**SECTION 2. LEGISLATIVE INTENT - AREA CAREER AND TECHNICAL CENTERS -
SECONDARY GRANTS.** It is the intent of the sixty-seventh legislative assembly that school districts:

1. Use federal funds available from the elementary and secondary school emergency relief fund to effectively benefit students;
2. Prepare to provide for any future operating and maintenance costs relating to new or expanded programs resulting from the expenditure of these federal funds because state funds will not be provided to replace these federal funds; and
3. Prepare to provide increased local support for area career and technical centers since state secondary grant funding is limited and the share of state assistance for these programs may decrease if new or expanded programs are established.
