BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

- (c) the person's driver's license or privilege to drive is suspended, canceled, or revoked as a result of a prior violation of 61-8-401, 61-8-402, or 61-8-406;
- (d) the person refuses to provide a breath or blood sample as required in 61-8-402 and the person's driver's license or privilege to drive was suspended, canceled, or revoked under 61-8-402 within 10 years of the commission of the present offense; or
- (e) the person has one prior conviction or pending charge for a violation of 45-5-106, 45-5-205, 61-8-401, 61-8-406, or this section within 3 years of the commission of the present offense, or two or more prior convictions or pending charges, or any combination thereof, for violations of 45-5-106, 45-5-205, 61-8-401, 61-8-406, or this section within 7 years of the commission of the present offense.

(2) A person convicted of the offense of aggravated driving under the influence shall be punished by:

- (a) a fine of \$1,000; and
- (b) a term of imprisonment of not more than 1 year, part of which may be suspended, except for the mandatory minimum sentences set forth in 61-8-714.

(3) During the suspended sentence imposed by the court under subsection (2)(b):

- (a) the person is subject to all conditions of the suspended sentence imposed by the court, including

mandatory participation in drug or DUI courts if available;

(b) the person is subject to all conditions of the 24/7 sobriety program if available and if imposed by the court; and

(c) if the person violates any condition of the suspended sentence or any treatment requirement, the court may impose the remainder of any imprisonment term that was imposed and suspended.

(4) Absolute liability, as provided for in 45-2-104, is imposed for a violation of this section.

Section 2. Section 61-8-101, MCA, is amended to read:

"61-8-101. Application -- exceptions. (1) As used in this chapter, "ways of this state open to the public" means any highway, road, alley, lane, parking area, or other public or private place adapted and fitted for public travel that is in common use by the public.

(2) The provisions of this chapter relating to the operation of vehicles refer exclusively to the operation of vehicles upon highways except:

(a) where a different place is specifically referred to in a given section;

(b) the provisions of 61-8-301 and 61-8-401(1)(b), (1)(c), and (2), with regard to operating a vehicle while under the influence of drugs, apply anywhere within this state;

(c) the provisions of 61-8-301 and 61-8-401 except subsections (1)(b), (1)(c), and (2) thereof, ~~and~~ 61-8-402 through 61-8-405, and [section 1], with regard to operating a vehicle while under the influence of alcohol, apply upon all ways of this state open to the public.

(3) The operation of motor vehicles directly across the public roads and highways of this state, especially as required in the transportation of natural resource products, including agricultural products and livestock, shall not be considered to be the operation of such vehicles on the public roads and highways of this state or on ways of this state open to the public, provided that such crossings are adequately marked with warning signs or devices. Such crossings are subject to provisions relating to stopping before entry and to restoration of any damage as may reasonably be prescribed by the state or local agency in control of safety of operation of the public highway involved."

Section 3. Section 61-8-402, MCA, is amended to read:

"61-8-402. Blood or breath tests for alcohol, drugs, or both. (1) A person who operates or is in actual

physical control of a vehicle upon ways of this state open to the public is considered to have given consent to a test or tests of the person's blood or breath for the purpose of determining any measured amount or detected presence of alcohol or drugs in the person's body.

(2) (a) The test or tests must be administered at the direction of a peace officer when:

(i) the officer has reasonable grounds to believe that the person has been driving or has been in actual physical control of a vehicle upon ways of this state open to the public while under the influence of alcohol, drugs, or a combination of the two and the person has been placed under arrest for a violation of 61-8-401 or [section 1];

(ii) the person is under the age of 21 and has been placed under arrest for a violation of 61-8-410; or

(iii) the officer has probable cause to believe that the person was driving or in actual physical control of a vehicle:

(A) in violation of 61-8-401 and the person has been involved in a motor vehicle accident or collision resulting in property damage; or

(B) involved in a motor vehicle accident or collision resulting in serious bodily injury, as defined in 45-2-101, or death; or

(C) in violation of [section 1].

(b) The arresting or investigating officer may designate which test or tests are administered.

(3) A person who is unconscious or who is otherwise in a condition rendering the person incapable of refusal is considered not to have withdrawn the consent provided by subsection (1).

(4) If an arrested person refuses to submit to one or more tests requested and designated by the officer as provided in subsection (2), the refused test or tests may not be given, but the officer shall, on behalf of the department, immediately seize the person's driver's license. The peace officer shall immediately forward the license to the department, along with a report certified under penalty of law stating which of the conditions set forth in subsection (2)(a) provides the basis for the testing request and confirming that the person refused to submit to one or more tests requested and designated by the peace officer. Upon receipt of the report, the department shall suspend the license for the period provided in subsection (6).

(5) Upon seizure of a driver's license, the peace officer shall issue, on behalf of the department, a temporary driving permit, which is effective 12 hours after issuance and is valid for 5 days following the date of issuance, and shall provide the driver with written notice of the license suspension and the right to a hearing

provided in 61-8-403.

(6) (a) Except as provided in subsection (6)(b), the following suspension periods are applicable upon refusal to submit to one or more tests:

(i) upon a first refusal, a suspension of 6 months with no provision for a restricted probationary license;

(ii) upon a second or subsequent refusal within 5 years of a previous refusal, as determined from the records of the department, a suspension of 1 year with no provision for a restricted probationary license.

(b) If a person who refuses to submit to one or more tests under this section is the holder of a commercial driver's license, in addition to any action taken against the driver's noncommercial driving privileges, the department shall:

(i) upon a first refusal, suspend the person's commercial driver's license for a 1-year period; and

(ii) upon a second or subsequent refusal, suspend the person's commercial driver's license for life, subject to department rules adopted to implement federal rules allowing for license reinstatement, if the person is otherwise eligible, upon completion of a minimum suspension period of 10 years. If the person has a prior conviction of a major offense listed in 61-8-802(2) arising from a separate incident, the conviction has the same effect as a previous testing refusal for purposes of this subsection (6)(b).

(7) A nonresident driver's license seized under this section must be sent by the department to the licensing authority of the nonresident's home state with a report of the nonresident's refusal to submit to one or more tests.

(8) The department may recognize the seizure of a license of a tribal member by a peace officer acting under the authority of a tribal government or an order issued by a tribal court suspending, revoking, or reinstating a license or adjudicating a license seizure if the actions are conducted pursuant to tribal law or regulation requiring alcohol or drug testing of motor vehicle operators and the conduct giving rise to the actions occurred within the exterior boundaries of a federally recognized Indian reservation in this state. Action by the department under this subsection is not reviewable under 61-8-403.

(9) A suspension under this section is subject to review as provided in this part.

(10) This section does not apply to blood and breath tests, samples, and analyses used for purposes of medical treatment or care of an injured motorist or related to a lawful seizure for a suspected violation of an offense not in this part."

Section 4. Section 61-8-404, MCA, is amended to read:

"61-8-404. Evidence admissible -- conditions of admissibility. (1) Upon the trial of a criminal action or other proceeding arising out of acts alleged to have been committed by a person in violation of 61-8-401, 61-8-406, 61-8-410, [section 1], or 61-8-805:

(a) evidence of any measured amount or detected presence of alcohol, drugs, or a combination of alcohol and drugs in the person at the time of a test, as shown by an analysis of the person's blood or breath, is admissible. A positive test result does not, in itself, prove that the person was under the influence of a drug or drugs at the time the person was in control of a motor vehicle. A person may not be convicted of a violation of 61-8-401 based upon the presence of a drug or drugs in the person unless some other competent evidence exists that tends to establish that the person was under the influence of a drug or drugs while driving or in actual physical control of a motor vehicle within this state.

(b) a report of the facts and results of one or more tests of a person's blood or breath is admissible in evidence if:

(i) a breath test or preliminary alcohol screening test was performed by a person certified by the forensic sciences division of the department to administer the test;

(ii) a blood sample was analyzed in a laboratory operated or certified by the department or in a laboratory exempt from certification under the rules of the department and the blood was withdrawn from the person by a person competent to do so under 61-8-405(1);

(c) a report of the facts and results of a physical, psychomotor, or physiological assessment of a person is admissible in evidence if it was made by a person trained by the department or by a person who has received training recognized by the department.

(2) If the person under arrest refused to submit to one or more tests as provided in this section, proof of refusal is admissible in any criminal action or proceeding arising out of acts alleged to have been committed while the person was driving or in actual physical control of a vehicle upon the ways of this state open to the public, while under the influence of alcohol, drugs, or a combination of alcohol and drugs. The trier of fact may infer from the refusal that the person was under the influence. The inference is rebuttable.

(3) The provisions of this part do not limit the introduction of any other competent evidence bearing on the question of whether the person was under the influence of alcohol, drugs, or a combination of alcohol and drugs."

Section 5. Section 61-8-409, MCA, is amended to read:

"61-8-409. Preliminary alcohol screening test. (1) A person who operates or is in actual physical control of a vehicle upon ways of this state open to the public is considered to have given consent to a preliminary alcohol screening test of the person's breath, for the purpose of estimating the person's alcohol concentration, upon the request of a peace officer who has a particularized suspicion that the person was driving or in actual physical control of a vehicle upon ways of this state open to the public while under the influence of alcohol or in violation of 61-8-410 or [section 1].

(2) The person's obligation to submit to a test under 61-8-402 is not satisfied by the person submitting to a preliminary alcohol screening test pursuant to this section.

(3) The peace officer shall inform the person of the right to refuse the test and that the refusal to submit to the preliminary alcohol screening test will result in the suspension for up to 1 year of that person's driver's license.

(4) If the person refuses to submit to a test under this section, a test will not be given. However, the refusal is sufficient cause to suspend the person's driver's license as provided in 61-8-402.

(5) A hearing as provided for in 61-8-403 must be available. The issues in the hearing must be limited to determining whether a peace officer had a particularized suspicion that the person was driving or in actual physical control of a vehicle upon ways of this state open to the public while under the influence of alcohol or in violation of 61-8-410 and whether the person refused to submit to the test.

(6) The provisions of 61-8-402(3) through (8) that do not conflict with this section are applicable to refusals under this section. If a person refuses a test requested under 61-8-402 and this section for the same incident, the department may not consider each a separate refusal for purposes of suspension under 61-8-402.

(7) A test may not be conducted or requested under this section unless both the peace officer and the instrument used to conduct the preliminary alcohol screening test have been certified by the department pursuant to rules adopted under the authority of 61-8-405(5)."

Section 6. Section 61-8-714, MCA, is amended to read:

"61-8-714. Penalty for driving under influence of alcohol or drugs -- first through third offense.

(1) Except as provided in subsection (4) or (5), a person convicted of a violation of 61-8-401 shall be punished

At least 48 hours of the imprisonment term must be served and served consecutively and may not be served under home arrest. The imposition or execution of the first 5 days of the imprisonment sentence may not be suspended. Except for the initial 5 days of the imprisonment term, notwithstanding 46-18-201(2), the imprisonment sentence may be suspended for a period of up to 1 year pending successful completion of a chemical dependency treatment program by the person.

At least 48 hours of the imprisonment term must be served and served consecutively and may not be served under home arrest. The imposition or execution of the first 10 days of the imprisonment sentence may not be suspended. The remainder of the imprisonment sentence may be suspended for a period of up to 1 year pending successful completion of a chemical dependency treatment program by the person.

(4) If the person has a prior conviction under 45-5-106, the person shall be punished as provided in 61-8-731 for a fourth or subsequent offense of driving under the influence of alcohol or drugs or with an excessive

alcohol concentration.

(5) If the person has a prior conviction or pending charge for a violation of [section 1], the person shall be punished as provided in [section 1]."

Section 7. Section 61-8-722, MCA, is amended to read:

"61-8-722. Penalty for driving with excessive alcohol concentration -- first through third offense.

(1) Except as provided in subsection (4) or (5), a person convicted of a violation of 61-8-406 shall be punished by imprisonment for not more than 10 days and by a fine of not less than \$300 or more than \$1,000, except that if one or more passengers under 16 years of age were in the vehicle at the time of the offense, the person shall be punished by imprisonment for not more than 20 days and by a fine of not less than \$600 or more than \$2,000.

(2) Except as provided in subsection (4) or (5), on a second conviction of a violation of 61-8-406, the person shall be punished by imprisonment for not less than 5 days, to be served in the county jail and not on home arrest, or more than 30 days and by a fine of not less than \$600 or more than \$1,000, except that if one or more passengers under 16 years of age were in the vehicle at the time of the offense, the person shall be punished by imprisonment for not less than 10 days, which may not be served on home arrest, or more than 60 days and by a fine of not less than \$1,200 or more than \$2,000. The imposition or execution of the first 5 days of the imprisonment sentence may not be suspended.

(3) Except as provided in subsection (4) or (5), on a third conviction of a violation of 61-8-406, the person shall be punished by imprisonment for not less than 10 days, to be served in the county jail and not on home arrest, or more than 6 months and by a fine of not less than \$1,000 or more than \$5,000, except that if one or more passengers under 16 years of age were in the vehicle at the time of the offense, the person shall be punished by imprisonment for not less than 20 days, which may not be served on home arrest, or more than 12 months and by a fine of not less than \$2,000 or more than \$10,000. Section 8. Section 61-8-731, MCA, is amended to read:

"61-8-731. Driving under influence of alcohol or drugs -- driving with excessive alcohol concentration -- penalty for fourth or subsequent offense. The court shall order that if the person successfully completes a residential alcohol treatment program operated or approved by the department of corrections, the remainder of the 13-month sentence must be served on probation. The imposition or execution of the 13-month sentence may not be deferred or suspended, and the person is not eligible for parole.

(b) sentencing the person to either the department of corrections or the Montana state prison or Montana women's prison for a term of not more than 5 years, all of which must be suspended, to run consecutively to the term imposed under subsection (1)(a); and

(4) The court shall, as a condition of probation, order:

Section 9. Section 61-8-734, MCA, is amended to read:

"61-8-734. Driving under influence of alcohol or drugs -- driving with excessive alcohol concentration -- conviction defined -- place of imprisonment -- home arrest -- exceptions -- deferral of

sentence not allowed. (1) (a) For the purpose of determining the number of convictions for prior offenses referred to in [section 1], 61-8-714, 61-8-722, or 61-8-731, "conviction" means a final conviction, as defined in 45-2-101, in this state, conviction for a violation of a similar statute or regulation in another state or on a federally recognized Indian reservation, or a forfeiture of bail or collateral deposited to secure the defendant's appearance in court in this state, in another state, or on a federally recognized Indian reservation, which forfeiture has not been vacated.

(b) An offender is considered to have been previously convicted for the purposes of sentencing if less than 5 years have elapsed between the commission of the present offense and a previous conviction, unless the offense is the offender's fourth or subsequent offense, in which case all previous convictions must be used for sentencing purposes.

(c) A previous conviction under 61-8-714 or 61-8-722 for violation of 61-8-401 or 61-8-406 may be counted for purposes of determining the number of a subsequent conviction for violation of either 61-8-401 or 61-8-406.

(2) Except as provided in 61-8-731, the court may order that a term of imprisonment imposed under 61-8-714, 61-8-722, or 61-8-731 be served in another facility made available by the county and approved by the sentencing court. The defendant, if financially able, shall bear the expense of the imprisonment in the facility. The court may impose restrictions on the defendant's ability to leave the premises of the facility and require that the defendant follow the rules of that facility. The facility may be, but is not required to be, a community-based prerelease center as provided for in 53-1-203. The prerelease center may accept or reject a defendant referred by the sentencing court.

(3) Subject to the limitations set forth in 61-8-714 and 61-8-722 concerning minimum periods of imprisonment, the court may order that a term of imprisonment imposed under either section be served by imprisonment under home arrest, as provided in Title 46, chapter 18, part 10.

(4) A court may not defer imposition of sentence under 61-8-714, 61-8-722, or 61-8-731.

(5) The provisions of 61-2-107, 61-2-302, 61-5-205(2), and 61-5-208(2), relating to suspension of driver's licenses and later reinstatement of driving privileges, apply to any conviction under 61-8-714 or 61-8-722 for a violation of 61-8-401 or 61-8-406."

Section 10. Codification instruction. [Section 1] is intended to be codified as an integral part of Title

61, chapter 8, part 4, and the provisions of Title 61, chapter 8, part 4, apply to [section 1].

Section 11. Coordination instruction. If House Bill No. 106 is not passed and approved, then [section 1(3)(b) of this act] is void.

Section 12. Effective date. [This act] is effective on passage and approval.

Section 13. Applicability -- retroactive applicability. (1) [This act] applies to offenses committed on or after [the effective date of this act].

(2) For the purpose of determining the number of prior refusals to submit to testing under 61-8-402 and of convictions for prior offenses referred to in [section 1], [this act] applies retroactively, within the meaning of 1-2-109, to refusals made and to violations of 45-5-106, 45-5-205, 61-8-401, or 61-8-406 committed prior to [the effective date of this act].
