The secretary of state shall reject the proposed issue if the text or a ballot statement contains material not submitted to the legislative services division that is a substantive change not recommended by the legislative services division. If accepted, the secretary of state shall refer a copy of the proposed issue and statements to the attorney general for a determination as to the legal sufficiency of the issue and for approval of the petitioner's ballot statements and for a determination pursuant to 13-27-312 as to whether a fiscal note is necessary.

PETITION TO PLACE INITIATIVE NO. _____ ON THE ELECTION BALLOT

(a) If 5% of the voters in each of one-half of the counties sign this petition and the total number of voters signing this petition is _____, this initiative will appear on the next general election ballot. If a majority of voters vote for this initiative at that election, it will become law.

(b) We, the undersigned Montana voters, propose that the secretary of state place the following initiative on the _____, 20___, general election ballot:

(Title of initiative written pursuant to 13-27-312)

(Yes and no statements written pursuant to 13-27-312)

(c) Voters are urged to read the complete text of the initiative, which appears (on the reverse side of, attached to, etc., as applicable) this sheet. A signature on this petition is only to put the initiative on the ballot and does not necessarily mean the signer agrees with the initiative.

(d) Voters are advised that either an interim committee or an administrative committee of the legislature in accordance with 5-5-215 or 5-11-105 reviewed the content of this initiative and [did] or [did not] support the placement of the proposed text of this initiative on the ballot. The outcome of the vote was [x] in favor of placing the measure on the ballot and [x] against placing the measure on the ballot.

~~(d)~~(e)

WARNING

A person who purposefully signs a name other than the person's own to this petition, who signs more than once for the same issue at one election, or who signs when not a legally registered Montana voter is subject to a \$500 fine, 6 months in jail, or both.

~~(e)~~(f) Each person is required to sign the person's name and list the person's address or telephone number in substantially the same manner as on the person's voter registration form or the signature will not be

counted.

(2) (a) If the attorney general determines the proposed ballot issue will likely cause significant material harm to one or more business interests in Montana pursuant to 13-27-312(9), the statement in subsection (2)(b) must appear on the front page of the petition form before the information set forth in subsection (1).

(b)

WARNING

The Attorney General of Montana has determined the proposed ballot issue will likely cause significant material harm to one or more business interests in Montana.

~~(2)~~(3) Numbered lines must follow the heading. Each numbered line must contain spaces for the signature, date, residence address, county of residence, and printed last name and first and middle initials of the signer. In place of a residence address, the signer may provide the signer's post-office address or the signer's home telephone number. An address provided on a petition by the signer that differs from the signer's address as shown on the signer's voter registration form may not be used as the only means to disqualify the signature of that petition signer."

Section 6. Section 13-27-312, MCA, is amended to read:

"13-27-312. Review of proposed ballot issue and statements by attorney general -- preparation of fiscal note. (1) Upon receipt of a proposed ballot issue and statements from the office of the secretary of state pursuant to 13-27-202, the attorney general shall examine the proposed ballot issue for legal sufficiency as provided in this section and shall determine whether the ballot statements comply with the requirements of this section.

(2) The attorney general shall, in reviewing the ballot statements, endeavor to seek out parties on both sides of the issue and obtain their advice. The attorney general shall review the ballot statements to determine if they contain the following matters:

(a) a statement of purpose and implication, not to exceed 135 words, explaining the purpose and implication of the issue; and

(b) yes and no statements in the form prescribed in subsection (6).

(3) If the proposed ballot issue has an effect on the revenue, expenditures, or fiscal liability of the state, the attorney general shall order a fiscal note incorporating an estimate of the effect, the substance of which must substantially comply with the provisions of 5-4-205. The budget director, in cooperation with the agency or agencies affected by the ballot issue, is responsible for preparing the fiscal note and shall return it to the attorney general within 10 days. If the fiscal note indicates a fiscal impact, the attorney general shall prepare a fiscal statement of no more than 50 words, and the statement must be used on the petition and ballot if the issue is placed on the ballot.

(4) The ballot statements must express the true and impartial explanation of the proposed ballot issue in plain, easily understood language and may not be arguments or written so as to create prejudice for or against the issue.

(5) Unless altered by the court under 13-27-316, the statement of purpose and implication is the petition title for the issue circulated by the petition and the ballot title if the issue is placed on the ballot.

(6) The yes and no statements must be written so that a positive vote indicates support for the issue and a negative vote indicates opposition to the issue and must be placed beside the diagram provided for marking of the ballot in a manner similar to the following:

YES (insert the type of ballot issue and its number)

NO (insert the type of ballot issue and its number)

(7) The outcome of the vote by an interim committee or an administrative committee required in 13-27-202(5)(c) does not need to be reflected in the statement of purpose and implication, the petition title, or the ballot title if the issue is placed on the ballot.

~~(7)(8)~~ The attorney general shall review the proposed ballot issue for legal sufficiency. As used in this part, "legal sufficiency" means that the petition complies with statutory and constitutional requirements governing submission of the proposed issue to the electors, the substantive legality of the proposed issue if approved by the voters, and whether the proposed issue constitutes an appropriation as set forth in [section 1]. ~~Review of the petition for legal sufficiency does not include consideration of the substantive legality of the issue if approved by the voters.~~ The attorney general shall also determine if the proposed issue conflicts with one or more issues that may appear on the ballot at the same election.

(9) (a) The attorney general shall review the proposed ballot issue as to whether the proposed issue

could cause a regulatory taking under Montana law or otherwise will likely cause significant material harm to one or more business interests in Montana if approved by the voters.

(b) If the attorney general determines the proposed ballot issue will likely cause significant material harm to one or more business interests in Montana, the attorney general shall notify the secretary of state, which must include the finding set forth in 13-27-204(2) on the final form of the petition.

~~(8)(10)~~ (a) Within 30 days after receipt of the proposed issue from the secretary of state, the attorney general shall forward to the secretary of state an opinion as to the issue's legal sufficiency.

(b) If the attorney general determines that the proposed ballot issue is legally sufficient, the attorney general shall also forward to the secretary of state the petitioner's ballot statements that comply with the requirements of this section. If the attorney general determines in writing that a ballot statement clearly does not comply with the requirements of this section, the attorney general shall prepare a statement that complies with the requirements of this section, forward that statement to the secretary of state as the approved statement, and provide a copy to the petitioner. The attorney general shall give the secretary of state notice of whether the proposed issue conflicts with one or more issues that may appear on the ballot at the same election.

(c) If the attorney general determines that the proposed ballot issue is not legally sufficient, the secretary of state may not deliver a sample petition form unless the attorney general's opinion is overruled pursuant to 13-27-316 and the attorney general has approved or prepared ballot statements under this section."

Section 7. Codification instruction. [Section 1] is intended to be codified as an integral part of Title 13, chapter 27, part 2, and the provisions of Title 13, chapter 27, part 2, apply to [section 1].
