NEW SECTION. Section 2. Definitions. As used in [sections 1 through 20], unless the context requires otherwise, the following definitions apply:

(1) "Agreement of distributorship" means a contract, agreement, commercial relationship, license, or other arrangement for a definite or an indefinite period of time between a supplier and a distributor that provides for the sale of beer, table wine, or sacramental wine by the supplier to the distributor.

(2) "Distribute" means to:

(a) deliver beer, table wine, or sacramental wine:

(i) to a retailer's premises licensed to sell beer, table wine, or sacramental wine;

(ii) to a noncontiguous storage area as allowed in 16-3-311(6);

(iii) pursuant to an approved alternative delivery arrangement in [section 16(7)]; and

(iv) to an alternate alcoholic beverage storage facility as allowed in 16-4-213(8); and

(b) to deliver table wine to an agency liquor store.

(3) "Good cause" means failure by a distributor to comply with reasonable business requirements imposed, or sought to be imposed, by a supplier under the terms of an agreement of distributorship if the requirements are imposed on other similarly situated distributors either by the terms of their agreements or in the manner of their enforcement by the supplier.

(4) "Person" means a natural person, corporation, partnership, trust, agency, or other entity and includes individual officers, directors, or other persons in active control of the activities of the entity.

(5) "Supplier" means a brewery, winery, or an importer of beer, table wines, or sacramental wines that enters into or is a party to an agreement of distributorship with a distributor.

NEW SECTION. Section 3. Distributor's license -- fee. (1) A person desiring to sell and distribute beer, table wine, or sacramental wine at wholesale to licensed retailers or table wine to agency liquor stores under the provisions of this code shall apply to the department for a license to do so and shall submit with the application the initial license fee of \$400. The department may issue licenses to qualified applicants in accordance with the provisions of this code.

(2) A distributor's license expires at midnight on June 30 following the date of its issuance.

1 (3) A license fee may not be imposed on distributors by a municipality or any other political  
2 subdivision of the state.

3 (4) The license must be prominently displayed in the distributor's licensed premises at all times.

4 (5) (a) An applicant must have:

5 (i) a fixed place of business;

6 (ii) sufficient capital; and

7 (iii) the facilities, storehouse, and receiving house or warehouse for the receiving, storage,  
8 handling, and moving of beer, table wine, or sacramental wine in large and jobbing quantities for distribution  
9 and sale in original packages to other licensed distributors or licensed retailers.

10 (b) A distributor is entitled to only one license, which must be issued for the distributor's licensed  
11 premises in Montana. A license may be issued for each subwarehouse operated by the distributor. The license  
12 must be prominently displayed at the subwarehouse at all times.

13

14 **NEW SECTION. Section 4. Distributor financial interest in retailers prohibited.** A distributor may  
15 not advance or loan money to or furnish money for or pay for or on behalf of any retailer any license or tax that  
16 may be required to be paid for any retailer. A distributor may not be financially interested, either directly or  
17 indirectly, in the conduct or operation of the business of a retailer. A distributor is considered to have a financial  
18 interest within the meaning of this section if:

19 (1) the distributor owns or holds any interest in or a lien or mortgage against the retailer or the  
20 retailer's premises;

21 (2) the distributor is under a contract with a retailer concerning future purchases or the sale of  
22 merchandise by one from or to the other; or

23 (3) a retailer holds an interest, as a stockholder or otherwise, in the business of the distributor.

24

25 **NEW SECTION. Section 5. Beer agreement of distributorship provisions.** (1) A brewery or beer  
26 importer and distributor must have a written agreement of distributorship that provides for purchase of the  
27 brewery or beer importer's products from the brewery or beer importer by the distributor.

28 (2) A beer agreement of distributorship must provide:

1           (a)       that the brewer or beer importer or any officer, agent, or representative of any brewer or beer  
 2 importer and the distributor involved shall mutually determine the size or extent of the area in which the  
 3 distributor may sell or distribute the products of the brewer or beer importer to the retail licensees. The territory  
 4 must be the territory agreed upon between the distributor and brewer or the distributor and beer importer and  
 5 may not be changed without the mutual consent of both the distributor and brewer or the distributor and beer  
 6 importer.

7           (b)       the agreed-upon brands of the brewer or beer importer to be sold by the distributor;

8           (c)       that the brewer or beer importer recognizes that the distributor is free to manage the  
 9 distributor's business in the manner that the distributor considers best and that this prerogative vests in the  
 10 distributor the exclusive right to establish selling prices, to select the brands that the distributor wishes to  
 11 handle, and to determine the effort and resources that the distributor will exert to develop and promote the sale  
 12 of the brewer's or beer importer's products handled by the distributor;

13          (d)       a procedure for the review of alleged distributor deficiencies asserted by the brewer or beer  
 14 importer to constitute good cause as provided in [section 2] including the submission in writing to the distributor  
 15 by the brewer or beer importer of the deficiencies, if the deficiencies are susceptible of correction and if the  
 16 distributor desires to correct the deficiencies, and that a reasonable period of time must be given the distributor  
 17 for rectification of the deficiencies prior to any notice of intent to terminate;

18          (e)       a termination clause providing that the brewer or beer importer shall deliver, in writing, to the  
 19 distributor a 60-day notice of intent to terminate the agreement, contract, or franchise;

20          (f)       that all agreements between a brewer and a distributor are interpreted and governed by the  
 21 laws of Montana and that those laws must be liberally construed to effectuate the remedial purpose of the  
 22 protections of [sections 1 through 20];

23          (g)       that in any dispute resulting in litigation between a brewer or a beer importer and a distributor,  
 24 the litigation must occur in a Montana court, either federal or state, unless that forum would create an  
 25 unreasonable burden on any party, as determined by the court in which the litigation is commenced; and

26          (h)       that all agreements between a brewer or a beer importer and a distributor must recognize the  
 27 constitutional right to a jury trial as set forth in Article II, section 26, of the Montana constitution.

28

1            **NEW SECTION. Section 6. Table wine agreement of distributorship provisions.** (1) A winery or  
2 wine importer and distributor must have a written agreement of distributorship that provides for purchase of the  
3 winery or wine importer's products from the winery or wine importer by the distributor.

4            (2) A table wine agreement of distributorship must provide that:

5            (a) a winery or wine importer shall notify a distributor in writing at least 60 days prior to termination  
6 of an agreement of distributorship unless a termination without notice is permitted as provided in [section 7].

7 The written notice must state the reasons for termination. Notice of termination is void if within 60 days of the  
8 notice, the distributor rectifies the deficiency stated as the reason for termination and if the deficiency was not  
9 stated as reason for termination in a notice previously voided under the provisions of this subsection (2)(a).

10           (b) a winery or wine importer may not unreasonably withhold or delay approval of a sale or transfer  
11 of the ownership, management, or control of a distributorship. However, a distributor shall give a winery or wine  
12 importer no less than 60 days' prior written notice of any material change in ownership, management, or  
13 control.

14           (3) If a winery or wine importer terminates an agreement of distributorship under the provisions of  
15 subsection (2)(a), the distributor subject to the termination is entitled to compensation for the laid-in cost of  
16 inventory. In the event of any termination of the agreement by the winery or wine importer other than  
17 termination for good cause or for any reason set forth in [section 7(3)], the distributor is entitled to  
18 compensation for the laid-in cost of inventory and to liquidated damages based on the sales of the brand or  
19 brands involved, as may be provided in the agreement. If the winery or wine importer and the distributor are  
20 unable to agree on the amount of liquidated damages, the amount of liquidated damages must be determined  
21 by an arbitrator appointed under subsection (4).

22           (4) If undertaken in good faith by a winery or wine importer, a winery or wine importer may  
23 terminate an agreement of distributorship for a legitimate business reason not within the definition of good  
24 cause if an arbitrator appointed by the department finds, after hearing the winery or wine importer and the  
25 distributor, that the termination is in the best interest of the brands concerned. Arbitration under this section  
26 must be conducted under the provisions of Title 27, chapter 5.

27           (5) All agreements of distributorship are interpreted and governed by the laws of Montana.

28           (6) In any dispute resulting in litigation between a winery or wine importer and a distributor, the

1 litigation must occur in a Montana court, federal or state, unless that forum would create an unreasonable  
2 burden on any party, as determined by the court in which the litigation is commenced.

3 (7) Agreements between a winery or wine importer and a distributor must recognize the  
4 constitutional right to a jury trial as set forth in Article II, section 26, of the Montana constitution.

5 (8) A provision in an agreement of distributorship that is inconsistent with the requirements of this  
6 section is void.

7  
8 **NEW SECTION. Section 7. Winery and wine importer agreement of distributorship provisions.**

9 (1) An agreement of distributorship for a winery or wine importer's product must provide that a distributor shall:

10 (a) maintain the financial and competitive capability to efficiently and effectively distribute a winery  
11 or wine importer's products;

12 (b) maintain the quality and integrity of a winery or wine importer's products in a manner set forth  
13 by the winery or wine importer;

14 (c) exert the distributor's best efforts to sell the winery or wine importer's brands;

15 (d) merchandise the products in retail stores as agreed between the distributor and the winery or  
16 wine importer; and

17 (e) give a winery or wine importer not less than 60 days' written notice of the distributor's intent to  
18 terminate an agreement of distributorship.

19 (2) As provided in [section 6], a winery or wine importer may terminate an agreement of  
20 distributorship based on a deficiency or other good cause by giving 60 days' prior written notice to the  
21 distributor.

22 (3) A winery or wine importer may terminate an agreement of distributorship immediately and  
23 without notice if the reason for the termination is insolvency, assignment for the benefit of creditors, bankruptcy,  
24 or revocation or suspension for more than 14 days of a license to operate that is required by the state or the  
25 federal government.

26  
27 **NEW SECTION. Section 8. Table wine distributor.** (1) A winery or wine importer may appoint one  
28 or more distributors to distribute its table wines in a specified territory. If the winery or wine importer appoints

1 two or more distributors to sell its table wines in the same or overlapping territories, the winery or wine importer  
2 shall offer the same prices, delivery, terms, and promotional support to each distributor.

3 (2) A winery or wine importer may not appoint more than one distributor to distribute its hard cider  
4 in a specified territory.

5 (3) For the purposes of this section, "table wine" has the same meaning as provided in 16-1-106  
6 but does not include hard cider.

7  
8 **NEW SECTION. Section 9. Distributors' service obligations for beer -- applicability.** (1) A  
9 distributor appointed to distribute a brand of beer within a territory specified by agreement pursuant to [section  
10 5] shall call on and offer that brand to at least 75% of the retailers within that territory at least every 3 weeks.  
11 However, if the brand of beer for which the distributor is appointed is a product of a brewer or beer importer  
12 whose products are not generally available, the distributor shall, at least every 3 weeks, call on and offer that  
13 brand to as many retailers within that territory as is reasonably possible given the amount of that brand that is  
14 available to the distributor.

15 (2) If a retailer's account with a distributor is current as required under 16-3-243, the distributor  
16 may not refuse to sell the retailer any generally available brand of beer for which the distributor has been  
17 appointed for the territory in which the retailer is located. The distributor shall offer to deliver the beer to the  
18 retailer at least every 3 weeks.

19 (3) For the purposes of this section, a brewer or beer importer's products are not generally  
20 available if:

21 (a) all of the brands of a brewer or beer importer shipped to a distributor during the most recent  
22 calendar quarter total less than 600 barrels;

23 (b) all of the brands of a brewer or beer importer shipped into the state total less than 1,200 barrels  
24 in each of the 2 consecutive preceding calendar quarters; and

25 (c) all of the brands produced by the brewer at all of its facilities total less than 150,000 barrels per  
26 year.

27 (4) This section applies to all beer distribution agreements entered into, assigned, or amended  
28 after July 1, 1986. It does not apply to a distribution agreement for a named brand entered into before July 1,

1 1986, but does not prohibit a brewer who is a party to an agreement from requiring the appointed distributor to  
2 fulfill similar service obligations in the territory.

3

4 **NEW SECTION. Section 10. Winery or wine importer prohibitions -- illegal acts by brewers or**  
5 **beer importers.** (1) A winery or wine importer or an officer, agent or representative of a winery or wine importer  
6 may not:

7 (a) coerce, induce, or attempt to coerce or induce a distributor to engage in an illegal act or course  
8 of conduct;

9 (b) require a distributor to accept delivery of a product or other item or commodity that was not  
10 ordered by the distributor; or

11 (c) fix or maintain the price at which a distributor shall resell table wine.

12 (2) A brewer or beer importer or an officer, agent, or representative of a brewer or beer importer  
13 may not:

14 (a) coerce, attempt to coerce, or persuade any person licensed to sell beer as a distributor to enter  
15 into any agreement or to take any action that would violate or tend to violate any of the laws of this state or any  
16 rules promulgated by the department;

17 (b) sell its products in the state without a written contract that conforms to the provisions of  
18 [sections 1 through 20] with each appointed licensed distributor;

19 (c) designate or allow more than one distributor to sell or distribute a specific brand of the brewer's  
20 or beer importer's products to retail licensees in the same area, provided that nothing in [sections 1 through 20]  
21 prohibits the brewer or beer importer from designating more than one distributor to sell or distribute different  
22 brands of the same manufacturer to retail licensees in the same area;

23 (d) fix or maintain the price at which a distributor resells the brewer's or beer importer's products.

24 Without limitation, it is a violation of this section if:

25 (i) after a distributor has exceeded a resale price increase recommended by a brewer or beer  
26 importer, the brewer or beer importer raises the price that it charges the distributor for those products within 60  
27 days;

28 (ii) after a distributor has exceeded a resale price increase recommended by a brewer or beer

1 importer, the brewer or beer importer raises the price that it charges the distributor in an amount proportionately  
2 larger than the amount that it raised the distributor's prices initially when compared to the increase in the resale  
3 price that it recommended to the distributor; or

4 (iii) the brewer or beer importer links or ties its participation in promotional discounts to the  
5 distributor's compliance with any recommended resale price.

6 (e) cancel, terminate, discontinue, or fail to renew, except for just cause and in accordance with  
7 the current terms and standards established by the brewer or beer importer then equally applicable to all  
8 distributors, any agreement or contract, written or oral, or the franchise of any wholesaler existing on January 1,  
9 1974, or entered into after that date to sell beer manufactured by the brewer or imported by the beer importer. A  
10 brewer or beer importer may, notwithstanding the preceding sentence, make reasonable classifications among  
11 distributors. If a brewer or beer importer cancels or terminates a distributor's franchise, the brewer or beer  
12 importer has the burden of proving that the classification was reasonable and not arbitrary. The provisions of  
13 [sections 1 through 20] must be a part of any franchise, contract, agreement, or understanding, whether written  
14 or oral, between any distributor of beer licensed to do business in this state and any manufacturer or beer  
15 importer doing business with the licensed distributor just as though the provisions had been specifically agreed  
16 upon between the distributor and the manufacturer or beer importer. A distributor of beer licensed to conduct  
17 business in the state may not waive any of the protections or agree to any provision contrary to [sections 1  
18 through 20] by any conduct, including but not limited to the signing of any contract or agreement with terms  
19 contrary to those provisions.

20 (3) (a) Just cause as used in subsection (2)(e) means that the distributor failed to comply with the  
21 reasonable requirements placed on the distributor by the brewer or beer importer as a part of any written  
22 franchise, contract, or agreement between the parties.

23 (b) The sale or purchase or other restructuring of the brewer or beer importer by a successor in the  
24 manufacturing tier of the beer industry does not constitute just cause as that term is used in subsection (2)(e).

25 (c) For the purposes of this subsection (3), a successor means a person or entity that replaces a  
26 brewer or beer importer with regard to the right to manufacture, sell, distribute, or import a brand or brands of  
27 beer regardless of the character or form of the succession. A successor is obligated to all of the terms and  
28 conditions of any franchise, contract, agreement, or understanding, whether written or oral, in effect on the date

1 of succession. A successor has the right to contractually require its distributor to comply with operational  
2 standards of performance if the standards are uniformly established for all of the successor's distributors and  
3 conform to the requirements of this section.

4

5 NEW SECTION. **Section 11. Transfer of distributor's interest in business.** A distributor may sell  
6 or transfer the business or an interest in the business to any person or to one or more members of the  
7 distributor's family or heirs or legatees, whether the distributor operates as an individual, a partnership, or  
8 corporation. However, the consent of the brewer, beer importer, winery, or wine importer in writing is required  
9 for the transferee to continue as a distributor of the brewer, beer importer, winery, or wine importer. The  
10 consent must consider the personal, financial, and managerial responsibilities and capabilities of the transferee,  
11 and the consent may not unreasonably be withheld.

12

13 NEW SECTION. **Section 12. Contractual or franchise relationship -- existence by actions.** The  
14 doing or accomplishing of any of the following acts constitutes prima facie evidence of a contractual or  
15 franchise relationship between a licensed distributor and a brewer, beer importer, winery, or wine importer  
16 within the intention of [sections 1 through 20]:

17 (1) the shipment, preparation for shipment, or acceptance of any order by any brewer, beer  
18 importer, winery, or wine importer or its agent for any beer, table wine, or sacramental wine to a licensed  
19 distributor within this state; or

20 (2) the payment by any licensed distributor within this state or the acceptance of payment by any  
21 brewer, beer importer, winery, or wine importer or its agent for the shipment of an order of beer, table wine, or  
22 sacramental wine intended for sale within this state.

23

24 NEW SECTION. **Section 13. Distributor agreements filed with department.** Within 60 days after  
25 entering into a new agreement, an exact copy of all agreements, contracts, or franchises between a brewer,  
26 beer importer, winery, or wine importer and a distributor must be filed by the distributor with the department as  
27 a public document and must be available to any of the parties to a dispute. The department, on the instigation  
28 of an action in a court of record, shall file an exact certified copy of the agreement with the court for the court's

1 consideration in determining any matter before it. Any contracts, agreements, or franchises not on record with  
2 the department may not be considered by a court as having any force or effect. The distributor shall notify the  
3 brewer, beer importer, winery, or wine importer of the filing of the agreement with the department.

4

5 NEW SECTION. **Section 14. Beer required to be shipped to distributor.** Except as provided in 16-  
6 3-214 and 16-4-401(9)(e), all beer that is to be distributed in Montana, whether manufactured outside of or  
7 within the state of Montana, must be consigned to and shipped, either directly or via a licensed storage depot,  
8 to a licensed distributor and unloaded into the distributor's warehouse in Montana or subwarehouse in Montana.  
9 A brewer or beer importer shall maintain records of all beer, including the name or kind received, on hand, and  
10 sold. The records may at any time be inspected by a representative of the department. The distributor shall  
11 distribute the beer from the warehouse or subwarehouse and shall keep records at the distributor's licensed  
12 premises of all beer, including the name or kind received, on hand, sold, and distributed. The records may be  
13 inspected by a representative of the department at any time.

14

15 NEW SECTION. **Section 15. Sales by distributor.** (1) A distributor may sell and deliver beer  
16 purchased or acquired by the distributor to another distributor, retailer, or common carrier licensed under this  
17 code.

18 (2) A distributor may sell and deliver table wine and sacramental wine purchased or acquired by  
19 the distributor to another distributor, retailer, or common carrier licensed under this code and to an agency  
20 liquor store.

21

22 NEW SECTION. **Section 16. Dock sales.** (1) Except as provided in subsections (2) through (4), beer  
23 may not be delivered to a licensed retailer at any location other than the retailer's licensed premises,  
24 noncontiguous storage areas under 16-3-311(6), and resort alternate storage facilities under 16-4-213(8).

25 (2) An all-beverages licensee may personally or through an employee obtain from any distributor's  
26 warehouse any quantity of beer as the all-beverages licensee and distributor may agree to buy and sell.

27 (3) Retailers other than an all-beverages licensee may personally or through an employee obtain  
28 from the distributor's warehouse any quantity of beer that the retailer and distributor may agree to buy and sell

1 only within the territory of the distributor in which the retailer is located.

2 (4) Except as provided in subsections (5) through (6), table wine and sacramental wine may not be  
3 delivered to a licensed retailer or liquor store agent at any location other than the retailer's licensed premises,  
4 an agency liquor store, noncontiguous storage areas under 16-3-311(6), or resort alternate storage facilities  
5 under 16-4-213(8).

6 (5) An all-beverages licensee may personally or through an employee obtain from any distributor's  
7 warehouse any quantity of table wine that the all-beverages licensee and distributor may agree to buy and sell.

8 (6) Liquor store agents or retailers other than all-beverages licensees may personally or through  
9 an employee obtain from the distributor's warehouse any quantity of table wine as the agent or retailer and  
10 distributor may agree to buy and sell only within the territory of the distributor in which the agent's liquor store or  
11 retailer is located.

12 (7) When a distributor's trucks and equipment are incapable of delivering beer, table wine, or  
13 sacramental wine to a retail licensee's premises due to the unique physical location of the retail licensee's  
14 premises, examples of which are premises located on an island or atop a mountain, the distributor and retail  
15 licensee may seek prior department approval for an alternative delivery arrangement on a form provided by the  
16 department. If the department approves the alternative delivery arrangement request, the department shall  
17 provide the distributor and the retail licensee a written summary of the conditions of the approved delivery  
18 arrangement. Failure to comply with the approved alternative delivery arrangement may subject the distributor  
19 or retail licensee to administrative action.

20  
21 **NEW SECTION. Section 17. Sales to public by distributor unlawful.** A distributor may not give,  
22 sell, deliver, or distribute any beer, table wine, or sacramental wine purchased or acquired by the distributor to  
23 the public.

24  
25 **NEW SECTION. Section 18. Consumption of beer, table wine, or sacramental wine on**  
26 **distributor's premises unlawful.** A distributor may not sell, serve, or give away any beer, table wine, or  
27 sacramental wine to be consumed on the distributor's premises.

28

1            **NEW SECTION. Section 19. Monthly report of distributor and retailer.** (1) A licensed distributor  
 2 shall, on or before the 15th day of each month, make an exact return to the department of the amount of beer,  
 3 table wine, and sacramental wine purchased or acquired by the distributor during the previous month, the

(b) purchase or acquire table wine from anyone except a liquor store agent or winery or ~~table wine~~ distributor licensed under the provisions of this code;

(d) transport alcoholic beverages from one licensed premises or other facility to any other licensed premises owned by the licensee; or

(e) purchase or acquire liquor from anyone except an agency liquor store.

(2) It is unlawful for a licensed distributor or ~~wholesaler~~ to purchase beer, table wine, or wine from anyone except a brewery, winery, or ~~wholesaler~~ distributor licensed or registered under this code.

(3) It is unlawful for a liquor store agent to purchase table wine or sacramental wine from anyone except a ~~table wine~~ distributor licensed under this code.

(4) It is unlawful for any licensee, a licensee's employee, or any other person to sell, deliver, or give away or cause or permit to be sold, delivered, or given away any alcoholic beverage to:

(a) any person under 21 years of age; or

(b) any person actually, apparently, or obviously intoxicated.

(5) Any person under 21 years of age or any other person who knowingly misrepresents the person's qualifications for the purpose of obtaining an alcoholic beverage from the licensee is equally guilty with the licensee and, on conviction, is subject to the penalty provided in 45-5-624. However, nothing in this section may be construed as authorizing or permitting the sale of an alcoholic beverage to any person in violation of any federal law.

(6) All licensees shall display in a prominent place in their premises a placard, issued by the department, stating fully the consequences for violations of the provisions of this code by persons under 21 years of age.

1           (7)     For purposes of 45-5-623 and this title, the establishment of the following facts by a person

 5 and prudent person would accept that the purchaser was of legal age to purchase alcoholic beverages;

6           (b)     the appearance of the purchaser was such that an ordinary and prudent person would believe  
 7 the purchaser to be of legal age to purchase alcoholic beverages; and

8           (c)     the sale was made in good faith and in reasonable reliance on the representation and  
 9 appearance of the purchaser that the purchaser was of legal age to purchase alcoholic beverages.

10          (8)     A licensed retailer may purchase beer and table wine from a licensed in-state retailer and  
 11 transport the purchased beer and table wine to the licensed retailer's premises. The department may penalize

6 organization from an agency liquor store; or

7 (c) received by the organization as a donation at no cost to the organization from any other person  
8 except one licensed as a ~~wholesaler~~ or distributor under this code.

10 the alcoholic beverages to the organization for the raffle or auction.

11 (6) For a raffle or auction described in subsection (1), raffle tickets may not be sold to, and auction  
12 bids may not be solicited or received from, any person under 21 years of age. The organization raffling or
