A group of crew housing facilities that are connected physically or by common ownership may be treated as a single crew housing facility for purposes of imposition of crew housing permit fees imposed under this chapter.

3. "Skid unit" means a structure or group of structures, either single or multisectional, which is not built on a permanent chassis and is ordinarily designed for human living quarters or a place of business, on a temporary or permanent basis.

57-02.4-02. Crew housing permit fees - Fee revenue sharing with other taxing districts.

A city, for property within city limits, or a county, for property outside city limits, may impose crew housing permit fees that apply to crew housing facilities. Crew housing permit fees imposed by a city or county must be determined on the basis of the value of services and facilities provided to the crew housing facility by the city or county, or both. A city or county imposing fees under this section may share revenues from the fees with other taxing districts in which the property is located.
