The court shall notify the director of the game and fish department of the court's decision to withhold or suspend a debtor's certificate, permit, or license. A certificate, permit, or license withheld or suspended by an order issued under this section may be reissued only by order of the court. An appeal by a debtor who has had a certificate, permit, or license suspended or withheld under this section is an appeal from the court's order and may not be appealed to the director of the game and fish department.

SECTION 19. AMENDMENT. Section 54-17-40 of the North Dakota Century Code is amended and reenacted as follows:

54-17-40. ~~(Effective through June 30, 2017)~~ Housing incentive fund - Continuing appropriation - Report to budget section.

1. The housing incentive fund is created as a special revolving fund at the Bank of North Dakota. The housing finance agency may direct disbursements from the fund and a continuing appropriation from the fund is provided for that purpose.

2.
 - a. After a public hearing, the housing finance agency shall create an annual allocation plan for the distribution of the fund. At least twenty-five percent of the fund must be used to assist developing communities to address an unmet housing need or alleviate a housing shortage. ~~The agency may collect a reasonable administrative fee from the fund, project developers, applicants, or grant recipients. The origination fee assessed to grant recipients may not exceed five percent of the project award.~~
 - b. The annual allocation plan must give first priority through its scoring and ranking process to housing for essential service workers. For purposes of this subsection, "essential service workers" means individuals employed by a city, county, school district, medical or long-term care facility, the state of North Dakota, or others as determined by the housing finance agency who fulfill an essential public service.
 - c. The second priority in the annual allocation plan must be to provide housing for individuals and families of low or moderate income. For purposes of this second priority, eligible income limits are determined as a percentage of median family income as published in the most recent federal register notice. Under this second priority, the annual allocation plan must give preference to projects that benefit households with the lowest income and to projects that have rent restrictions at or below department of housing and urban development published federal fair market rents or department of housing and urban development section 8 payment standards.

~~The housing finance agency shall maintain a register reflecting the number of housing units owned or master leased by cities, counties, school districts, or other employers of essential service workers. This register must also reflect those entities that are providing rent subsidies for their essential workers. The housing finance agency shall report quarterly to the budget section of the legislative management on the progress being made to reduce the overall number of units owned, master leased, or subsidized by these entities. This report must include a listing of projects approved and number of units within those projects that provide housing for essential service workers.~~

3. The housing finance agency shall adopt guidelines for the fund so as to address unmet housing needs in this state. Assistance from the fund may be used solely for:
 - a. New construction, rehabilitation, or acquisition of a multifamily housing project;
 - b. Gap assistance, matching funds, and accessibility improvements;
 - c. Assistance that does not exceed the amount necessary to qualify for a loan using underwriting standards acceptable for secondary market financing or to make the project feasible; and
 - d. Rental assistance, emergency assistance, or targeted supportive services designated to prevent homelessness.
4. Eligible recipients include units of local, state, and tribal government; local and tribal housing authorities; community action agencies; regional planning councils; and nonprofit organizations and for-profit developers of multifamily housing. Individuals may not receive direct assistance from the fund.
5. Except for subdivision d of subsection 3, assistance is subject to repayment or recapture under the guidelines adopted by the housing finance agency. Any assistance that is repaid or recaptured must be deposited in the fund and is appropriated on a continuing basis for the purposes of this section.
6. The agency may collect a reasonable administrative fee from the fund, project developers, applicants, or grant recipients. The origination fee assessed to grant recipients may not exceed five percent of the project award.

7. The housing finance agency shall maintain a register reflecting the number of housing units owned or master leased by cities, counties, school districts, or other employers of essential service workers. This register must also reflect those entities that are providing rent subsidies for their essential workers.
8. Upon request, the housing finance agency shall report to the industrial commission regarding the activities of the housing incentive fund.
9. At least once per biennium, the housing finance agency shall provide a report to the budget section of the legislative management regarding the activities of the housing incentive fund. The report must include the following:
 - a. The overall number of units owned, master leased, or subsidized by political subdivisions or other employers of essential service workers; and
 - b. A listing of projects approved and the number of units within those projects that provide housing for essential service workers.

SECTION 20. AMENDMENT. Section 54-18-19 of the North Dakota Century Code is amended and reenacted as follows:

54-18-19. Transfer of North Dakota mill and elevator profits to general fund.

The industrial commission shall transfer to the state general fund ~~fifty~~fiftyseven-five percent of the annual earnings and undivided profits of the North Dakota mill and elevator association after any transfers to other state agricultural-related programs. The moneys must be transferred on an annual basis in the amounts and at the times requested by the director of the office of management and budget.

SECTION 21. AMENDMENT. Section 57-62-02 of the North Dakota Century Code is amended and reenacted as follows:

57-62-02. Allocation of moneys in coal development fund

Moneys deposited in the coal development fund shall be apportioned monthly by the state treasurer as follows:

1. ~~Thirty~~Fifteen percent must be deposited in a permanent trust fund in the state treasury, to be known as the coal development trust fund, pursuant to section 21 of article X of the Constitution of North Dakota. Those funds held in trust and administered by the board of university and school lands on March 5, 1981, pursuant to section 12, chapter 563, 1975 Session Laws; section 12, chapter 560, 1977 Session Laws; or section 13, chapter 626, 1979 Session Laws must also be deposited in the trust fund created pursuant to this subsection. The fund must be held in trust and administered by the board of university and school lands for loans to coal-impacted counties, cities, and school districts as provided in section 57-62-03 and for loans to school districts pursuant to chapter 15.1-36. The board of university and school lands may invest such funds as are not loaned out as provided in this chapter and may consult with the state investment board as provided by law. The income, including interest payments on loans, from the trust must be used first to replace uncollectible loans made from the fund and the balance must be deposited in the school construction assistance loan fund. Loan principal payments must be redeposited in the trust fund. The trust fund must be perpetual and held in trust as a replacement for depleted natural resources subject to the provisions of this chapter and chapter 15.1-36.
2. Fifteen percent must be deposited in the lignite research fund for the purpose of developing advanced energy technology.

3. Seventy percent must be allocated to the coal-producing counties and must be distributed among such counties in such proportion as the number of tons [metric tons] of coal severed at each mining operation bears to the total number of tons [metric tons] of coal severed in the state during such monthly period. Allocations under subdivisions a and b must be apportioned by the state treasurer as follows:
- a. If the tipple of the currently active coal mining operation in a county is not within fifteen miles [24.14 kilometers] of another county in which no coal is mined, the revenue apportioned according to this subdivision must be allocated as follows:
 - (1) Thirty percent must be paid by the state treasurer to the incorporated cities of the county based upon the population of each incorporated city according to the last official regular or special federal census or the census taken in accordance with the provisions of chapter 40-02 in case of a city incorporated subsequent to such census.
 - (2) Forty percent must be paid to the county treasurer who shall deposit it in the county general fund to be used for general governmental purposes.
 - (3) Thirty percent must be apportioned by the state treasurer to school districts within the county on the average daily membership basis, as certified to the state treasurer by the county superintendent of schools.
 - b. If the tipple of a currently active coal mining operation in a county is within fifteen miles [24.14 kilometers] of another county in which no coal is mined, the revenue from the production not exceeding the production limitation in a calendar year which is apportioned from that coal mining operation according to this subsection must be allocated, subject to the definitions of terms and the requirements in paragraph 4, as provided in this subdivision. For purposes of this subdivision, the production limitation is three million eight hundred thousand tons [3447302.02 metric tons] through calendar year 1995, three million six hundred thousand tons [3265865.07 metric tons] in calendar years 1996 and 1997, and three million four hundred thousand tons [3084428.12 metric tons] in calendar years after 1997. Revenue from production exceeding the production limitation in a calendar year from that coal mining operation must be allocated only within the coal-producing county under subdivision a. Allocations under this subdivision must be made as follows:
 - (1) Thirty percent must be paid by the state treasurer to the incorporated cities of the coal-producing county and to any city of a non-coal-producing county when any portion of the city lies within fifteen miles [24.14 kilometers] of the tipple of the currently active coal mining operation in the coal-producing county, based upon the population of each incorporated city according to the last official regular or special federal census or the census taken in accordance with the provisions of chapter 40-02 in case of a city incorporated subsequent to such census.
 - (2) Forty percent must be divided by the state treasurer between the general fund of the coal-producing county and the general fund of any non-coal-producing county when any portion of the latter county lies within fifteen miles [24.14 kilometers] of the tipple of the currently active coal mining operation in the coal-producing county. The non-coal-producing county portion must be based upon the ratio which the assessed valuation of all quarter sections of land in that county, any portion of which lies within fifteen miles [24.14 kilometers] of the tipple of the currently active coal mining operation, bears to the combined assessed valuations of all land in the coal-producing county and the quarter sections of land in the non-coal-producing county within fifteen miles [24.14 kilometers] of the tipple of the currently active coal mining operation. The county director of tax equalization of the coal-producing county shall certify to the state treasurer the number of quarter sections of land in

the non-coal-producing counties which lie at least in part within fifteen miles [24.14 kilometers] of the tipple of the currently active coal mining operation and their assessed valuations.

- (3) Thirty percent must be apportioned by the state treasurer to school districts within the coal-producing county and to school districts in adjoining non-coal-producing counties when a portion of those school districts' land includes any of the quarter sections of land certified by the director of tax equalization to the state treasurer to be eligible to share county funds as provided for in paragraph 2. The county superintendent of the non-coal-producing counties shall certify to the state treasurer the number of students actually residing on these quarter sections lying outside the coal-producing county and each school district in non-coal-producing counties shall receive a portion of the money under this paragraph based upon the ratio of the number of children residing on quarter sections of that school district within the fifteen-mile [24.14-kilometer] radius of the tipple of a currently active coal mining operation to the total number of schoolchildren from the coal-producing county combined with all the schoolchildren certified to be living on quarter sections within fifteen miles [24.14 kilometers] of the tipple of the currently active coal mining operation in the coal-producing county.
- (4) For the purposes of this subdivision:
 - (a) The terms "currently active coal mining operation in a county", "currently active coal mining operation in the coal-producing county", and "currently active coal mining operation" mean a coal mining operation that produced more than one hundred fifty thousand tons [136077.71 metric tons] of coal in a coal-producing county during the prior quarterly period.
 - (b) The term "coal-producing county" means a county in which more than one hundred fifty thousand tons [136077.71 metric tons] of coal were mined in the prior quarterly period.
 - (c) The term "another county in which no coal is mined" means a county in which not more than seventy-five thousand tons [68038.86 metric tons] of coal were mined in the prior quarterly period.
 - (d) The terms "non-coal-producing county" and "non-coal-producing counties" mean any county in which not more than seventy-five thousand tons [68038.86 metric tons] of coal were mined in the prior quarterly period.
 - (e) In computing each amount to be paid as provided in paragraph 1, 2, or 3 for coal severance tax revenue from coal mined during a monthly period, the state treasurer shall deduct from the allocation the amount of coal severance tax revenue, if any, that the governmental body in the non-coal-producing county received from the coal mined in the non-coal-producing county during the same monthly period.
- (5) The state treasurer shall allocate funds provided by legislative appropriation to cities, the county general fund, and school districts within a coal-producing county according to the allocation method provided in subdivision a in an amount to offset fifty percent of the loss of that county's share of coal severance tax revenue allocated to a non-coal-producing county under this subdivision in the previous calendar year. The state treasurer shall make the allocation and distribute the funds, within the limits of legislative appropriations, under this paragraph during the first month of each calendar year. The state treasurer shall include in each biennial budget request the amounts estimated to be necessary for the biennium for

purposes of this paragraph, based on the allocations under this subdivision in the most recent calendar years.

SECTION 22. AMENDMENT. Section 26 of chapter 14 of the 2015 Session Laws is amended and reenacted as follows:

SECTION 26. CONTINGENT FUNDING - BANK OF NORTH DAKOTA - NORTH DAKOTA FINANCIAL CENTER - EXEMPTION - LEGISLATIVE MANAGEMENT REPORT.

The capital assets line item in subdivision 2 of section 1 of this Act includes \$17,000,000 from the assets of the Bank of North Dakota for the purpose of constructing a North Dakota financial center on a site adjacent to the existing building in which the Bank is located. The Bank may spend the funding only if the Bank's net income, reported in accordance with financial accounting standards board accounting standards, for calendar year 2015 exceeds \$125,000,000. The funding appropriated for this purpose is not subject to section 54-44.1-11 and any unexpended funds are available ~~during the biennium beginning July 1, 2017, and ending June 30, 2019~~ through June 30, 2021. The Bank of North Dakota shall report to the legislative management and to the appropriations committees of the sixty-fifth legislative assembly on the use of the funding provided for the North Dakota financial center, including the amounts spent to date and the amounts anticipated to be continued into the 2017-19 biennium, and on the progress of the project.

SECTION 23. REPEAL. Section 54-17-41 of the North Dakota Century Code is repealed.

SECTION 24. EXEMPTION - INDUSTRIAL COMMISSION FUND. The amount appropriated to the industrial commission in the special funds appropriation line item in section 1 of chapter 14 of the 2015 Session Laws and transferred pursuant to section 6 of chapter 14 of the 2015 Session Laws is not subject to the provisions of section 54-44.1-11. Any unexpended funds from this appropriation are available to the industrial commission for administrative services rendered by the commission during the biennium beginning July 1, 2017, and ending June 30, 2019.

SECTION 25. EXEMPTION - LIGNITE RESEARCH GRANTS. The amount appropriated to the industrial commission from the general fund for lignite research grants in the grants line item in section 1 of chapter 14 of the 2015 Session Laws is not subject to the provisions of section 54-44.1-11. Any unexpended funds from this appropriation are available to the industrial commission for lignite research grants during the biennium beginning July 1, 2017, and ending June 30, 2019.

SECTION 26. LEGISLATIVE INTENT - RENEWABLE ENERGY DEVELOPMENT FUND. It is the intent of the sixty-fifth legislative assembly that the industrial commission consider applications for funding from the renewable energy development fund for advanced energy technology development projects.

SECTION 27. LIGNITE RESEARCH, DEVELOPMENT, AND MARKETING PROGRAM - LIGNITE MARKETING FEASIBILITY STUDY. The amount of \$4,500,000 from the lignite research fund, or so much of the amount as may be necessary, may be used for the purpose of contracting for an independent, nonmatching lignite marketing feasibility study or studies that determine those focused priority areas where near-term, market-driven projects, activities, or processes will generate matching private industry investment and have the most potential of preserving existing lignite production and industry jobs or that will lead to increased development of lignite and its products and create new lignite industry jobs and economic growth for the general welfare of this state. Moneys appropriated pursuant to this section also may be used for the purpose of contracting for nonmatching studies and activities in support of the lignite vision 21 program; for litigation that may be necessary to protect and promote the continued development of lignite resources; for nonmatching externality studies and activities in externality proceedings; or other marketing, environmental, or transmission activities that assist with marketing of lignite-based electricity and lignite-based byproducts. Moneys not needed for the purposes stated in this section are available to the industrial commission for funding projects, processes, or activities under the lignite research, development, and marketing program.

SECTION 28. PROHIBITION - NORTH DAKOTA FINANCIAL CENTER - BANK OF NORTH DAKOTA. The Bank of North Dakota may not construct a North Dakota financial center on a site adjacent to the existing building on which the Bank of North Dakota is located related to the funding provided in section 1 of chapter 14 of the 2015 Session Laws and identified in sections 2 and 26 of chapter 14 of the 2015 Session Laws until after June 30, 2019.

SECTION 29. LAKE BED SEDIMENTATION STUDY - REPORT TO THE LEGISLATIVE MANAGEMENT. During the 2017-18 interim, the industrial commission shall conduct a study in consultation with the game and fish department, the state department of health, the state water commission, and any other state agencies as necessary, regarding the feasibility of and appropriate jurisdiction for regulation of sediment studies and dredging operations from the beds of reservoirs that retain more than fifty acre-feet of surface water. The study must include consideration of best practices in other states, an outline of any proposed regulations, and a plan to implement a uniform permitting process. The industrial commission shall report to the legislative management by September 30, 2018, regarding the results and recommendations of the study.

SECTION 30. GAIN-SHARING PROGRAM STUDY - REPORT TO LEGISLATIVE MANAGEMENT. During the 2017-18 interim, the industrial commission shall conduct a study in consultation with the North Dakota mill and elevator association regarding the gain-sharing program. The study must include consideration of the costs and benefits of the gain-sharing program, best practices in other milling operations, and the estimated fiscal impact of repealing or modifying the gain-sharing program. The industrial commission shall report to the legislative management by July 1, 2018, regarding the results and recommendations of the study.

SECTION 31. BANK OF NORTH DAKOTA EFFICIENCY STUDY - REPORT. During the 2017-18 interim, the Bank of North Dakota shall conduct a study regarding potential efficiencies in operations. The Bank of North Dakota shall report to the appropriations committees of the sixty-sixth legislative assembly regarding the results and recommendations of the study.

SECTION 32. EXPIRATION DATE. Section 20 of this Act is effective through June 30, 2019, and after that date is ineffective.

SECTION 33. EMERGENCY. Section 28 of this Act is declared to be an emergency measure.
