**BILL ANALYSIS:** The amendment would do the following:

- Provide that municipal elections in the municipalities listed above would be conducted in the even-numbered years, beginning with the 2024 elections. To implement this change, there would be no municipal election in the municipalities listed above in 2023, and the current terms of officers would be increased by one year. Regular municipal elections would resume in 2024 at the same time as the general election.
- For the Town of Tryon, extend the terms of office for the Mayor from two years to four years, beginning in 2024.
- For the Town of Ruth, extend the term of office for the Mayor and Commissioners for the Town of Ruth from two years to four years, beginning in 2024.

**EFFECTIVE DATE:** Effective when it becomes law and applies to elections held on or after that date.

**BACKGROUND:** G.S. 163-279 establishes a statewide default rule for the timing of municipal elections as odd-numbered years.
