorporated cities and towns must be allocated as
23 follows:

24 (A) 50% of the growth amount must be allocated based upon each incorporated city's or town's
25 percentage of the prior fiscal year entitlement share pool for all incorporated cities and towns; and

26 (B) 50% of the growth amount must be allocated based upon the percentage that each city's or town's
27 population bears to the state's total population residing within incorporated cities and towns as determined by
28 the latest interim year population estimates from the Montana department of commerce as supplied by the

1 United States bureau of the census.

2 (v) In each fiscal year, the amount of the entitlement share pool before the growth amount or
3 adjustments made under subsection (7) are applied is to be distributed to each local government in the same
4 manner as the entitlement share pool was distributed in the prior fiscal year.

5 (7) (a) If the legislature enacts a reimbursement provision that is to be distributed pursuant to this
6 section, the department shall determine the reimbursement amount as provided in the enactment and add the
7 appropriate amount to the entitlement share distribution under this section. The total entitlement share
8 distributions in a fiscal year, including distributions made pursuant to this subsection, equal the local fiscal year
9 entitlement share pool. The ratio of each local government's distribution from the entitlement share pool must
10 be recomputed to determine each local government's ratio to be used in the subsequent year's distribution
11 determination under subsections (6)(b)(ii)(A), (6)(b)(iii)(A), and (6)(b)(iv)(A).

12 (b) For fiscal year 2018 and thereafter, the growth rate provided for in subsection (4) does not apply
13 to the portion of the entitlement share pool attributable to the ~~reimbursement~~reimbursements provided for in
14 ~~45-1-123(2)~~ 15-1-123(1) and (2). The department shall calculate the portion of the entitlement share pool
15 attributable to the ~~reimbursement~~reimbursements in ~~45-1-123(2)~~ 15-1-123(1) and (2), including the application
16 of the growth rate in previous fiscal years, for counties, consolidated local governments, and cities and, for
17 fiscal year 2018 and thereafter, apply the growth rate for that portion of the entitlement share pool as provided
18 in ~~45-1-123(2)~~ 15-1-123(3).

19 (c) The growth amount resulting from the application of the growth rate in ~~45-1-123(2)~~15-1-123(3)
20 must be allocated as provided in subsections (6)(b)(ii)(A), (6)(b)(iii)(A), and (6)(b)(iv)(A) of this section.

21 (8) (a) Except for a tax increment financing district entitled to a reimbursement under ~~15-1-123(3)(5)~~,
22 if a tax increment financing district was not in existence during the fiscal year ending June 30, 2000, then the
23 tax increment financing district is not entitled to any funding. If a tax increment financing district referred to in
24 subsection (8)(b) terminates, then the funding for the district provided for in subsection (8)(b) terminates.

25 (b) One-half of the payments provided for in this subsection (8)(b) must be made by November 30
26 and the other half by May 31 of each year. Subject to subsection (8)(a), the entitlement share for tax increment
27 financing districts is as follows:

Flathead	Kalispell - District 2	\$4,638
Flathead	Kalispell - District 3	37,231
Flathead	Whitefish District	148,194
Gallatin	Bozeman - downtown	31,158
Missoula	Missoula - 1-1C	225,251
Missoula	Missoula - 4-1C	30,009

1

2 (9) The estimated fiscal year entitlement share pool and any subsequent entitlement share pool for
3 local governments do not include revenue received from tax increment financing districts.

4 (10) When there has been an underpayment of a local government's share of the entitlement share
5 pool, the department shall distribute the difference between the underpayment and the correct amount of the
6 entitlement share. When there has been an overpayment of a local government's entitlement share, the local
7 government shall remit the overpaid amount to the department.

8 (11) A local government may appeal the department's estimation of the base component, the
9 entitlement share growth rate, or a local government's allocation of the entitlement share pool, according to the
10 uniform dispute review procedure in 15-1-211.

11 (12) (a) Except as provided in 2-7-517, a payment required pursuant to this section may not be offset
12 by a debt owed to a state agency by a local government in accordance with Title 17, chapter 4, part 1.

13 (b) A payment required pursuant to this section must be withheld if a local government:

14 (i) fails to meet a deadline established in 2-7-503(1), 7-6-611(2), 7-6-4024(3), or 7-6-4036(1); and
15 (ii) fails to remit any amounts collected on behalf of the state as required by 15-1-504 or as otherwise
16 required by law within 45 days of the end of a month.

17 (c) A payment required pursuant to this section may be withheld if, for more than 90 days, a local
18 government fails to:

19 (i) file a financial report required by 15-1-504;
20 (ii) remit any amounts collected on behalf of the state as required by 15-1-504; or
21 (iii) remit any other amounts owed to the state or another taxing jurisdiction."

1 **Section 3.** Section 15-1-123, MCA, is amended to read:

2 "**15-1-123. Reimbursement for class eight rate reduction and exemption -- distribution --**
3 **appropriations.** (1) ~~For~~ Except as provided in subsection (2), for the tax rate reductions in the former 15-6-
4 138(3), the increased exemption amount in the former 15-6-138(4), the effective tax rate reductions on property
5 under 15-6-145 because of the rate reductions required by the amendments of the former 15-6-138 in section
6 2, Chapter 411, Laws of 2011, and section 2, Chapter 396, Laws of 2013, and the effective tax rate reductions
7 on property under 15-6-145 because of the increased exemption amount required by the amendment of the
8 former 15-6-138 in section 2, Chapter 396, Laws of 2013, the department shall reimburse each local
9 government, as defined in 15-1-121(5), each tax increment financing district, and the 6-mill university levy for
10 the purposes of 15-10-109 the difference between property tax collections under the former 15-6-138 as
11 amended by section 2, Chapter 411, Laws of 2011, and section 2, Chapter 396, Laws of 2013, and under 15-6-
12 145 and the property tax revenue that would have been collected under the former 15-6-138 and 15-6-145 if the
13 former 15-6-138 had not been amended by section 2, Chapter 411, Laws of 2011, and section 2, Chapter 396,
14 Laws of 2013. The difference plus the amount calculated in subsection (2) is the annual reimbursable amount
15 for each local government, each tax increment financing district, and the 6-mill levy for the support of the
16 Montana university system under 15-10-109.

17 (2) For the repeal of the former 15-6-138 provided in [this act], the department shall reimburse each
18 local government, as defined in 15-1-121(5), each school district, each tax increment financing district, and the
19 6-mill university levy for the purposes of 15-10-109 the difference between property tax collections that would
20 have been collected under the former 15-6-138 as amended by section 8, Chapter 361, Laws of 2015, and [this
21 act]. The difference calculated in this subsection is added to the annual reimbursable amount for each local
22 government, each tax increment financing district, and the 6-mill levy for the support of the Montana university
23 system under 15-10-109 calculated in subsection (1).

24 (3) The growth rate applied to the reimbursements is:

25 (a) for the reimbursement calculated pursuant to subsection (1), one-half of the average rate of
26 inflation for the prior 3 years;

16 (c) If an owner or operator fails to perform the contract due to earthquakes or other acts of God, theft,
17 sabotage, acts of war, other social instabilities, or equipment failure, the property tax exemption in subsection
