39 expense fund of at least one hundred percent (100%) of the current expense appropriations per  
40 student to the school local current expense fund that the county could provide given the county's  
41 wealth and an average effort to fund public schools. A county that maintains a county  
42 appropriation per student to the school local current expense fund of less than one hundred  
43 percent (100%) of the current expense appropriations per student to the school local current  
44 expense fund that the county could provide given the county's wealth and an average effort to  
45 fund public schools shall receive funding under this section at the same percentage that the  
46 county's appropriation per student to the school local current expense fund is of the current

The State Board of Education shall adopt rules to implement the requirements of this subsection.

31 family incomes in excess of seventy-five percent (75%) of median income if those children have  
32 other designated risk factors. Furthermore, any age-eligible child who is a child of either of the  
33 following shall be eligible for the program: (i) an active duty member of the Armed Forces of the  
34 United States, including the North Carolina National Guard, State military forces, or a reserve

40 education agencies and local North Carolina Partnership for Children, Inc., partnerships.

41 Other than developmental disabilities or other chronic health issues, the Division shall  
42 not consider the health of a child as a factor in determining eligibility for participation in the NC  
43 Pre-K program.

44 **SECTION 11B.1.(b)** Multiyear Contracts. – The Division of Child Development  
45 and Early Education shall require the NC Pre-K contractor to issue multiyear contracts for

 22 **CHILD CARE SUBSIDY RATES**

23 **SECTION 11B.2.(a)** The maximum gross annual income for initial eligibility,  
 24 adjusted annually, for subsidized child care services shall be determined based on a percentage  
 25 of the federal poverty level as follows:

26 <b>AGE</b>	27 <b>INCOME PERCENTAGE LEVEL</b>
28 0 – 5	200%
29 6 – 12	133%

30 The eligibility for any child with special needs, including a child who is 13 years of  
 31 age or older, shall be two hundred percent (200%) of the federal poverty level.

32 **SECTION 11B.2.(b)** Fees for families who are required to share in the cost of care  
 33 are established based on ten percent (10%) of gross family income. When care is received at the  
 34 blended rate, the co-payment shall be eighty-three percent (83%) of the full-time co-payment.  
 35 Co-payments for part-time care shall be seventy-five percent (75%) of the full-time co-payment.

36 **SECTION 11B.2.(c)** Payments for the purchase of child care services for  
 37 low-income children shall be in accordance with the following requirements:

- 38 (1) Religious sponsored child care facilities operating pursuant to G.S. 110-106  
 39 and licensed child care centers and homes that meet the minimum licensing  
 40 standards that are participating in the subsidized child care program shall be  
 41 paid the one-star county market rate or the rate they charge privately paying  
 42 parents, whichever is lower, unless prohibited by subsection (f) of this section.
- 43 (2) Licensed child care centers and homes with two or more stars shall receive the  
 44 market rate for that rated license level for that age group or the rate they charge  
 45 privately paying parents, whichever is lower, unless prohibited by subsection  
 46 (g) of this section.
- 47 (3) No payments shall be made for transportation services charged by child care  
 48 facilities.

 be limited to a maximum of 20 months of enrollment.

- 1 (5) The Department of Health and Human Services shall implement necessary

3 benefits to employment.

4 **SECTION 11B.2.(d)** Provisions of payment rates for child care providers in counties  
5 that do not have at least 50 children in each age group for center-based and home-based care are  
6 as follows:

- 7 (1) Except as applicable in subdivision (2) of this subsection, payment rates shall  
8 be set at the statewide or regional market rate for licensed child care centers  
9 and homes.
- 10 (2) If it can be demonstrated that the application of the statewide or regional  
11 market rate to a county with fewer than 50 children in each age group is lower  
12 than the county market rate and would inhibit the ability of the county to  
13 purchase child care for low-income children, then the county market rate may  
14 be applied.

15 **SECTION 11B.2.(e)** A market rate shall be calculated for child care centers and  
16 homes at each rated license level for each county and for each age group or age category of  
17 enrollees and shall be representative of fees charged to parents for each age group of enrollees  
18 within the county. The Division of Child Development and Early Education shall also calculate  
19 a statewide rate and regional market rate for each rated license level for each age category.

20 **SECTION 11B.2.(f)** The Division of Child Development and Early Education shall  
21 continue implementing policies that improve the quality of child care for subsidized children,  
22 including a policy in which child care subsidies are paid, to the extent possible, for child care in  
23 the higher quality centers and homes only. The Division shall define higher quality, and subsidy  
24 funds shall not be paid for one- or two-star rated facilities. For those counties with an inadequate  
25 number of four- and five-star rated facilities, the Division shall continue a transition period that  
26 allows the facilities to continue to receive subsidy funds while the facilities work on the increased  
27 star ratings. The Division may allow exemptions in counties where there is an inadequate number  
28 of four- and five-star rated facilities for non-star rated programs, such as religious programs.

29 **SECTION 11B.2.(g)** Facilities licensed pursuant to Article 7 of Chapter 110 of the  
30 General Statutes and facilities operated pursuant to G.S. 110-106 may participate in the program  
31 that provides for the purchase of care in child care facilities for minor children of needy families.  
32 Except as authorized by subsection (f) of this section, no separate licensing requirements shall  
33 be used to select facilities to participate. In addition, child care facilities shall be required to meet  
34 any additional applicable requirements of federal law or regulations. Child care arrangements  
35 exempt from State regulation pursuant to Article 7 of Chapter 110 of the General Statutes shall  
36 meet the requirements established by other State law and by the Social Services Commission.

37 County departments of social services or other local contracting agencies shall not  
38 use a provider's failure to comply with requirements in addition to those specified in this  
39 subsection as a condition for reducing the provider's subsidized child care rate.

40 **SECTION 11B.2.(h)** Payment for subsidized child care services provided with  
41 Temporary Assistance for Needy Families Block Grant funds shall comply with all regulations  
42 and policies issued by the Division of Child Development and Early Education for the subsidized  
43 child care program.

44 **SECTION 11B.2.(i)** Noncitizen families who reside in this State legally shall be  
45 eligible for child care subsidies if all other conditions of eligibility are met. If all other conditions  
46 of eligibility are met, noncitizen families who reside in this State illegally shall be eligible for  
47 child care subsidies only if at least one of the following conditions is met:

- 48 (1) The child for whom a child care subsidy is sought is receiving child protective  
49 services or foster care services.
- 50 (2) The child for whom a child care subsidy is sought is developmentally delayed  
51 or at risk of being developmentally delayed.

- 1 (3) The child for whom a child care subsidy is sought is a citizen of the United  
2 States.

3 **SECTION 11B.2.(j)** The Department of Health and Human Services, Division of  
4 Child Development and Early Education, shall require all county departments of social services  
5 to include on any forms used to determine eligibility for child care subsidy whether the family  
6 waiting for subsidy is receiving assistance through the NC Pre-K Program or Head Start.

7 **SECTION 11B.2.(k)** Department of Defense-certified child care facilities licensed  
8 pursuant to G.S. 110-106.2 may participate in the State-subsidized child care program that  
9 provides for the purchase of care in child care facilities for minor children in needy families,  
10 provided that funds allocated from the State-subsidized child care program to Department of  
11 Defense-certified child care facilities shall supplement and not supplant funds allocated in  
12 accordance with G.S. 143B-168.15(g). Payment rates and fees for military families who choose  
13 Department of Defense-certified child care facilities and who are eligible to receive subsidized  
14 child care shall be as set forth in this section.

### 15 16 **CHILD CARE ALLOCATION FORMULA**

17 **SECTION 11B.3.(a)** The Department of Health and Human Services, Division of  
18 Child Development and Early Education (Division), shall allocate child care subsidy voucher  
19 funds to pay the costs of necessary child care for minor children of needy families. The  
20 mandatory thirty percent (30%) North Carolina Partnership for Children, Inc., subsidy allocation  
21 under G.S. 143B-168.15(g) shall constitute the base amount for each county's child care subsidy  
22 allocation. The Department of Health and Human Services shall use the following method when  
23 allocating federal and State child care funds, not including the aggregate mandatory thirty percent  
24 (30%) North Carolina Partnership for Children, Inc., subsidy allocation:

- 25 (1) Funds shall be allocated to a county based upon the projected cost of serving  
26 children under age 11 in families with all parents working who earn less than  
27 the applicable federal poverty level percentage set forth in Section 11B.2(a)  
28 of this act.
- 29 (2) The Division may withhold up to two percent (2%) of available funds from  
30 the allocation formula for (i) preventing termination of services throughout  
31 the fiscal year and (ii) repayment of any federal funds identified by counties  
32 as overpayments, including overpayments due to fraud. The Division shall  
33 allocate to counties any funds withheld before the end of the fiscal year when  
34 the Division determines the funds are not needed for the purposes described  
35 in this subdivision. The Division shall submit a report to the Joint Legislative  
36 Oversight Committee on Health and Human Services and the Fiscal Research  
37 Division, which report shall include each of the following:
- 38 a. The amount of funds used for preventing termination of services and  
39 the repayment of any federal funds.
  - 40 b. The date the remaining funds were distributed to counties.
  - 41 c. As a result of funds withheld under this subdivision and after funds  
42 have been distributed, any counties that did not receive at least the

44 which funds were decreased.

45 The Division shall submit a report in each year of the 2019-2021 fiscal biennium 30  
46 days after the funds withheld pursuant to this subdivision are distributed but no later than April  
47 1 of each respective year.

- 48 (3) The Division shall set aside four percent (4%) of child care subsidy allocations  
49 for vulnerable populations, which include a child identified as having special  
50 needs and a child whose application for assistance indicates that the child and  
51 the child's family is experiencing homelessness or is in a temporary living

1 situation. A child identified by this subdivision shall be given priority for  
2 receiving services until such time as set-aside allocations for vulnerable  
3 populations are exhausted.

4 **SECTION 11B.3.(b)** The Division may reallocate unused child care subsidy voucher  
5 funds in order to meet the child care needs of low-income families. Any reallocation of funds  
6 shall be based upon the expenditures of all child care subsidy voucher funding, including North  
7 Carolina Partnership for Children, Inc., funds within a county. Counties shall manage service  
8 levels within the funds allocated to the counties. A county with a spending coefficient over one  
9 hundred percent (100%) shall submit a plan to the Division for managing the county's allocation  
10 before receiving any reallocated funds.

11 **SECTION 11B.3.(c)** When implementing the formula under subsection (a) of this  
12 section, the Department shall do the following:

- 13 (1) Implement the final one-third change in a county's allocation beginning fiscal  
14 year 2020-2021. A county's initial allocation shall be the county's expenditure  
15 in the previous fiscal year or a prorated share of the county's previous fiscal  
16 year expenditures if sufficient funds are not available.
- 17 (2) Effective immediately following the next new decennial census data release,  
18 implement (i) one-third of the change in a county's allocation in the year  
19 following the data release, (ii) an additional one-third of the change in a  
20 county's allocation beginning two years after the initial change under this  
21 subdivision, and (iii) the final one-third change in a county's allocation  
22 beginning the following two years thereafter.

38 on an average statewide basis for all local partnerships, not more than eight percent (8%) of the  
39 total statewide allocation to all local partnerships. For purposes of this subsection, administrative  
40 costs shall include costs associated with partnership oversight, business and financial  
41 management, general accounting, human resources, budgeting, purchasing, contracting, and  
42 information systems management. The North Carolina Partnership for Children, Inc., shall  
43 continue using a single statewide contract management system that incorporates features of the  
44 required standard fiscal accountability plan described in G.S. 143B-168.12(a)(4). All local

46 North Carolina Partnership for Children, Inc., to collaborate, to the fullest extent possible, with  
47 other local partnerships to increase efficiency and effectiveness.

48 **SECTION 11B.4.(c)** Salaries. – The salary schedule developed and implemented by  
49 the North Carolina Partnership for Children, Inc., shall set the maximum amount of State funds  
50 that may be used for the salary of the Executive Director of the North Carolina Partnership for

1 Children, Inc., and the directors of the local partnerships. The North Carolina Partnership for

- 5 (3) The amount of total funds administered.
- 6 (4) The professional experience of the individual to be compensated.
- 7 (5) Any other relevant factors pertaining to salary, as determined by the North  
8 Carolina Partnership for Children, Inc.

9 The salary schedule shall be used only to determine the maximum amount of State  
10 funds that may be used for compensation. Nothing in this subsection shall be construed to prohibit  
11 a local partnership from using non-State funds to supplement an individual's salary in excess of  
12 the amount set by the salary schedule established under this subsection.

13 **SECTION 11B.4.(d) Match Requirements.** – The North Carolina Partnership for  
14 Children, Inc., and all local partnerships shall, in the aggregate, be required to match one hundred

16 biennium. Of the funds the North Carolina Partnership for Children, Inc., and the local  
17 partnerships are required to match, contributions of cash shall be equal to at least thirteen percent  
18 (13%) and in-kind donated resources shall be equal to no more than six percent (6%) for a total  
19 match requirement of nineteen percent (19%) for each year of the 2019-2021 fiscal biennium.  
20 The North Carolina Partnership for Children, Inc., may carry forward any amount in excess of  
21 the required match for a fiscal year in order to meet the match requirement of the succeeding  
22 fiscal year. Only in-kind contributions that are quantifiable shall be applied to the in-kind match  
23 requirement. Volunteer services may be treated as an in-kind contribution for the purpose of the  
24 match requirement of this subsection. Volunteer services that qualify as professional services  
25 shall be valued at the fair market value of those services. All other volunteer service hours shall  
26 be valued at the statewide average wage rate as calculated from data compiled by the Division of

29 including both those paid by cash and in-kind contributions, incurred by other participating

31 partnerships also may be considered resources available to meet the required private match. In  
32 order to qualify to meet the required private match, the expenses shall:

- 33 (1) Be verifiable from the contractor's records.

47 Failure to obtain a nineteen-percent (19%) match by June 30 of each year of the  
48 2019-2021 fiscal biennium shall result in a dollar-for-dollar reduction in the appropriation for the  
49 Program for a subsequent fiscal year. The North Carolina Partnership for Children, Inc., shall be  
50 responsible for compiling information on the private cash and in-kind contributions into a report  
51 that is submitted to the Joint Legislative Oversight Committee on Health and Human Services in

2 shall apply to any expansion funds appropriated by the General Assembly.

17 2012-2013 funding level.

18 **SECTION 11B.4.(g)** Performance-Based Evaluation. – The Department of Health  
19 and Human Services shall continue to implement the performance-based evaluation system.

20 **SECTION 11B.4.(h)** Expenditure Restrictions. – The Department of Health and  
21 Human Services and the North Carolina Partnership for Children, Inc., shall ensure that the  
22 allocation of funds for Early Childhood Education and Development Initiatives for the  
23 2019-2021 fiscal biennium shall be administered and distributed in the following manner:

29 except to the applicant as provided in subsection (c) of this section. For purposes of this  
30 subsection, the term "private entity" means a business regularly engaged in conducting criminal  
31 history record checks utilizing public records obtained from a State agency.

32 (b1) Sex Offender and Responsible Individuals List Checks. – If the provider licensed

34 then the offer of employment by the provider to an applicant to fill a position that does not require  
35 the applicant to have an occupational license is conditioned on a check of the North Carolina Sex  
36 Offender Registry and consent to a check of the North Carolina Responsible Individuals List. If  
37 the applicant has been a resident of this State for less than five years, then the offer of employment  
38 is conditioned on consent to a check of the North Carolina Responsible Individuals List and the  
39 abuse and neglect registry of any other state where the applicant has resided for the preceding  
40 five years.

46 authorize or maintain the same level of services for any specific individual whose services were  
47

1 paid for with single-stream funding. Further, this requirement shall not be construed to create a  
2 private right of action for any person or entity against the State of North Carolina or the

20 then the Department of Health and Human Services, Division of Health Benefits (DHB), may  
21 transfer to the DMH/DD/SAS funds not to exceed the amount of the certified surplus or thirty  
22 million dollars (\$30,000,000), whichever is less.

23 If, on or after June 1, 2021, the OSBM certifies a Medicaid budget surplus in funds  
24 1310, 1311, and 1312 and sufficient cash in Budget Code 14445 to meet total obligations for  
25 fiscal year 2020-2021, then the DHB may transfer to the DMH/DD/SAS funds not to exceed the

46 purchasing these local inpatient psychiatric beds or bed days based on acuity level with an  
47 enhanced rate of payment for inpatient psychiatric beds or bed days for individuals with higher  
48 acuity levels, as defined by the Department. The enhanced rate of payment for inpatient  
49 psychiatric beds or bed days for individuals with higher acuity levels shall not exceed the lowest

51 discretion of the Secretary of Health and Human Services, existing funds allocated to

1 LME/MCOs for community-based mental health, developmental disabilities, and substance

7 **SECTION 11H.9.(g)** Chapter 108D of the General Statutes is amended by adding a  
8 new section to read:

9 **"§ 108D-4. Disenrollment from Prepaid Health Plans.**

10 (a) Generally. – An enrollee, or authorized representative, may submit an oral or written  
11 request for disenrollment from the PHP to the enrollment broker. A PHP may submit a written  
12 request for disenrollment of an enrollee from the PHP in accordance with subsection (d) of this  
13 section. Nothing in this section shall be construed to exclude a Medicaid or NC Health Choice  
14 beneficiary who is otherwise required to enroll in the Managed Care program pursuant to Session  
15 Law 2015-245, as amended, from enrolling in a PHP or to require a beneficiary who is otherwise  
16 exempt from enrollment in the Managed Care program from disenrolling from a PHP and  
17 receiving services through the Fee-For-Service program.

18 (b) Without Cause Requests for Disenrollment. – Enrollees who are (i) enrolled in the  
19 foster care system, (ii) enrolled in Medicaid under the former foster care eligibility category, (iii)  
20 receiving Title IV-E Adoption Assistance, (iv) members of federally recognized tribes, or (v)  
21 receiving long-term services and supports in institutional or community-based settings may  
22 disenroll from a PHP without cause at any time. All other enrollees may only disenroll from a  
23 PHP without cause at the following times:

24 (1) As specified in 42 C.F.R. § 438.56(c)(2).

25 (2) If an enrollee does not receive a timely eligibility decision at annual  
26 redetermination, during the period when the redetermination decision is  
27 delayed.

28 (c) With Cause Requests for Disenrollment. – An enrollee, or authorized representative,  
29 may submit a with cause request to disenroll from a PHP at any time. The following shall  
30 constitute with cause reasons for disenrollment from a PHP:

31 (1) The enrollee moves out of the PHP's service region.

32 (2) The PHP does not, because of moral or religious objections, cover the service  
33 the enrollee seeks.

34 (3) The enrollee needs concurrent, related services that are not all available within  
35 the PHP's provider network, and the enrollee's provider determines receiving  
36 services separately would subject the enrollee to unnecessary risk.

37 (4) For enrollees that use long-term services and supports, the enrollee would  
38 have to change their residential, institutional, or employment supports  
39 provider based on that provider's change in status from an in-network to an  
40 out-of-network provider with the PHP and, as a result, would experience a  
41 disruption in their residence or employment.

42 (5) The enrollee's complex medical conditions would be better served under a  
43 different PHP or different Medicaid delivery system. For purposes of this  
44 section, an enrollee is considered to have a "complex medical condition" if the  
45 condition could seriously jeopardize the enrollee's life or health or ability to  
46 attain, maintain, or regain maximum function.

47 (6) A family member becomes newly eligible or redetermined eligible and is  
48 enrolled in or chooses a different PHP.

49 (7) Poor performance by the PHP, as determined by the Department, after  
50 evaluation of PHP performance.

1           (8) Other reasons, including poor quality of care, lack of access to covered  
2           services, or lack of access to providers experienced in dealing with the  
3           enrollee's health care needs.

4           (d) PHP Requests for Disenrollment. – A PHP shall not request disenrollment of an  
5           enrollee for any reason prohibited by 42 C.F.R. § 438.56(b)(2). PHPs may request disenrollment  
6           of an enrollee only if:

7           (1) The enrollee's behavior seriously hinders the PHP's ability to care for the  
8           enrollee or other enrollees of the PHP; and

9           (2) The PHP has documented efforts to resolve the issues that form the basis of  
10           the request for disenrollment with the enrollee.

11           (e) Expedited Requests for Disenrollment. – Enrollees, or authorized representatives,  
12           may submit an expedited request for disenrollment when the enrollee has an urgent medical need  
13           that requires disenrollment from the PHP. For purposes of this subsection, an urgent medical  
14           need means that continued enrollment in the PHP could jeopardize the enrollee's life, physical or  
15           mental health, or ability to attain, maintain, or regain maximum function. The Department shall  
16           issue a written notice approving or denying an expedited request within three days of receipt of  
17           the request.

18           (f) Notice. – Within seven days of filing the disenrollment request, the enrollee and all  
19           other affected parties shall receive a written notice of resolution approving or denying the request,  
20           except for expedited disenrollment requests which shall be governed by subsection (e) of this  
21           section. In the same mailing as the notice of resolution, the enrollee will be provided an appeal  
22           request form that complies with G.S. 108D-15(f), except that the timeframe for an enrollee to file  
23           an appeal shall be governed by subsection (g) of this section.

24           (g) Appeals. – Enrollees, or authorized representatives, dissatisfied with an adverse  
25           disenrollment decision may file an appeal for a hearing with the Office of Administrative  
26           Hearings within 30 days of the date on the notice of resolution. A request for a hearing to appeal  
27           an adverse disenrollment determination of the Department under this section is a contested case  
28           subject to the provisions of Article 3 of Chapter 150B of the General Statutes. Notwithstanding  
29           any other provision of law to the contrary, an appeal by a Medicaid or NC Health Choice enrollee  
30           of an adverse disenrollment determination shall be governed by the provisions of this section and  
31           G.S. 108A-70.9B.

32           (h) Jurisdiction of the Office of Administrative Hearings. – The Office of Administrative  
33           Hearings does not have jurisdiction over a dispute concerning an adverse disenrollment  
34           determination, except as expressly set forth in this section and G.S. 108A-70.9B.

35           (i) Parties. – The Department shall be the respondent for purposes of this appeal.

36           (j) Nothing in this section shall be construed to limit or prevent the Department from  
37           disenrolling an enrollee from a PHP."

38           **SECTION 11H.9.(h)** Chapter 108D of the General Statutes is amended by adding a  
39 new section to read:

40           **"§ 108D-11A. Review of NC Health Choice enrollee health services decisions.**

41           (a) Review of Health Services Decisions Made by a PHP. – In accordance with 42 C.F.R.  
42           §§ 457.1260 and 457.1130(b), a NC Health Choice beneficiary enrolled in a PHP may seek  
43           review of any delay, denial, reduction, suspension, or termination of health services, in whole or  
44           in part, including a determination about the type or level of services in accordance with the  
45           provisions of this Chapter or any decision under NC Health Choice that meets the definition of  
46           an adverse benefit determination as defined by 42 C.F.R. § 438.400(b). Nothing in this Chapter  
47           shall be construed to grant a NC Health Choice enrollee benefits in excess of what is required by  
48           G.S. 108A-70.21.

49           (b) Review of Health Services Decisions Pursuant to Programmatic Changes. –  
50           Notwithstanding subsection (a) of this section and in accordance with 42 C.F.R. § 457.1130(c),  
51           the appeals process set forth in this Chapter shall not apply to instances in which the sole basis

1 for the PHP's decision is a provision in the State plan or in federal or State law requiring an  
 2 automatic change in coverage under the health benefits package that affects all enrollees or a  
 3 group of enrollees without regard to their individual circumstances."

4 **SECTION 11H.9.(i)** G.S. 108D-11 is recodified as G.S. 108D-11B and reads as  
 5 rewritten:

6 "**§ 108D-11B. LME/MCO and PHP grievance and appeal procedures, generally.**

24 of this section. The Department shall provide a new sample to the  
25 provider within 30 days from the date of receipt of a provider's request.

28 provider's failure to provide the results of the second audit within the  
29 specified time frame will result in the dismissal of the provider's  
30 challenge, and the provider shall not have any further right to appeal  
31 to the Office of Administrative Hearings or any other court.

32 (3) The results of an audit conducted by the provider pursuant to this subsection

45 ~~tentative audit results to provide additional documentation not provided to the Department during~~  
46 ~~any audit.~~

47 (p1) If the provider elects to appeal the Department's decision to the Office of  
48 Administrative Hearings, the provider shall have 45 days from the date the appeal is filed to

50 the findings of the audit. The Department shall not review, and the Office of Administrative  
51 Hearings shall not admit into evidence, any materials submitted after the 45-day deadline.

1 (q) Except as required by federal agency, law, or regulation, or instances of credible  
2 allegation of fraud, the provider shall be subject to audits which result in the extrapolation of  
3 ~~results for a time period of up to 36 months from date of payment of a provider's claim results.~~  
4 An audit that results in extrapolation must be initiated via notice of the audit to the provider  
5 within 36 months after the date of payment of the provider's claim. No extrapolated audit shall  
6 include claims that were paid more than 36 months prior to the date of the notice of the audit.

 23 subject to an additional assessment under this Section.

 25 calculate quarterly the rate of the assessment by dividing the total nonfederal share of service and  
 26 administrative costs of expanding Medicaid coverage to individuals at or below one hundred  
 27 thirty-eight percent (138%) of the federal poverty level, minus any revenue collected from  
 28 premium taxes on prepaid health plan coverage for individuals in the coverage gap by the

 30 Carolina. Such rate shall apply equally to inpatient and outpatient costs. The Secretary shall  
 31 notify each hospital that is assessed of the following:

35 (2) The rate of the assessment.

36 (3) The amount assessed to the hospital.

37 (c) Appeal. – A hospital may appeal an assessment determination through a

 39 to pay an assessment amount when due.

40 (d) Adjustments to assessment. – To the extent that the amount collected under this  
 41 section is above or below the amounts needed to fund the service and administrative costs of

 43 of the federal poverty level, the assessment for the future quarter shall be adjusted to account for  
 44 any overage or shortfall.

 47 corresponding matching federal funds must be used to make the State annual Medicaid payment  
 48 to the State and the Medicaid equity payments and UPL payments to hospitals to fund payments  
 49 to hospitals made directly by the Department and to fund a portion of capitation payments to  
 50 Prepaid Health Plans attributable to hospital care and to fund the nonfederal share of any  
 51 expenditures associated with expanding Medicaid coverage to individuals at or below one

1 hundred thirty-eight (138%) of the federal poverty level and to fund the nonfederal share of  
2 Graduate Medical Education payments.

4 ~~quarterly assessment imposed under G.S. 108A-123, the Secretary must do the following:~~

5 (1) ~~Pay to each hospital that has paid its equity assessment for the respective~~  
6 ~~quarter twenty five percent (25%) of its Medicaid equity payment amount. A~~  
7 ~~hospital's Medicaid equity payment amount is the sum of the hospital's~~  
8 ~~Medicaid inpatient and outpatient deficits after calculating all other Medicaid~~  
9 ~~payments, excluding disproportionate share hospital payments and the UPL~~  
10 ~~payment remitted to the hospital under subdivision (2) of this subsection.~~

11 (2) ~~Pay to the primary affiliated teaching hospital for the East Carolina University~~  
12 ~~Brody School of Medicine, to the critical access hospitals, and to each hospital~~

15 ~~section.~~

16 (3) ~~Pay to the primary affiliated teaching hospital for the East Carolina University~~  
17 ~~Brody School of Medicine, to the critical access hospitals, and to each hospital~~  
18 ~~that has paid its UPL assessment for the respective quarter twenty five percent~~  
19 ~~(25%) of its UPL payment amount, as determined under subsection (c) of this~~  
20 ~~section.~~

21 (c) ~~UPL Payment Amount.—The aggregate UPL payments made to eligible hospitals~~  
22 ~~that are public hospitals is the sum of the UPL gaps for all public hospitals. The aggregate UPL~~  
23 ~~payments made to eligible hospitals that are not public hospitals is the sum of the UPL gaps for~~  
24 ~~these hospitals. UPL payments are payable to the individual hospitals in the ratio of each~~  
25 ~~hospital's Medicaid inpatient costs to the total Medicaid inpatient costs for the respective group.~~

26 (d) ~~Refund of Assessment.—If all or any part of a payment required to be made under~~  
27 ~~this section is not made to one or more hospitals when due, the Secretary must promptly refund~~  
28 ~~to each such hospital the corresponding assessment proceeds collected in proportion to the~~  
29 ~~amount of assessment paid by that hospital.~~

30 ...

31 **"§ 108A-126. Approval of assessment program.**

32 The Department must file a State plan amendment or other necessary documents with the  
33 CMS that incorporates the ~~assessment~~ payments and distributions consistent with the provisions  
34 of this Article. Upon CMS approval, the Secretary may impose the initial assessment retroactive  
35 to the ~~first day of the quarter in which the State Plan amended was filed, provided the Secretary~~  
36 ~~remits the corresponding payments to hospitals required under G.S. 108A-124 for that quarter.~~  
37 effective date of the State plan amendment or waiver. If CMS approves only one component of  
38 the ~~equity assessment, assessments imposed under this Article,~~ the Secretary may adjust the  
39 percentage rate on the approved component to produce the required aggregate ~~Medicaid equity~~  
40 ~~payment amounts under G.S. 108A-124. If CMS approves only one component of the UPL~~  
41 ~~assessment, the Secretary may adjust the percentage rate on the approved component to produce~~  
42 ~~the required aggregate UPL payment amounts under G.S. 108A-124.~~ The Secretary may adopt  
43 rules as necessary to implement the assessment program under this Article.

44 **"§ 108A-127. Repeal.**

45 The authority to impose an assessment under this Article is repealed in the event that CMS  
46 determines that the assessment or payment methodologies described in this Article are  
47 impermissible or CMS revokes approval of any portion of the State Plan amendment or waiver  
48 authorizing the payments required under G.S. 108A-124.

49 **"§ 108A-128. Payment for providers formerly subject to this Article.**

50 If a hospital provider (i) is exempt from both the ~~equity base~~ and ~~UPL supplement~~  
51 assessments under this Article, (ii) makes an intergovernmental transfer (IGT) to the Department

1 of Health and Human Services to be used to draw down matching federal funds, and (iii) has  
2 acquired, merged, leased, or managed another provider on or after March 25, 2011, then the  
3 hospital provider shall transfer to the State an additional amount, which shall be retained by the  
4 State. The additional amount shall be a percentage of the amount of funds that (i) would be  
5 transferred to the State through such an IGT and (ii) are to be used to match additional federal  
6 funds that the hospital provider is able to receive because of the acquired, merged, leased, or  
7 managed provider. That percentage shall be ~~the same percentage provided in the definition of~~  
8 "State's annual Medicaid payment" under G.S. 108A-121, calculated by dividing the amount of  
9 the State's annual Medicaid payment by the total amount collected under the base assessment  
10 program authorized by this Article."

41	<b>GENERAL PROVISIONS</b>		
42	<b>SECTION 11K.1.(b)</b> Information to Be Included in Block Grant Plans. – The		
43	Department of Health and Human Services shall submit a separate plan for each Block Grant		
44	received and administered by the Department, and each plan shall include the following:		
45	(1) A delineation of the proposed allocations by program or activity, including		
46	State and federal match requirements.		
47	(2) A delineation of the proposed State and local administrative expenditures.		
48	(3) An identification of all new positions to be established through the Block		
49	Grant, including permanent, temporary, and time-limited positions.		

- 1 (4) A comparison of the proposed allocations by program or activity with two  
2 prior years' program and activity budgets and two prior years' actual program  
3 or activity expenditures.  
4 (5) A projection of current year expenditures by program or activity.  
5 (6) A projection of federal Block Grant funds available, including unspent federal  
6 funds from the current and prior fiscal years.

7 **SECTION 11K.1.(c)** Changes in Federal Fund Availability. – If the Congress of the  
8 United States increases the federal fund availability for any of the Block Grants or contingency  
9 funds and other grants related to existing Block Grants administered by the Department of Health  
10 and Human Services from the amounts appropriated in this section, the Department shall allocate  
11 the increase proportionally across the program and activity appropriations identified for that  
12 Block Grant in this section. In allocating an increase in federal fund availability, the Office of  
13 State Budget and Management shall not approve funding for new programs or activities not  
14 appropriated in this section.

15 If the Congress of the United States decreases the federal fund availability for any of  
16 the Block Grants or contingency funds and other grants related to existing Block Grants  
17 administered by the Department of Health and Human Services from the amounts appropriated  
18 in this section, the Department shall develop a plan to adjust the Block Grants based on reduced  
19 federal funding.

20 Notwithstanding the provisions of this subsection, for fiscal years 2019-2020 and  
21 2020-2021, increases in the federal fund availability for the Temporary Assistance to Needy  
22 Families (TANF) Block Grant shall be used only for the North Carolina Child Care Subsidy  
23 program to pay for child care in four- or five-star rated facilities for four-year-old children and  
24 shall not be used to supplant State funds.

25 Prior to allocating the change in federal fund availability, the proposed allocation  
26 must be approved by the Office of State Budget and Management. If the Department adjusts the  
27 allocation of any Block Grant due to changes in federal fund availability, then a report shall be  
28 made to the Joint Legislative Oversight Committee on Health and Human Services and the Fiscal  
29 Research Division.

30 **SECTION 11K.1.(d)** Except as otherwise provided, appropriations from federal  
31 Block Grant funds are made for each year of the fiscal biennium ending June 30, 2021, according

18 it advisable to postpone the issuance of the bonds;
- 19 2. For the payment of interest on or any installment of principal  
20 of any bonds then outstanding, if there are not sufficient funds

34 the State Treasurer is authorized to issue and sell refunding bonds and notes  
35 pursuant to the provisions of the State Refunding Bond Act for the purpose of  
36 refunding bonds or notes issued pursuant to this section. The refunding bonds  
37 and notes may be combined with any other issues of State bonds and notes  
38 similarly secured. Refunding bonds or notes may be issued at any time prior  
39 to the final maturity of the debt obligation to be refunded. The proceeds from

2 in (i), (ii), or (iii) above having an aggregate market value, exclusive of  
3 accrued interest, equal at least to the principal amount of the certificates so  
4 secured. This section does not limit the duration of any deposit in trust for the  
5 retirement of bonds or notes being refunded but that have not matured and are  
6 not presently redeemable, or if presently redeemable, have not been called for  
7 redemption.

8 (6) Tax exemption. – Bonds and notes shall at all times be free from taxation by  
9 the State or any political subdivision or any of their agencies, excepting estate,

11 or notes, and franchise taxes. The interest on bonds or notes is not subject to  
12 taxation as income.

13 (7) Investment eligibility. – Bonds and notes are securities in which all of the  
14 following may invest, including capital in their control or belonging to them:  
15 public officers, agencies, and public bodies of the State and its political

23 or obligations of the State or any political subdivision is now or may hereafter  
24 be authorized by law.

25 (8) Faith and credit. – The faith and credit and taxing power of the State are hereby  
26 pledged for the payment of the principal of and the interest on bonds and notes.

29 (9) Other agreements. – The State Treasurer may authorize, execute, obtain, or  
30 otherwise provide for bond insurance, investment contracts, credit and  
31 liquidity facilities, interest-rate swap agreements and other derivative  
32 products, and any other related instruments and matters the State Treasurer  
33 determines are desirable in connection with issuance, incurrence, carrying, or  
34 securing of bonds or notes. The State Treasurer is authorized to employ and  
35 designate any financial consultants, underwriters, and bond attorneys to be  
36 associated with any bond or note issue under this section as the State Treasurer  
37 considers necessary.

38 **SECTION 36.13.(j) Variable Rate Demand Bonds and Notes.** – In fixing the details  
39 of bonds and notes, the State Treasurer may provide that any of the bonds or notes may:

40 (1) Be made payable from time to time on demand or tender for purchase by the  
41 owner, if a credit facility supports the bonds or notes, unless the State  
42 Treasurer specifically determines that a credit facility is not required upon a  
43 finding and determination by the State Treasurer that the absence of a credit  
44 facility will not materially and adversely affect the financial position of the  
45 State and the marketing of the bonds or notes at a reasonable interest cost to  
46 the State;

47 (2) Be additionally supported by a credit facility;

48 (3) Be made subject to redemption or a mandatory tender for purchase prior to  
49 maturity;

50 (4) Bear interest at a rate or rates that may vary for any period of time, as may be  
51 provided in the proceedings providing for the issuance of the bonds or notes,

including, without limitation, such variations as may be permitted pursuant to a par formula; and

- (5) Be made the subject of a remarketing agreement whereby an attempt is made to remarket bonds or notes to new purchasers prior to their presentment for payment to the provider of the credit facility or to the State.

If the aggregate principal amount payable by the State under a credit facility is in excess of the aggregate principal amount of bonds or notes secured by the credit facility, whether as a result of the inclusion in the credit facility of a provision for the payment of interest for a limited period of time or the payment of a redemption premium or for any other reason, then the amount of authorized but unissued bonds or notes during the term of such credit facility shall not be less than the amount of such excess, unless the payment of such excess is otherwise provided for by agreement of the State executed by the State Treasurer.

**SECTION 36.13.(k)** Interpretation of Section. –

9 (14) Unserved area. – A designated contiguous geographic area that is presently  
10 without access to broadband service, as defined in this section, offered by a  
11 wireline or fixed wireless provider. Areas where a private provider has been  
12 designated to receive funds through other State or federally funded programs  
13 designed specifically for broadband deployment shall be considered served if  
14 such funding is intended to result in construction of broadband in the area  
15 within 18 months.

16 ...

17 (c) Project areas comprised of census blocks, or portions thereof, within which a  
18 broadband provider is receiving State or federal matching funds to deploy technologically neutral  
19 scalable broadband service within the next ~~48-12~~ months are ineligible for the GREAT program.  
20 It is essential for the Office to know the ~~location of census blocks, or portions thereof, comprising~~  
21 ~~these areas~~ locations so it can determine project eligibility. A private provider receiving State or  
22 federal matching funds to deploy broadband service within such an area shall, within 60 days of  
23 the effective date of this section, submit only a listing of the census blocks, or portions thereof,  
24 comprising each of its federally funded project areas meeting this requirement and nothing more  
25 to the Office. In future program years, the cutoff date for submitting this census block data shall  
26 be May 15. This will enable the office to update maps and advise applicants as to the unserved  
27 areas of the State that are eligible for consideration in that program year. The Office shall only  
28 utilize this data to update maps of census blocks to reflect these census blocks, or portions thereof,  
29 as being served. Failure on the part of a provider to submit the listing of census blocks by the  
30 cutoff date shall result in those areas being eligible for inclusion under this program during the  
31 upcoming program year. The Office shall use the census block data provided only for mapping  
32 of unserved areas. Information provided to the Office pursuant to this subsection is not a public  
33 record, as that term is defined in G.S. 132-1.

34 ...

35 (e) Applications shall be made publicly available by posting on the Web site of the  
36 Department of Information Technology for a period of at least 30 days prior to award. ~~During~~  
37 ~~the 30 day period, any interested party may submit comments to the Secretary concerning any~~  
38 ~~pending application.~~ A provider of broadband services may submit a protest of any application  
39 on the grounds the proposed project covers an area that Internet service provider currently serves  
40 and is not an eligible area under this section. Protests shall be submitted in writing, accompanied  
41 by all relevant supporting documentation, and shall be considered by the Office in connection  
42 with the review of the application. For applications with filed protests, the Secretary shall issue  
43 a written decision to the protesting party at least 15 days prior to the approval of that application.

44 ...

45 (g) Applications shall be scored based upon a system that awards a single point for criteria  
46 considered to be the minimum level for the provision of broadband service with additional points  
47 awarded to criteria that exceed minimum levels. The Office shall score project applications in  
48 accordance with the following:

49 ...

50 (6) Base speed multiplier. – Projects that will provide minimum download and  
51 minimum upload speeds shall have the aggregate points given under

subdivisions (1) through (5) of this subsection multiplied by a factor at the level indicated in the table below:

<b>Minimum Download:</b>	<b>Score Multiplier</b>
<b>Minimum Upload</b>	
10:1 Mbps.	0.95
25:3 Mbps. or greater	1.35
<u>100:50 Mbps. or greater</u>	<u>2.0</u>

(7) The Office shall award three points for any project that will offer a low-cost service offering for a qualified low-income household or accepts Lifeline support in that project area.

Applicants awarded grants pursuant to this section shall enter into an agreement with the Office. The agreement shall contain all of the elements outlined in subsection (d) of this section and any other provisions the Office may require. The agreement shall contain a provision governing the time line and minimum requirements and thresholds for disbursement of grant funds measured by the progress of the project. Grant funds shall be disbursed only upon verification by the Office that the terms of the agreement have been fulfilled according to the progress milestones contained in the agreement. At project completion, the grant recipient shall certify and provide to the Office evidence consistent with Federal Communications Commission attestation that the proposed minimum upstream and minimum downstream broadband speeds identified in the application guidelines, and for which a base speed multiplier was awarded pursuant to subdivision (6) of subsection (g) of this section, are available throughout the project area prior to any end user connections. A single grant award shall not exceed two million dollars (\$2,000,000). No more than one grant may be awarded per fiscal year for a project in any one ~~eligible economically distressed county area.~~

...  
 (k) The Office shall require that grant recipients offer the proposed ~~advertised~~ minimum download and minimum upload transmission speeds identified in the project application for the duration of the five-year service agreement. At least annually, a grant recipient shall provide to the Office evidence consistent with Federal Communications Commission attestation that the grant recipient is making available the proposed advertised speed, or a faster speed, as contained in the grant agreement. For the duration of the agreement, grant recipients shall disclose any changes to data caps for the project area that differ from the data caps listed in the grant application to the Office.
