10
11 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

12
13 NEW SECTION. **Section 1. Alternative to limit on retail beer licenses.** (1) (a) An incorporated city
14 or town may adopt by ordinance or resolution a quota for retail beer licenses within its corporate boundaries that
15 is an alternative to the quota established under 16-4-105.

16 (b) A quota adopted under subsection (1)(a) takes precedence over the quota established in 16-4-105
17 for the incorporated city or town adopting an alternative quota but does not affect a license issued under the quota
18 established in 16-4-105, except as provided in subsection (6).

19 (c) All references and requirements in this chapter related to retail beer licenses for on-premises
20 consumption apply equally to licenses issued under the alternative quota if adopted under this section.

21 (2) (a) Except as provided in subsection (2)(b), the department shall continue to issue licenses available
22 under the quota established under 16-4-105 until that quota is filled. However, an applicant may request a license
23 under the alternative quota adopted under subsection (1)(a).

24 (b) The department may not issue a license, whether new or transferred, for within the boundaries of an
25 incorporated city or town that has established an alternative quota under subsection (1)(a) if the alternative quota
26 is lower than the quota established under 16-4-105.

27 (3) The incorporated city or town shall send to the department by mail or electronically a copy of an
28 ordinance or resolution adopted under subsection (1)(a) and any subsequent amendment to the ordinance or
29 resolution.

30 (4) An adopted or revised alternative quota under subsection (1)(a) goes into effect 6 months after the

1 department receives the notice of adoption or amended resolution or ordinance. The department shall notify the
2 incorporated city or town of the effective date.

3 (5) (a) An applicant for a license under the alternative quota adopted pursuant to subsection (1)(a) is
4 subject to the same application procedures as provided for quotas under 16-4-105.

5 (b) The department shall issue licenses in an alternative quota area adopted pursuant to subsection
6 (1)(a) under the same conditions as for licenses issued in quota areas under 16-4-105, except that a license
7 issued in a quota area established pursuant to subsection (1)(a) may not:

8 (i) be transferred outside the alternative quota area adopted under subsection (1)(a); or

9 (ii) offer gaming under Title 23, chapter 5. The license issued in an alternative quota area subject to
10 subsection (1)(a) must state in a conspicuous manner that the license may not be used on premises where
11 gaming is conducted.

12 (6) (a) After an incorporated city or town adopts an alternative quota under subsection (1)(a), a license
13 held under the quota set by 16-4-105 remains in effect, may offer gaming if allowed under the original license
14 terms, and may be transferred outside of the alternative quota area established pursuant to subsection (1)(a) or
15 within the alternative quota area established pursuant to subsection (1)(a) if the alternative quota established
16 pursuant to subsection (1)(a) is the same or greater than the quota established under 16-4-105.

17 (b) A licensee holding a license under a quota area established under 16-4-105 may not:

18 (i) apply for a license under the alternative quota for a period of 1 year from the date the licensee's
19 license under a quota established under 16-4-105 or 16-4-201 is transferred to a new purchaser. This subsection
20 (6)(b)(i) applies within the boundaries of the incorporated city or town and within areas annexed into the
21 incorporated city or town subsequent to the adoption of an alternative quota under subsection (1)(a).

22 (ii) transfer a license issued under a quota established under 16-4-105 into the boundaries of the
23 incorporated city or town if issuance of the license would exceed the alternative quota under subsection (1)(a).

24 (7) If an incorporated city or town repeals an ordinance or resolution that established an alternative quota
25 under subsection (1)(a), the quota established under 16-4-105 for licenses applies. A license that was in excess
26 of the quota then in effect under 16-4-105 remains valid and is transferable only within the boundaries of the
27 incorporated city or town. New licenses may not be issued in violation of limits set in 16-4-105.

28 (8) A separate ordinance or resolution must be used if an incorporated city or town seeks to adopt a
29 quota under [section 2(1)(a)] and this section.

3 within the alternative quota area established pursuant to subsection (1)(a) if the alternative quota established
4 pursuant to subsection (1)(a) is the same or greater than the quota established under 16-4-201.

5 (b) A licensee holding a license under a quota area established under 16-4-201 may not:

6 (i) apply for a license under the alternative quota for a period of 1 year from the date the licensee's
7 license under a quota established under 16-4-105 or 16-4-201 is transferred to a new purchaser. This subsection
