7 **SECTION 1.** Article 23 of Chapter 116 of the General Statutes is amended by adding
8 a new Part to read:

9 "Part 5.

10 "Tuition Grant for Graduates of the North Carolina School of Science and Mathematics.

11 **"§ 116-210. Tuition grants for graduates to attend an eligible institution of higher**
12 **education.**

13 (a) Within the funds available, a State resident who graduates from the North Carolina
14 School of Science and Mathematics (NCSSM) in each school year, beginning with the 2019-2020
15 school year, and who enrolls as a full-time student in an eligible institution of higher education
16 in the next academic year after graduation shall be eligible for a tuition grant awarded under this
17 Part. Students who receive initial tuition grants as a cohort of a graduating class of NCSSM shall
18 also be eligible to apply for tuition grants for subsequent academic years for up to a total of four
19 academic years. A student shall be continuously enrolled in an eligible institution of higher
20 education after the award of the initial tuition grant to be eligible for tuition grants in subsequent
21 academic years. The Authority shall have the discretion to waive this requirement if the student
22 is able to demonstrate that any of the following have substantially disrupted or interrupted the
23 student's pursuit of a degree: (i) a military service obligation, (ii) serious medical debilitation,
24 (iii) a short-term or long-term disability, or (iv) other extraordinary hardship.

25 (b) For the purposes of this Part, "an eligible institution of higher education" shall mean
26 a constituent institution of The University of North Carolina or a private institution of higher
27 education located in North Carolina as described in G.S. 116-280(3). The amount of the tuition
28 grant to each graduate shall be determined and distributed as provided in G.S. 116-211.

29 **"§ 116-211. Administration of tuition grants.**

30 (a) The Authority shall administer the tuition grants provided for in this Part pursuant to
31 guidelines and procedures established by the Authority consistent with its practices for
32 administering State-funded financial aid. The guidelines and procedures shall include an
33 application process and schedule, notification and disbursement procedures, standards for
34 reporting, and standards for return of tuition grants when a student withdraws. The Authority
35 shall not approve any grant until it receives proper certification from the appropriate eligible
36 institution of higher education that the student applying for the grant is an eligible student. Upon

1 receipt of the certification, the Authority shall remit, at the times it prescribes, the tuition grant
2 to the eligible institution of higher education on behalf, and to the credit, of the student. In the
3 event a student on whose behalf a tuition grant has been paid is not enrolled and carrying a
4 minimum academic load as of the tenth classroom day following the beginning of the school
5 term for which the tuition grant was paid, the eligible institution of higher education shall refund
6 the full amount of the tuition grant to the Authority.

7 (b) Except as otherwise provided in this section, the amount of the grant awarded to a
8 student shall cover (i) to attend a constituent institution, the tuition cost at the constituent
9 institution in which the student is enrolled or (ii) to attend a private institution of higher education
10 located in North Carolina, the tuition cost, in whole or in part, at the private institution in an
11 amount up to the highest amount of undergraduate resident tuition charged at a constituent
12 institution of The University of North Carolina for that academic year.

13 No tuition grant awarded to a student under this section shall exceed the cost of attendance
14 at a constituent institution for which the student is enrolled, or if enrolled in a North Carolina
15 private institution of higher education, exceed the highest amount of undergraduate resident
16 tuition charged at a constituent institution of The University of North Carolina for that academic
17 year.

18 (c) If a student, who is eligible for a tuition grant under this section, also receives a
19 scholarship or other grant covering the cost of attendance at the eligible institution of higher
20 education for which the tuition grant is awarded, then the amount of the tuition grant shall be
21 reduced by an appropriate amount determined by the Authority so that the total amount of
22 scholarships and grants received by the student does not exceed the cost of attendance for the
23 institution. The cost of attendance shall be determined by the Authority for each eligible
24 institution of higher education.

25 (d) In the event there are not sufficient funds to provide each eligible student with a full
26 grant as provided by this Part, each eligible student shall receive a pro rata share of funds
27 available for the academic year covered by the appropriation in the preceding fiscal year.

28 **"§ 116-212. North Carolina Tuition Grant Fund Reserve.**

29 The North Carolina Tuition Grant Fund Reserve shall be established as a reserve to be
30 administered by the Authority. All funds appropriated to or otherwise received by the Authority
31 to provide tuition grants under this Part, all returned tuition grant monies, and all interest earned
32 on these funds shall be placed in the Fund. The Fund shall be used for (i) tuition grants for the
33 academic year that begins in the fiscal year following the fiscal year in which the appropriation
34 is made to the Reserve and (ii) the administrative costs of the Authority, provided that no more
35 than five percent (5%) of the funds appropriated each fiscal year for tuition grants is expended
36 for administrative purposes."

38 residents who graduated from the North Carolina School of Science and Mathematics at the end
39 of the 2018-2019 school year and were awarded a tuition grant for the 2019-2020 academic year

43 Tuition Grant Fund Reserve established pursuant to G.S. 116-212, as enacted by this act, the sum
44 of (i) two million nine hundred fifty thousand dollars (\$2,950,000) in recurring funds for the

10 each cohort of eligible students who attend constituent institutions of the
11 University of North Carolina for the next academic year following the year in
12 which the funds were appropriated.
