SECTION 13. MAYVILLE STATE UNIVERSITY - OLD MAIN PROJECT - LOAN AUTHORIZATION. The legislative assembly authorizes the Mayville state university old main renovation project to be funded in two phases as provided under this section. The capital assets line item in subdivision 9 of section 1 of this Act includes the sum of \$17,330,087, or so much of the sum as may be necessary, for phase 1 of the project. During the biennium beginning July 1, 2023, and ending June 30, 2025, and continuing into the biennium beginning July 1, 2025, and ending June 30, 2027, the state board of higher education may borrow the sum of \$34,924,814, or so much of the sum as may be necessary, from the Bank of North Dakota for completion of phase 2 of the Mayville state university old main renovation project. The state board of higher education shall seek funding from the sixty-ninth legislative assembly to repay the loan authorized under this section.

SECTION 14. CAMPUS CAPITAL PROJECTS - PROJECT REQUESTS - LEGISLATIVE INTENT.

1. An institution must have pledged local matching funds allocated to a project prior to expending any funding from the strategic investment and improvements fund for the project.
2. If an institution is unable to provide the appropriated amount of matching funds for a capital project provided for in this Act, the institution may only spend a proportional amount of funding from the strategic investment and improvements fund for the project. If an institution is unable to provide necessary matching funds by June 30, 2027, to complete the project in whole or in part, the appropriation from the strategic investment and improvements fund must be canceled.
3. It is the intent of the sixty-eighth legislative assembly that any inflationary or other costs associated with previously approved projects must be paid from the institution's local funds or the institution's allocation in the university system capital building fund.

SECTION 15. CAMPUS CAPITAL PROJECTS - PROJECT MANAGEMENT. During the biennium beginning July 1, 2023, and ending June 30, 2025, each capital project authorized by the state board of higher education must have adequate project management oversight by either an institution official or a representative of an external entity. An institution may seek assistance from the university system office for project management oversight of a capital project.

SECTION 16. A new section to chapter 6-09 of the North Dakota Century Code is created and enacted as follows:

Economic diversification research fund - Report to legislative management.

1. There is created in the state treasury the economic diversification research fund. The fund consists of all moneys deposited in or transferred to the fund pursuant to legislative action. Moneys in the fund may be spent by the Bank of North Dakota pursuant to legislative appropriations to provide grants to institutions under the control of the state board of higher education for economic diversification research.
2. In consultation with representatives of North Dakota state university and the university of North Dakota, the Bank, in consultation with the state board of higher education, shall award

grants to institutions under the control of the state board of higher education. The sum of five million dollars must be awarded to North Dakota state university and the university of North Dakota with equal amounts awarded to each institution. The remaining funding must be awarded to the other institutions under the control of the state board of higher education, as determined by the board. The state board of higher education may not award more than fifty percent of the available funding during the first year of the biennium. The Bank of North Dakota shall distribute the grant funding as awarded by the state board of higher education.

3. The state board of higher education shall develop guidelines for the economic diversification research grants. The purpose of the grants is to stimulate economic activity across the state through innovation of new technology, concepts, and products; to promote job creation and career and wage growth; to enhance health care outcomes; to address loss of revenue and jobs in communities with economies that depend primarily on the fossil fuel industry; and to provide experiential learning opportunities for students. Research projects may be initiated by an institution under the control of the state board of higher education or by the private sector. The guidelines must include consideration for research projects with matching funds and provisions for grant oversight by an internal advisory committee and an external advisory committee.
4. The state board of higher education shall develop reporting requirements for the institutions under the control of the board. The reporting requirements must include criteria for assessing performance outcomes related to the grants. The state board of higher education shall compile the reports and submit a comprehensive report annually to the legislative management. The comprehensive report must include information on how the research efforts by each institution align with the state's priorities, how the institutions collaborate when appropriate, and how the outcomes of the research meet established performance expectations.

SECTION 17. A new section to chapter 15-10 of the North Dakota Century Code is created and enacted as follows:

State commissioner of higher education - Higher education trends - Report to legislative management.

The state commissioner of higher education shall provide an annual report to the legislative management regarding trends in higher education, including state and regional student enrollment, North Dakota university system institution reserves, state and regional tuition rates, state and regional student financial assistance, and the North Dakota university system's response to the trends and changes, including new or expanded educational programs, closed programs, and future budget requests.

SECTION 18. A new section to chapter 15-10 of the North Dakota Century Code is created and enacted as follows:

Disclosure of financial condition.

The state board of higher education shall provide a disclosure of the financial condition of an institution to the qualified applicants designated as finalists pursuant to section 44-04-18.27 for the position of president of an institution. The disclosure of financial condition must identify the institution's reserves, recent audit findings, anticipated future funding changes pursuant to chapter 15-18.2, and the institution's composite financial index ratio. The state board of higher education may require the qualified applicants to sign a nondisclosure agreement prior to receiving the disclosure of financial condition.

SECTION 19. A new section to chapter 15-10 of the North Dakota Century Code is created and enacted as follows:

Campus policies and procedures.

The president of an institution under the control of the state board of higher education may adopt policies, procedures, and directives for the institution, with input but no authoritative control from faculty and others through shared governance. The commissioner of higher education and the state board of higher education may overturn or amend the president's policies, procedures, and directives.

SECTION 20. A new section to chapter 15-10 of the North Dakota Century Code is created and enacted as follows:

Larry C. Skogen polytechnic institute.

The polytechnic center constructed on the campus of Bismarck state college is officially named the Larry C. Skogen polytechnic institute.

SECTION 21. AMENDMENT. Section 15-10-38.1 of the North Dakota Century Code is amended and reenacted as follows:

15-10-38.1. Skilled workforce student loan repayment program - Skilled workforce student loan repayment program fund - Continuing appropriation - Report. (~~Repealed effective July 1, 2023~~)

1. There is created in the state treasury the skilled workforce student loan repayment program fund. The fund consists of moneys transferred into the fund by the legislative assembly, matching funds received, and loan repayments. Moneys in the fund are appropriated to the state board of higher education on a continuing basis for the purpose of distributing student loan repayment grants directly to the Bank of North Dakota or other participating lender to repay outstanding student loan principal balances for eligible applicants. The state board of higher education may transfer money between this fund and the skilled workforce scholarship fund established in section 15-10-38.2.
2. The state board of higher education shall adopt policies and procedures to develop, implement, promote, and administer a skilled workforce student loan repayment program in cooperation with the Bank of North Dakota and the North Dakota workforce development council with the intent of attracting and retaining individuals for professional or technical skills in high demand in this state.
3. The North Dakota workforce development council in cooperation with job service North Dakota shall use available labor market information to determine annually the eligible high-demand professional and technical skills and emerging occupations in this state.
4. Graduates of degree or certificate programs from institutions or entities in any state may apply for the skilled workforce student loan repayment program. To be eligible to receive student loan repayment grants under the program, the applicant:
 - a. Must have successfully completed an educational program from an institution of higher education;
 - b. Must have a student loan with the Bank of North Dakota or other participating lender;
 - c. Following completion of an educational program, must reside and work in this state in an eligible high-demand or emerging occupation; and
 - d. Must have met and shall continue to meet any requirements established in applicable state board of higher education procedures.
5. The state board of higher education shall adopt procedures to ensure compliance with residency and occupation requirements after completion of the educational program.

6. The state board of higher education shall distribute student loan repayment grants from the skilled workforce student loan repayment program fund directly to the Bank of North Dakota or other participating lender to repay outstanding student loan principal balances for eligible applicants. The maximum annual student loan repayment grant amount for which an applicant may qualify is five thousand six hundred sixty-seven dollars, or one-third of the applicant's outstanding student loan principal balance upon initial application for the program, whichever is less. The maximum total student loan repayment grant amount for which any applicant may qualify is seventeen thousand dollars.
7. If an individual is receiving loan forgiveness under any other state program, the individual may not receive a student loan repayment grant under this section during the same application year. ~~An individual who received a skilled workforce scholarship under section 15-10-38.2 is not eligible for loan forgiveness under this section.~~
8. An individual may receive a combined total of no more than seventeen thousand dollars under this section and the skilled workforce scholarship program under section 15-10-38.2.
9. ~~The skilled workforce student loan repayment program must be a joint public and private effort.~~ The state board of higher education shall provide one dollar of funding for each one dollar of ~~funding~~funds raised from the private sector or other public sources. Any matching funds received must be deposited in the skilled workforce student loan repayment program fund.
10. The state board of higher education shall provide a biennial program report to the legislative management by September first of each even-numbered year. The report must include information regarding:
 - a. The eligible high-demand professional and technical skills and emerging occupations;
 - b. The number of applicants, eligible applicants, and applicants receiving awards;
 - c. The amount of ~~private funding~~matching funds raised; and
 - d. The average and total amounts awarded under the program.

SECTION 22. AMENDMENT. Section 15-10-38.2 of the North Dakota Century Code is amended and reenacted as follows:

15-10-38.2. Skilled workforce scholarship program - Skilled workforce scholarship fund - Continuing appropriation - Report. ~~(Repealed effective July 1, 2023)~~

1. There is created in the state treasury the skilled workforce scholarship fund. The fund consists of moneys transferred into the fund by the legislative assembly, matching funds received, and scholarship repayments. Moneys in the fund are appropriated to the state board of higher education on a continuing basis for the purpose of providing grants to institutions of higher education related to skilled workforce scholarships. Institutions of higher education include institutions under the control of the state board of higher education, North Dakota nonpublic accredited institutions of higher education, tribally controlled community colleges, state-approved educator training programs, and North Dakota institutions approved to operate by the North Dakota board of career and technical education. The state board of higher education may transfer money between this fund and the skilled workforce student loan repayment program fund established in section 15-10-38.1.
2. The state board of higher education shall adopt policies and procedures to develop, implement, promote, and administer a skilled workforce scholarship program in cooperation with the Bank of North Dakota and the North Dakota workforce development council with the intent of attracting and retaining individuals for professional or technical skills in high demand in this state.

3. The North Dakota workforce development council in cooperation with job service North Dakota shall use available labor market information to determine annually the eligible high-demand professional and technical skills and emerging occupations in this state.
4. The state board of higher education and the workforce development council shall compile a list of qualifying educational programs annually. A qualifying educational program is a program resulting in attainment of an associate's degree or lower credential ~~upon successful completion of a program~~ that may be completed within four semesters or six quarters, or the final two years of a baccalaureate program. A qualifying educational program also must pertain to the professional and technical skills and emerging occupations in high demand in this state, as determined under subsection 3. Qualifying educational programs may include degree or certificate programs.
5. Individuals enrolled in a qualifying educational program in this state may apply for a scholarship under this section. Scholarships are limited to the amount charged each quarter, semester, or term by the educational institution for the tuition, fees, books, and supplies required for the qualifying educational program. The scholarships are intended to supplement any other scholarship or financial aid grant received by a student to assist the student with the costs of the qualifying educational program. An individual may not receive a combined total exceeding seventeen thousand dollars under this section and the skilled workforce loan repayment program under section 15-10-38.1.
6. To be eligible for a scholarship and payment under this section, a student must be enrolled full time in an eligible program and have at least a 2.5 cumulative grade point average, based on a 4.0 grading system, or maintain academic progress in the program according to program requirements. A student may not receive scholarships under this section for more than the equivalent of four semesters of full-time enrollment or six quarters of full-time enrollment.
7. Upon completion of a qualifying educational program, a student who received a scholarship under this section must reside and work in this state in an eligible high-demand or emerging occupation for a minimum of three years.
8. An individual shall repay the scholarship pursuant to the terms in the individual's scholarship award agreement if the individual fails to maintain either a 2.5 cumulative grade point average or academic progress according to program requirements while enrolled, withdraws voluntarily or involuntarily before the completion of the program for which a scholarship has been received, or fails to reside and work in this state in an eligible high-demand or emerging occupation for at least three years following degree or certificate completion.
9. The state board of higher education, in conjunction with the Bank of North Dakota, may allow an individual who received payment under this section to delay or cancel repayment under this section due to financial difficulty, military service, death, or total disability.
10. Each quarter, semester, or term, the state board of higher education shall distribute grants to institutions of higher education to provide the amounts necessary for the scholarships awarded to the students enrolled in each institution.
11. ~~The skilled workforce scholarship program must be a joint public and private effort. The state board of higher education may distribute grants only to the extent that the private sector has provided one dollar of matching funds for each dollar of funding provided by the state.~~ The state board of higher education shall provide one dollar of funding for each one dollar raised from the private sector or other public sources. Any matching funds received must be deposited in the skilled workforce scholarship fund.
12. The state board of higher education shall provide a biennial program report to the legislative management by September first of each even-numbered year. The report must include information regarding:

- a. The eligible high-demand professional and technical skills and emerging occupations;
- b. The qualifying educational programs;
- c. The number of applicants, eligible applicants, and applicants receiving awards;
- d. The amount of ~~private funding~~matching funds raised; and
- e. The average and total amounts awarded under the program.

SECTION 23. AMENDMENT. Section 15-10-38.3 of the North Dakota Century Code is amended and reenacted as follows:
